

PRAYING THROUGH THE MONTH OF JANUARY 2015

PROPHECIES 2015 (PART 2) 4 January 2015

I heard the LORD saying, “The Death of debts. As my people worship at my footstool there is going to be a sentence released from heaven saying release, release, release.” For everyone here who wants to see debts cancelled this is the time to bow before Him. Worship at his foot stool.

Proclaim Psalm 24 and then read Exodus 23:10-17

As you showed me Isaiah 10:27 that the yoke shall be broken by the anointing in the name of the LORD Jesus. By reason of anointing it shall be broken off.

I decree that every yoke, every burden, everything that has been released upon your people let there be a breaking of those yokes according to your word.

Because we have come before you, before your throne and what you do directly from heaven is greater stronger than what man can do. So we give you all the glory because you are touching everyone where they are right now. In the name of the LORD Jesus Christ we decree establishment of your counsel in every life according to your word.

Anything standing before any man, any woman, no matter the height of that mountain you become the plain now. We uproot anything that is not Your planting right now. In the name of the LORD Jesus Christ.

Richard Hayford in the next 5 weeks **certain controversies are going to be settled**. Things which, if they are not settled in 5 weeks, would upset quite a few things. But I decree as heaven has decreed that from this moment that GOD has decreed Himself, it is settled.

As heaven has declared within the next 5 weeks so many things will happen, that will change the course of your life for all time and it will set tones for certain things to happen. So we decree from this day every other person who needs that kind of intervention from the LORD receive it.

I saw reversal of fortunes. Things that have been negative expressions of things decreed over your lives so you don't have what GOD ordained for you, every decree of every man, every decree of every dragon, every decree of every institution, is reversed.

Now you are entering another expression of the glory of GOD therefore receive the turning of fortunes in the name of the LORD Jesus Christ. Let everything in your life that has blocked the entry of the LORD Jesus be lifted. Anything that stood in your way to entering the inheritance GOD ordained, also be lifted in the name of the LORD Jesus Christ.

Read Exodus. 23:10-17 (Amp)

Feast of harvest; doesn't that sound like celebration of harvest? Every year is a year of the Holy Spirit but could it be that this year is **a year of a certain level of the manifestation of the ministry of the Holy Spirit and manifestation of the sevenfold Spirit of GOD**. Do not take anything for granted.

It means here that **everything you ever worked for all the years of your life so far, that you have not harvested from you shall see the first-fruits**. Everything you toiled all your life for that was appointed by GOD, that you have not seen results so far the LORD will enable you to see, eat and enjoy and share the first fruit with many because abundance has come.

Even so LORD we thank You for Your word, the entrance of which gives light and understanding to the simple. We pray in this short time we shall accomplish what you ordained. Let there be levels of impartation, expression, absorption, transmission and all demonstrations. In the name that is above all names, Jesus Christ, the Express Image of Your person and the full effulgence of Your glory. Amen.

Which year is this year? The year of the Celebration of harvest. **It is also the year of extraction**. That means not only will He extract you as in Isaiah 49:24-26 where He will contend with those who contend with you, even legal captives as you heard in part 1. Those who sold themselves willingly to the devil as many as are willing to return to the LORD he will extract them. Angels are released already. We will end up with many extractions already and it will be evident it is the LORD's doing and it is marvelous in our eyes.

It is also a year of retraction. Whatever anyone had decided settled concerning you, sentences, decrees, proclamations they will retract.

It is a year of realignment and redefinition. GOD is redefining His own for His glory.

It is a year of discovery and recovery of stolen treasures. Because of the way this service has gone, I am tempted not to teach any more just give the marching orders and instructions concerning what GOD has said. If we have time left I will explain some things. **When GOD said it is a celebration of harvest, it is not necessarily a year of harvest, but [rather] gathering what has been harvested but had been hoarded somewhere.**

That is why because of the Shemitah, the year of Shavuot, which is the year of rest, that is why if you heard the Amplified version, it says *what the land will voluntarily yield to you of its own*. There are some places you had to toil to receive before, now you don't have to toil, you will see it coming because you are gathering it.

