

## PRAYING THROUGH THE MONTH OF JANUARY 2015

Ancient Romans referred to January as “Ianuarius” (meaning month of Janus), a word not so far removed from the modern day January and taken from the Etruscan word “Jauna” meaning “door”. The Romans dedicated it as their first month to their god of gateways and doorways whose name was JANUS, hence the name January.

According to the Romans, the first (1<sup>st</sup>) month was the gate through which everyone enters the calendar year; this made it easier to exert unfair influence and control on their enemies by dedicating it to the god Janus hoping they would have better favor in wars. Therefore January became the first (1<sup>st</sup>) month of the Gregorian year.

Originally, the old Roman calendar began in spring; the season of new beginnings around March/April. The beginning of their year was dedicated to the god of war – Mars.

Finally, in 46 B.C.E., Julius Caesar initiated a thorough reform that resulted in the establishment of a new dating system, the Julian calendar. He wanted the year to begin in January since it contained the festival of the god of gates (later the god of all beginnings).

Since Julius Caesar was very superstitious and fearful he dedicated the beginning of the year to the god of gates Janus. Thus; the year was moved back 2 months from March to January.

This calendar was finally re-configured to align to what we have today by Pope Gregory- the Gregorian calendar. While the original pattern begins the year at the gates of spring season, the Gregorian calendar begins the year in the middle of the winter season.

The dedication of the era after the birth of Jesus Christ to “Anno Domini” (A.D) “The year of our LORD”; has elevated the Gregorian calendar to become the most widely used calendar all over the world for the marking of passage of months and years.

Most of the month of January remains in Tevet 5775 which began at sundown 23<sup>rd</sup> December 2014 to 20<sup>th</sup> January 2015. The month Sh’vat commencing on the 20<sup>th</sup> of January 2015 (Sundown), is the fifth (5<sup>th</sup>) and eleventh (11<sup>th</sup>) month of the Jewish civil and sacred calendars respectively. This is the first (1<sup>st</sup>) month of the year 2015 according to the Gregorian calendar.

## PRAYING THRU THE MONTH

- This is another opportunity to possess the gates at the beginning of an important season. It is the new year 2015. Praise the LORD that you have seen another new year.
- For you to enter into the new season, there must be closure of the past season. Ask the Lord to close the gates of the past year, and season. Ask that He will seal and cause a closure on any areas of your life where there is exposure and a lack of closure;

During this month, as we cross over into the new year, we will focus on praying through the prophetic words will be released over the first few days of the month. The second part of the prophecies will be released after the first day of the week (Sunday 4<sup>th</sup> Jan). A verbatim document of all prophecies will be released later in the month as more prophetic words are released over the season, however you may open your year praying thru the following:

## SERVICE AT LOGOSRHEMA ASSEMBLY ACCRA ON DECEMBER 31, 2014 - CELEBRATING YOUR HARVEST WITH PRAISE [PROPHECIES 2015 (PART 1)]

The LORD took hold of the entire universe to change history by the last watch of the day from 3 pm-6 pm. He came to bring the light to the world by 3 pm the last watch of the day. That is why when He was crucified there was darkness for 6 hours. At that time He was going to change everything. [From John 19:31-33 we read “Therefore, because it was the Preparation Day, that the bodies should not remain on the cross on the Sabbath (for that Sabbath was a high day), the Jews asked Pilate that their legs might be broken, and that they might be taken away. Then the soldiers came and broke the legs of the first and of the other who was crucified with Him. But when they came to Jesus and saw that He was already dead, they did not break His legs.”]

He gave up the ghost. He had died before the Sabbath. Before 6pm He had already died. That was because He was opening a new portal. At that time when He gave up the ghost that curtain that divided the holiest of all from the rest of the temple was torn. Today we begin the new day and new year with the LORD Jesus as our access.

Some people are asking why do we start at 3pm? [From Genesis we see that the day begins in the evening. The first watch of the day begins at 6pm. The times and seasons are ports of entry and exit and we need to possess these gates which hell has a hold of, so that the kingdom of God may prevail. Gates must be possessed first before the kingdom can prevail. (Matthew 16:19)]. We do not want to give access to people using midnight for wickedness. They go to the middle of the river to pollute it but we release cleanser from the source so we clear it off.

Proclaim Psalm 148, Deuteronomy 16:1-17 (Amp).

What are you supposed to do on a day like this? Rejoice with your sons and daughters because joy is here. Why? the Jubilee of the LORD has come. Nobody is left out.

From 2015 GOD will begin to do that [which He said in Deuteronomy 16:1-17,] with us. Those who had not finished sorting out your covenant wealth contribution you have one more month. But more importantly GOD is going to cause some people to enter a covenant of sacrifice with Him. You will be doing it three times a year. We will tell you about that later

Ask the LORD to imprint these words upon your spirit. [Upon] your heart, the tablet of your heart and upon every part of your being. He is watering that word into your life into your heart (Song – To Him that sits on the throne and unto the Lamb be blessing and glory and honor and power forever).

There are 12 people that GOD is releasing from habits that have bound them. The habits are being broken right away. I was going to go ahead and minister but the LORD said there are people who cannot touch the harvest with unclean hands and there is need to anoint them. And I will anoint them right away. 5 of those are seriously bound, seriously bound with serious challenges of sexual immorality. I am not calling you one by one but calling you together. Another five have serious challenges that have to do with lasciviousness. It is still related but has to do with exciting yourself or another person sexually but you do not get involved directly. We have two people who have very serious challenges with alcohol. In fact one of you almost took your life two weeks ago. GOD wants to deal with you; there are another 12 people who have challenges with habits too of various kinds. I want to pray for your release and go on with other things. I am not going to say this is the way I wanted to do it - that is the way it should happen. Holy Spirit do it the way You want [it done]. You have the glory.

We are talking about 24 people. You know the challenges you have. We have 2 people your name starts with E. Just come forward and we shall pray.

[Many people approached the altar.]

I see why GOD said what He said. Many would have been robbed of a clean harvest. We would have ended up with a contaminated harvest. I give you praise LORD. As You are more interested in Your people than programs. I thank You that it has pleased you to release these ones. I thank You for this release. It is taking the people to another level all together. I just see a lot of transformation taking place and realizing how many people could end up. Unfortunately, I know we have more than that number. There are two people whose deliverance will actually affect the Body of Christ.

As far as my memories serves me this is my first time that we started 31 December service this way. I did not see it before I got here. You know the things you have been struggling with and the LORD is saying because of the harvest and the importance of the harvest He does not want you to touch it with contaminated hands. That is why He is touching His people. You may be watching live but GOD will touch you wherever you are.

Therefore LORD behold your people. As they submit their hearts their hands and release their souls and bodies to you, let this mark the beginning of a new season for each one of these lives. Let this mark the establishment of their liberty as a statement of Your glory and power. Release the Shemetah release that has finally come according to Your original plan and purpose in the name of Jesus.

As they are touched and told 'receive your release', let them be indeed permanently released from now on. Let none of them continue in that bondage. Including those who actually are here not because of something that can easily be seen physically but something emotional that they are bound with and they keep falling, its like a besetting sin. Today we declare their release. In the name of Jesus. I declare concerning each of you now you are released in the name of Jesus.

I believe that this is a very important part of the service. GOD wanted this done before we go on with the sharing and prophetic words for 2015. There are 2 people I saw while I was just looking up and I saw them being released. Fortunately or unfortunately I did not see them here. Well my prayer is that they will not end up waiting until it is too late.