All shall be restored. Not only for individuals but will [it will] apply to families, cities, nations and the continent of Africa but many others will experience that.

It is a year of unreserved dedication, devotion and commitment. It will lead to clarity of vision and direction from GOD which will help you to get into your place in Him and in life.

Year of undeniable miracles and righteous living. In the area of righteousness there will be individual fasts that He will ask you to declare as part of your righteous acts. If you remember, Matthew 6 talks about acts of righteousness, what are the three acts? (1) Giving, (2) Prayer, (3) Fasting. It means if there has ever been a time you honored your father and mother in particular and all others who have contributed to your life this is the year.

When it comes to honoring, one thing Jesus talked about was, do not say what you are supposed to give to honor your parents - It is dedicated to GOD. Even if they have not been very kind to you, you are doing it unto the LORD.

Do it monthly if possible. Decide what you will do, the monthly thing or in the middle of year at the latest. So you do not get tempted to stop. Actually let the person know either by phone call that this is what GOD has laid on my heart and this is the monthly thing I will do. Then by certain time latest I will be able to settle it. Do it monthly, it is already settled. Ephesians 6.1-2 **Sustainability, establishment, impact, relevance are about to the released.** You may hear prophecy and don't know how to operate them and this is one of the keys. Undeniable miracles and righteous living that is a glimpse of righteous living. It is not about adoration but acts of righteousness.

Also a **year of unreserved commitment and obedience to the Holy Spirit.** Commitment, dedication and

devotion; but He says unreserved commitment to the Holy Spirit. It means there are some who will actually be introduced afresh to the Holy Spirit. A new walk with the Holy Spirit. Your walk will be very different. If there was a year you knew the Holy Spirit this is the year. It is unreserved commitment and obedience. I would obey the Holy Spirit. Even so let it be oh GOD help me from this day to obey. Holy Spirit from this day I will obey Your voice, so help me to hear you much clearer than ever before in the name of the LORD Jesus Christ.

It is a year of the word of the LORD with strategic praying. Being a year that each [person] needs to understand and that there will be such manifestation of the Holy Spirit and we should give much time to the word of GOD and strategic praying.

It is going to be a year of the release of the glory of GOD, the power of GOD and the presence of GOD. Along with it will be judgment upon the wicked. Because of the levels of wickedness on earth, there will be famine, drought, sandstorms, floods, snowstorms, fires of different kinds but we can pray to temper the intensity. It was going to be more intense, but people of GOD can pray and temper that.

It is also going to be a year of conquest where people of GOD will begin to enjoy what the word of the LORD is saying in 2 Corinthians 2.14-16 in particular.

It is a year of triumphant living. It is a time when GOD will cause you to triumph over things that defeated you in the past. So every contaminating influence must be brought down. If you were contaminated even in dreams we will pray for you. All kinds of things, where some have had spirit spouses. GOD is actually terminating those covenants. That is why it is important that today I give time to prayer.

I am the perfume of GOD. I am the fragrance of GOD. This fragrance can kill and it can also make alive. There are things that are killing in your family that you will kill. It is not you but GOD using you as a bottle to spray. LORD I PRESENT myself afresh as a spray bottle fill me afresh with Your fragrance. Wherever I go from this day let that fragrance be an aroma of death for those who must die, and life for those who have been oppressed for so many years.

Let me be a fragrance of life to those who want to obey and believe what you are bringing forth to them according to your original plan. Let not the innocent die with those who are the planting of the evil one in the name of the LORD Jesus Christ.

On your own you don't have what it takes but GOD is sufficient. Your sufficiency is in Christ. Psalm 113.9. He will make even the barren woman be a joyful mother of children.

This Shemetah is also a Jubilee. That means it is actually a time of sending you back to the family house. Read Leviticus 25 concerning the year of jubilee. You shall return to your own. He will make her one that will be a keeper of home and a happy mother of children. Every area of barrenness in your life, today, fruitfulness has taken over. More than ever before GOD will make you fruitful but you must press into the level of fruitfulness. **If you have ever fasted at least 100 days this should be the year. It is the year of rest so it will be a fast in rest.**

And already GOD has given you about 60 days because March 5 to 4 April we will have 30 days fast, then 30 August to 28 September is another 30 days. Fast the day of your birth every week, that is 52 days [in the year]. If you are faithful in keeping the day of your birth and days of your fast you already cover 112 days [in the year].

One couple has already been instructed by God to do a 40 days fast so they will add up to the 100 days.

FAMILY

If it comes to family for example; **this is the year you will see Psalm 113.9 in manifestation.** This year families will experience the reality of Leviticus 25 jubilee. Ephesians 6.1-2 and Malachi 4.1-2. Of course you could go to verse 6 in Malachi but it means there are people who will come out; and the Son of righteousness will come with healing and in verse 6 there is the aspect of reconciliation.

As I was saying it, the Spirit of GOD gave me a flash back of something He said 4 days ago. **There will be children of some people that had gone into drugs that will come back**. They will be cleaned up by GOD. They will be so committed to GOD and some will literally establish rescue shops at the gates of hell. Some of them will literally almost operate as though they are forcing drug addicts out of addiction because the zeal of GOD will consume them. Some were moved into drugs because of popularity in [the] music and movie industry. GOD will snatch them out because of the year of extraction.

That is why some of you need to hear from GOD. GOD will tell you to go after [someone] that had said don't talk about Jesus [to me]. [This time the person] will say now I realize I have been too hard on this that you were saying the last time.

There will be many restorations of relationships and because of that even committees of nations [will experience] restoration of relationships. **Some nations were estranged because of certain selfish leaders that let their personal differences to bear upon the nation and there will be restoration in that respect.** For ECOWAS some of the things that have not been possible for ECOWAS the LORD will fast-track. They will happen to the glory of GOD. In 2 and a half years some things will be finally concluded.

There are people who were condemned to be lifetime bachelors and spinsters, they will get married.

Some of you have been worried about spouses this will be the year of wiping of your tears.

BELIEF SYSTEMS

It will be a year of unprecedented revival of His miracle working power. There will be so many souls coming into [the Kingdom]. [They will come in] droves. That is why if you have not given your life to Christ or [you are not] walking straight with Him, we will give you an opportunity to rededicate [your life to Him.] As it is the year of manifestation of the Holy Spirit, we will give people the opportunity to be filled with the Holy Spirit.

Our beloved Sister Pat, one of the things I saw, you will actually begin to cause people to grow rapidly. GOD will give you an assignment that has to do with growth. He will show you the rest of the details. You will literally begin to help people with structure, to help grow people into maturity. [You will help] people to take responsibility [in areas] where they had not taking responsibility.

There are people who come and go because of what you will share. They will all of sudden take responsibility and will want to bring others to help them with those responsibilities.

I see GOD bringing change of mindsets especially for the average African. This will be a year that people will believe in the reality of GOD and what He can do in their lives. They shall not be looking to others. They will see the ability that GOD has given.

Those using occult power shall be judged and dealt with by the Most High GOD.

Some people I saw as if some people have put their thumb on you. I thought it would be like they are holding you down. They were keeping you down and you could not rise. The LORD says let their hand be broken. If you have read Ezekiel 30:21,22 concerning God breaking the arm of Pharaoh. I will break his arm and the one that had kept you under those who used their thumb and some signed certain covenants to keep people under them. Today, we break all their iron bars, and all iron gates and all spirits that have been keeping people in and others out. I declare those shattered in the name of the LORD Jesus.

Even as [you shall trample the wicked for they shall be ashes under the soles of your feet, Malachi 4:3], so shall it be with every other thing that has been standing on people and keeping them from rising to the appointed place. Every covering cast over you, I declare it torn now over you. Let GOD Himself arise and let His enemies be scattered.

Nigeria I have come to release you says GOD. Not only that I have come to release you from the hands of those who held you captive using their own political things, leading and political gain to now impoverish you. I am going to deal with them says GOD I will deal with them.

Those who came together - **I see three entities who stood over you Nigeria and saying lets divide her for ourselves. Thus saith the LORD, you will not be split or divided up. I will fulfill my purpose that I have ordained for many nations to come to pass.** What the enemy has meant to do between February and May this year, I will turn around for good.