One good thing is that it is your harvest. Its harvest time finally. Celebrate the harvest. The key point is the fact that the feast of Weeks is the feast of harvest. **When it came to the Feast of Weeks, one of the things that the LORD said is that it will be the year of harvest.**

### **The Vision**

This is the vision I saw. **I saw a seven point star over the map of Africa. It was the Holy Spirit brooding over the continent of Africa for the release of the things that have been kept up until now.** When He said that I suddenly realized that yes the Holy Spirit is the 7 fold Spirit of GOD. Notice we are talking of the Feast of Weeks. According to Deuteronomy 16.9 It is the Feast of Pentecost which was the 50<sup>th</sup> day after 49 days, 7 weeks. The day of Pentecost was the day to wait for the harvest. We shall celebrate the harvest.

**2015 will be a year of abundance of harvest. Such harvest that you would not have seen before but for the grace GOD is ushering you into.** Not the little harvest of money here and wealth there. You will have that but it shall begin with what happened on that day of Pentecost. When the day was fully come they were all gathered together in one place and what happened? There was the rushing as of a mighty wind, and it filled the whole house. There appeared cloven tongues of fire and they were filled with the Holy Spirit.

**There is fullness of harvest of the Holy Spirit and the Spirit realm being released into full expression in your life.** Expression of spirituality GOD ordained for you. Not something fake but the real thing. GOD is about to usher His people into that.

**Let 2015 be a year of knowing the Holy Spirit. A year of harvest of seed that will be sown again, the Word of GOD.** They had to wait and tarry before the promise of the Father [on the day of Pentecost]. The Rhema made them tarry. There is Rhema about to be given to you. And there are many Rhemata given which you have not seen fulfilled. GOD is going to release that fulfillment. There will be so many things happening but you will end up on the right side of the LORD. You will see the right side of the Shemeta of GOD, the manifestation of the judgment of GOD, things that GOD said He will release into manifestation, because you are ready.

GOD had to start the way He started. **He said it has to do with 7 fold Spirit of GOD. When we talk of that, its something basic that everyone should understand Revelation 4:5 [From the throne came flashes of lightning, and rumblings and peals of thunder, and before the throne were burning seven torches of fire, which are the seven spirits of God]. The seven flames the seven expressions of the fire of GOD, fullness of manifestation, fullness of purification, fullness of illumination, fullness of direction, giving you light for the path. That is why you need the Word in 2015.**

I asked the LORD to help me so I am not [only] seeing but [also being a ] part of the partakers of [the] first-fruit as a farmer. What happened was that I asked about 2015 and He let me experience a bit right away. So ambitious as it might be I would [attempt to] read the Bible in 2 days. Well I did not succeed. But at least I realized that it was possible and I needed more practice. The first day I set out to read 595 chapters to cover the Bible in 2 days. I read only about 307 chapters on the first day.

The key point is that as you do it you gather more speed. The same GOD that enabled me to do it will enable you to do it. **Receive the grace and anointing to read and cover chunks because if there is ever a year people will receive revelation it is 2015. It will take you to actually dig deep into the Word as you read the Scripture. Then Scripture that is the Logos, the Word, will finally be established in such a way that He can release a portion of Him to you on a daily basis.**

He is the total embodiment of the revealed word, will, way, counsel and person of GOD. He is the Logos of GOD. (Joh 1.1). The same Logos will give you a Rhema, a specific word. Man shall not live by bread alone but by every Rhema. **GOD is about to give you specific Rhemata so you know every step of the way because you may be distracted by pressure and sometimes by anxiety.**

He gave me examples. I realized there was the need to meet a particular deadline. Here I am listening to GOD and an arrow comes, "Your son need to go back to American and you have not settled his ticket. You are not sure it has been secured. If not secured by a certain time you will have unnecessary challenges so do something as a backup."