In the midst of agitation and anxiety, I will give peace. Even in the midst of shaking and turbulence, though they meant it for evil, though you may totter, you will not fall. You will not be destroyed says the LORD.

Pray for Nigeria now. I was talking about something else then I saw those three entities. I don't know whether they are spirits or institutions or nations. Sometimes nations can be represented by entities. I saw the devil wanted to divide Nigeria into 3 using the election but GOD said, it will not come to pass. He will establish His counsel. Though it may totter, it will not fall or break. Let us go and decree.

We declare concerning Nigeria, your salvation is here. Your Savior is here, the deliverer is here in the name of the LORD Jesus Christ. What was meant to happen that would have caused you losing ground, I see... even the little ground you had gained you were about to lose, things that you would take [a long time] to recover [you would lose] just between February and May. We reverse it in the name of the LORD Jesus.

We decree right now recovery. Even that sacrifice of 21 virgins at the River Niger, whatever power that was drawn, we smash it. We decree now peace. And if you will not relent God says you rather will die than the people might be preserved in the name of the LORD Jesus Christ. We decree that judgment from the throne of GOD. We declare it is you who will rather die than people may be preserved according to the LORD's original purpose. Let GOD arise and let His enemies be scattered in the name of the LORD Jesus Christ.

Father even so we release the spirit of grace and supplication upon people that are named by Your name in Nigeria. Let there be strategic praying according to the Word of the LORD that will hear specific words from you and direct the nation. Whatever the case, we thank You for You have revealed for the purpose of preserving the nation. In the name of the LORD Jesus Christ.

I was about to get into governance. I want to leave the issue concerning belief systems and that [word] came concerning Nigeria. Some are asking questions about elections. There are all kinds of things people have decided they will do. People have [been] sponsored by various foreign interests and let me say that I heard this earlier so I will go back to what I heard. **Even for Boko Haram, GOD will splinter their fronts.** It does not mean they will be gone but He will splinter their fronts. **Some of the people who used all kinds of biological weapons will end up losing ground the way they lost with Ebola.**

That reminds me on the 31st GOD said presidents will begin to seek Him and then the very next day the President of Sierra Leone asked for 7 days prayer and fasting for the nation.

We were here and when it comes to GOD He is not joking. There will be rapidity, in fact some of the things [are already happening.] It was on the 31st I was sharing about the Palestinian leader with one or two people. The fact that he had threatened on 29th April that he would take Israel to the International Criminal Court (ICC). He was talking about membership and I noted the fact that he wants to push it earlier in the year - but he will fail because it will not work. It does not mean there will be some who will not try to help him during the year. Already on the 2nd [of January] he was already doing that but he failed. There were 2 African countries that he was depending on to help him – Rwanda and Nigeria.

Even when it comes to the aspect of the Middle East, one thing GOD said was that the next 3 and a half to 5 years should be years that Middle East nations should enter into the purpose He has for them. He will give them signs within 5 months then another set of signs within 7 and a half months then the next set of signs within 13-14

months.

It is so that they will know they are supposed to enter into their original purpose. If you notice, Africa is supplying a platform in Egypt. So **GOD wants Egypt to understand her role even in the life of Israel**. If you are an Egyptian watching, understand that. There are all kinds of racial sentiments and political sentiments but this is GOD the Maker of Egypt, the Maker of heaven and earth speaking. Understand that it is time to begin to ask GOD for the necessary understanding and strategy to enter that type of relationship and mediation for relationship that should exist between you and Israel and Assyria because of what GOD said in Isaiah 19. We will see political manifestation of some of that. But it takes the next 3 and a half to 5 years and we will see a glaring expression. It shall not be yet full expression of the peace accord.

Government and Governance

In the area of government and governance there will be shifting of powers but it will be power blocs. Some people are asking if it shall be a change of government and people in government? It is power blocs. If it also manifests that way, I am not GOD, but it is power blocs. Those who were in controlling positions and make the people you see as presidents and ministers as puppets, will end up losing that control. [Power] will move into the right hands if the right hands will arise. I see GOD causing that to happen as people allow GOD to work in that.

If there is ever a time to pray for real things to happen this is the time. **One thing I saw was that certain nations that control nations of Africa will lose so much of what they were using to control nations of Africa.** GOD Himself will create that platform for His glory.

Russia, Iran, Turkey, North Korea don't be surprised if one or two trees fall. But the key point is that GOD is going to do it for His own glory

ECONOMY

[For] Africa it is a year of global impact in business and agriculture. I would ask GOD what [He] would have you do to be [one of the] first partaker of [the] first fruits.

A year of flourishing of start-ups and a year of unparalleled opportunities. So it will be important to seize those opportunities and not make a mistake of saying let me wait for this and that. Ask the LORD first, Is this my opportunity? I will not let it pass. It cannot be paralleled.

There will be all kinds of things coming up. There will be all kinds of opportunities to enter. Actually, going on the global map of manufacturers of certain things that were the reserve of Europe and Asia and America. Two or three things will be started up this year in Africa that were the reserve of Europe and Asia and America. GOD is bringing that capacity of manufacturing. Even if it just starts with assembly plants.

EDUCATION

GOD is going to cause people to hear clearly, especially in policy making. What type of policy will release people into their full potential by bringing true education as against literacy and numeracy. GOD will give innovative ideas where there will be new ways, styles and processes of education.

GOD will give divine strategy to policy makers and policy implementers. It will be a three to four years development plan for taking out the old system and replacing it with the new system. That new system will last a long time, a few decades.

It is also the time that people who need to go back to school should go back to school. You will need to learn new things. It is not only a [regular] classroom setting. It could be a virtual [setting]. Age is not a deterrent. If you did not take school seriously, this is the time to take it seriously. Those in positions of authority, GOD will show you things to introduce to that position. I believe GOD will want you to introduce some things to the armed forces of

Ghana that will be fresh. You may not be there but receive it. It may not [only] be for armed forces but [may also be for] another institution. The LORD did not say its only for Ghana or South Africa. But it is for anyone. Some of you in positions of authority, God will send you back to school to introduce new things into the system. He will show you what you need to know and you will become almost indispensable. What you need to learn will make you to be so strategic and almost indispensable. You will be strategically positioned by God in your area [of operation.]

There are three people that people have fought your taking a [particular] position. They will end up calling you to take those positions.

SCIENCE AND TECHNOLOGY

There will be new forms of alternative sources of energy. Concentration is for Africa, that is the direction the LORD is giving. We shall concentrate more on that. **There will be very simple solutions to seemingly intractable energy problems.** So we pray that our science and technology people hear God clearly. **GOD will cause a number of medical scientists to come up with new solutions to various challenges that hitherto had become challenges that were irresolvable.** So GOD will help you. I am not talking about the cure or solution for prostate cancer or other cancers or other things that people ended up with. [I am talking about things] like hallucination. Did you know that there are drugs that can induce hallucination? There will be drugs that can stop the hallucinations. This way, things that have to do with insomnia will be resolved.

Medical breakthrough. Those who are in science and tech let me pray for you:

Father even so, I declare concerning everyone here, that is in [the area of] science and technology, even those who are represented wherever they are, and those also currently that are watching, that need this prayer - I declare now there is a special release from heaven to each one of them. Receive a release that touches that transmission of the divinely inspired ideas for creativity and productivity released to you according to GOD's original plan and purpose.

[I declare that] the science and technology that GOD meant to take hold of your life [in order that] you become one of the best expressions, will come over you now. I release that into your life, your home, your institution, your family, into your city and nation and [into every] continent represented [here] in the name of Jesus Christ. For the continent of Africa, I declare this is a time of turning of the corner. In the name of the LORD Jesus Christ.

Before I conclude that prayer, was it on January 2nd also that there was an announcement of a new TV station? This TV station is supposed to set the standards for other TV stations according to the founder of Forbes. That was the comment [that was made regarding] the quality of production. It will set standards for other stations in the world. That is why we say that is nothing compared to what GOD is going to produce. Therefore I release the unprecedented level of that glory of GOD that will cover the whole earth because of the glory that will be manifest through you. Wherever you go, you will be a true expression of that glory in Science and technology and other areas.

So everyone who needs impartation of a new level of expression of creativity and productivity stand up and receive it. I declare that wherever you are, even outside, in the name of Jesus Christ, I declare what you need for impartation is released to come your way. Receive that impartation for creativity and productivity according to the original ordination of the LORD in the name of the LORD Jesus Christ.

MEDIA

When it comes to the aspect of media, GOD is actually upping the game for lack of a better word. Not only quality of equipment and production in terms of picture quality, but quality of content. GOD will cause people to focus on content more and more. Even when people are evaluating media houses and media personalities, they will be [looking at the] quality of content. What content are you bringing? What improvement are you bringing to society? How is it contributing to the building of the nation, the building of lives, the building of families, the

building of society?

If you are in media I want you to understand you will become more irrelevant the more you go for things that do not build but destroy. There is a three and a half year window for solidifying truth and things that will build. That is the reason why it is important not to end up being irrelevant by going about doing things the same old way.

That is why for those in media, as I have already prayed for everyone, I release upon you ability, grace, anointing, insight, foresight to know what you ought to do to become more and more relevant when others are becoming irrelevant. **Do not be surprised to see three major media houses falling unless some of their members see the signs and begin to cry for mercy.**

I even heard the name [of one media house]. It is a big one around the world. Unless some members of the body of Christ cry to GOD for mercy that will be it. They will just fall.

By the way, there will be very prominent media moguls who will end up turning to the LORD. At least 3 to 5 of them [will turn to the Lord] because of certain happenings. I see one of them wanting to shoot himself, but GOD will have mercy and that is how that person will turn to the LORD.

ARTS, SPORTS and CULTURE

In arts, GOD is bringing His own to the fore. Days of "anything goes" are over, especially in the Body of Christ. It is not just the aspect of music, but dance, drama and movies etc, in that area there is no such thing as "anything goes". GOD has been pleased with sacrifices of many, including Mt. Zion in Nigeria, and all that but GOD is calling for a higher level of excellence, efficiency and efficacy.

So it means from now on nothing should be done "just anyhow". It is another level. You cannot do music "anyhow", especially those in this house. You cannot continue to do things "anyhow". This year [will be a year] of a lot of sacrifice but it will pay off. GOD is going to reward some people so handsomely you will be beside yourself, especially as you sacrifice. **There will be such demands from the Most High for sacrifice. Not just in this nation or in Africa, but especially in Asia and Africa but it includes the Pacific realm and Australia. Australia much more in terms of spiritual impact.**

Concerning Australia and New Zealand especially Australia, you had gained some degree of prominence especially in music not only in the area of professionalism. **Africa is coming of Age in the area of quality of spirit and quality of skill.**

GOD will cause people to put in so much of the spirit of GOD especially the amount of time in the presence of GOD and the amount of time in the word, in the spirit and then also, there will be skill; amount of time given to improving skill. Some on a daily basis a minimum of 3 hours. He wants you to set a standard. I heard Him clearly, Spirit and skill.

That is why it is important to make sure you do what GOD wants you to do. For you to set a standard you have to get to another level also. GOD will help [you] as you sacrifice it will pay off. I heard that repeated five times.

That is why those who are into music and I see some people being saved that were prominent in the realm of music. And even for the aspect of movies, though I see all kinds of things have been released because of certain meetings. There are people that met, many times. **I see that group that meets 3 times a year. I am seeing them as I am talking. They go on journeys in the realm of the spirit. It is like a jamboree, a festival. It is more of trying to meditate and do things. Their fun is in floating. Some have ended up with those spirits putting them into a cage.** I see some people being released from cages. I decree the cages broken. I smash with the hammer of GOD those cages in the name of the LORD Jesus Christ.

I want us to stand and pray. We are going to use Genevieve Nnaji (A Nigerian actress) as a point of contact. Some of them have been led into all kinds of things. I do not say I saw her, that does not necessarily mean she is

exempt either as one of those in the cages. It appears they recently pushed her further with chieftaincy and other things.

We will pray for release of all, including lawful captives. Let them be delivered. Sincerely some do not mean anything evil. They don't even know that thing is part of what they are supposed to be doing. It is only after they find themselves in hot water. Therefore we release everyone who has become caged.

Ezekiel 13:17

Many had prophesied out of their own pain especially in South Africa, Kenya, those things will not come to pass. It is only what heaven has decreed. We declare that concerning all the nations.

In certain families [there are] **women and men, who used magic charms and have captured spouses and they are trying to get out but from this day we burn those magic charms out of their bodies by the fire of the LORD.** **The** blood of Jesus, the blood of sprinkling, sprinkle their conscience clean from dead works.

Some women greet you and your eyes begin to follow them. From this day you are fortified from such charms. Those women whose husbands are charmed I declare them delivered in the name of the LORD Jesus Christ. Those women who have been affected by men using charms in their tongues you are released from the power of the sword in the tongue of men. The Bible is clear in Job 5 concerning things like that. Some of you don't know why you behave that way toward some men. May those who have to die be the ones who die.

They have caged them like birds but from this day we declare those cages broken, whether iron cages. When you say cages people think of cages for canaries not wrestling cages. All those iron cages we declare them smashed by hammer and the fire of GOD in the name of the LORD Jesus Christ. GOD said I will tear them from your arms and let the souls go ... then you shall know I am your GOD.

For the sports aspect there will be things that will be healed as some of you do some exercises that GOD will show you. [There are] sicknesses that you had been struggling with. You had gone everywhere and nothing seem to have worked, GOD will show you one exercise for even 3 minutes a day and within 3 months everything will be healed.

Hear GOD and be consistent. If he says once a week do it. If once a day, do it. Within 3 months it will be fine.

GOD is about to inject you with great grace today. That is what will happen with the communion. I saw the blood of Jesus being injected into people and I saw great grace. Great grace [was written] on the side of the syringe. You will end up doing things that were impossible. GOD will do it.

For culture, there are people who have been lured into all kinds of things because of position and chieftaincy. You will end up with all kinds of spiritual things happening to you. GOD will release you like a bird from the cage.

If I were you I would pray that all my loved ones will be released right now from the cages. Let every cage [be opened]. [Let] every loved one [who] has been caged be released from that cage now in the name of the LORD Jesus Christ. **I see some, I hear Lesotho, Swaziland some things are about to change.** I decree that transformation. Let the wind of change blow in the name of the LORD Jesus Christ. Let the people be released in the name of Jesus. I decree their release according to the original plan and purpose. Let them be released now in the name of the LORD Jesus Christ, Son of the Living GOD.

Even so, as people partake of these emblems, of the body of Christ that was broken for us, let there be the strengthening of their bodies. Concerning health, there shall be galloping health for quite a few. So let it be because of the supernatural miracle working power, of the Spirit of GOD, in the provision of the broken body of Jesus and the blood that was shed for us. We thank you for the body that was broken for us.

We declare that the blood of Jesus that was shed for us will bring people back from death. In the name of the LORD Jesus. He said inject with great grace thru the blood. Everything that would hitherto have been impossible will become possible. Because You are our possibility, I AM Possible. Even so let that great grace be introduced into the veins of your people, into the blood stream of your people, according to the original plan and purpose in the name of the LORD Jesus.

Let this lead to salvation of many souls and deliverances and restorations and recoveries and everything else You ordained in the name of the LORD Jesus. Amen.

GOD wants your recovery to be complete. Yes I did not go into the aspect of how you should activate your economic breakthrough through giving though I mentioned it as part of righteous acts. I want you not to give anyhow. Ask the LORD what He wants you to give. Being the first, first day (Sunday) of the year I want you to decide [what to give] and let this form a foundation. Let GOD help you that there will be no how that you go below a certain minimum.

Every other first day of the week you will not go below a certain minimum. He may give you some things different, but believe Him to show you a figure you will never go below. There should be systematic giving for systematic harvest. This will happen to GOD's glory.

GOD open our eyes to see what ought to be done. Thank you for you have shown us what to do. You have shown us what will be our minimum from now on for our families. I ask that You will show Your people what they ought to give and it will be evident it is Your doing and marvelous in our eyes. Amen.

END OF THE PROPHETIC WORD THAT CAME THROUGH DR. ABU BAKO ON JANUARY 4, 2015.

PRAYING THRU THE HEAVENS

From December 19, 2014 to 19 January 2015 the sun makes its circuit through the heavens, it passes through a cluster of **69 stars** in the constellation called **SAGITTARIUS** symbolized by the archer. This represents the triumph of Jesus Christ "The Coming One" who is represented as going forth "Conquering and to conquer."

The Bible testifies that He wrested from the enemy the keys of Death and Hades. He led captivity captive and released from eternal bondage the entire universe. Stars; The redeemer's triumph; arrow, beauty of coming forth; Psa 45:3-5 people fall under thee; Psa 64 GOD shoots arrow. Refer to the prayer guide from December 2014 for further directions on these days.

From January 20 2015 to 17 February 2015 as the sun makes its circuit through the heavens, it will pass through cluster of **51 stars** in the constellation called **CAPRICORNUS** symbolized by the sea goat. This represents Yeshua as the Goat of atonement slain by the arrow of GOD for the Redeemed. The smitten one falling and rising again. Named: Replace of sacrifice; cut off. Isa 53:8 stricken for my people, Lev 9:15; 16.22

"GOD hath given it to you to bear the iniquity of the congregation, to make atonement for them before the LORD" This is what is written for the goat of the sin-offering. (Lev 10:16-17) The purpose and its fulfillment was the reason Christ came to the earth. (Hebrews 9:11-14). GOD demands in this season that we demonstrate our unconditional love for one another as true followers of Jesus Christ.

- Take time to pray daily for at least 5-10 minutes for the lost souls in the nations starting with your own family, and then to the lost in the community, city, nation and continent.
- These are days of the harvest of souls. Jesus Christ is asking that you pray for labourers (staring with yourself) to go out and bring in the harvest of souls in every age group. Pray for the ministry of evangelism to be revived not only in your life or your church, but in the church worldwide.

- Jesus Christ laid down his life for us, pray for every individual in the ecclesia world wide to lay down their lives for the brethren as a demonstration of love 1 John 3:16; Joh 15:12-13; 1 Thessalonians 3:12.

The other three smaller group of stars called decans that form part of Capricornus describe the details of Jesus' death and resurrection.

SAGITTA (the arrow) represents the arrow of GOD (death) sent forth to His Son. Isa 53.4 smitten of GOD; royal eagle fall

- Proclaim Isa 53:5 and show your appreciation with thanks giving offerings to GOD for the depth of His wisdom because the arrow of death sent forth to His son that struck Jesus and stuck fast in Him, has brought salvation to many and much more will come.
- Pray that during this month you will be an arrow with integrity in the hand of the LORD and as He releases you to your purposes in this month, you will land on target and you will strike deep in the heart of the enemy's camp.

AQUILLA (the eagle) represents the smitten one falling; Named: royal symbol, falling in death

- Jesus Christ died for all men (Hebrews 2:9-10) Pray that by the example of Jesus Christ every Kingdom Citizen will submit to death of the flesh, to self and sin daily so you too can bring many sons to glory. (1 Cor 15:31 Joh 12:24)

DELPHINUS (the Dolphin) representing the dead one rising again. named: pouring out water, coming quickly/ (representing the whole new testament)

- GOD is the GOD of the living. The resurrection of Jesus Christ made the resurrection of the dead possible, it gave us victory that overcomes the world and it is only the living who shall give GOD praise and make known His truth; so celebrate the resurrection with songs of praise and thanksgiving (Mat 22:31-32; 1 Joh 5:4; Isa 38:19; Neh 12:46;)
- He rose again. Thank Him that His downfall resulted in our uprising. Thank Him that the righteous fall seven times but He will never remain down. You rise again toward the goal set before you just like He did. (Psa 37:24, Isa 53)
- Thank the LORD that the heavens in this month remind us that those who have died in the LORD do not perish but are translated to be with Him forever. Thank Him for this hope and that you will meet those loved ones again and rejoice forever with the LORD 1 Cor 15:50-51