Do you know what happened? One hour was stolen out of my precious time. [The time I was] using to read the Bible. Here I was trying to find a ticket I had found before. To compound it, at the time I heard that which was not GOD, I now saw a mail pop up on my phone. And it had to do with travel and it was showing my son's ticket taking him to Dallas. He is supposed to go to Tulsa. That was something that was pressurizing me and [something that was] urgent. **Not every urgent thing in 2015 will be important.** After almost an hour, about 40 minutes, I caught myself and said, seek first the kingdom of GOD and His righteousness.

If it costs more so what? GOD will provide. I realized and repented and said I wanted Him to continue showing me. [It was] later on in the night, on the night I was supposed to come out of seclusion, I had said for 3 days I was seeing no human being. I said nobody comes to my room. I made sure no calls nothing for 3 days. So the day I was

finally to come out, one hour almost is gone. Then when now GOD helped me to recover, **He said ‘Son, I allowed that because I wanted to tell you what will happen in 2015. Do not allow pressure and anxiety to distract you.’**

Distraction may come as a result of anxiety. The last day the 3<sup>rd</sup> day when I came out I was free to check my mails. I realized there was another mail sent with confirmed the ticket taking him to Tulsa.

I decree from this day you will not be distracted. You will be watchful enough to know when the enemy is trying to take advantage. No pressure shall make you make haste. From this day there will be alertness and vigilance released into your life in the name of Jesus Christ.

**The aspect of 7 point stars it had to do with Pentecost and celebration of harvest. The 7 spirit will brood over Africa. Spirit of covenant will brood over Africa.** In 2014 we did some things in covenant because He is about to released things in the spirit that have to do with covenant. **His covenant name is LORD, Yahweh . His name Yahweh is a name of warfare [Isaiah 42:13] The LORD is a Man of war, the LORD is His name. Exodus 15.3... Everything that has to do with warfare ability will be released so GOD Himself will fight for Africa.**

GOD said let there be light (Genesis 1.3-5). **I see the Year of the day coming for many in Africa.** Not everybody, because there are people who will end up with night falling on them. **The false prophets will have sun setting on them at noon day. Many have been used of the dragon they will be exposed and I see younger people taking over from such people.**

In other parts of world I see GOD arise and enemies scattered over many lives, places and gatherings of many people. There are people who come to your love feasts but are not of GOD. GOD is about to kick them out. **GOD is about to expose people. He said about exposures about last year in 2014. So many exposures took place. There is much more coming in 2015.**

Many things will happen in 2015 with many exposures. **GOD wants to deal with certain coverings of darkness. Coverings of darkness are about to be removed. There are people who are wrong covering over people’s lives that GOD will remove.**

It’s a year of celebration of harvest **it’s a Pentecostal year.** Not for Pentecostal denomination but year of Pentecost. **It is for the purpose of getting into the celebration of the coming of the Holy Spirit again where there will be revival because of the coming of the Holy Spirit.** Serious things will happen.

Some have never seen blind eyes open before, GOD will cause you to pray for blind eyes and they will see. Sections of towns will turn to the LORD. it has to do with harvest.

When the day of Pentecost in Acts 2 came there were dwellers from Mesopotamia, Crete, Arabs, Parthians etc They came and heard them speak [of the] wonderful works of GOD in their languages and 3000 souls were saved. There were people who were hiding. One person who had denied Jesus 3 times came forward spoke about the same Jesus and 3000 souls came and gave their souls.

**I see harvest of souls, a revival of the Holy spirit, I see conviction of the Holy Spirit, I see the power of the Holy Spirit and everywhere you go you will see the Holy Spirit move so you don’t have to fight or struggle. I see many people healed. Now** there are 3 people healed who had challenges with teeth. One had 3 that have to be removed. I see glorious things happening. There is an old time revival kind of thing. GOD is driving into that now. Some glorious things will happen one more time.

GOD showed me that is not only the Spirit of the LORD which is a Spirit of covenant and Spirit of warfare. He **will also come as the Spirit of wisdom.** That is one thing that Africa has lacked. **Wisdom to build and wisdom is profitable to direct.**

Some things are about to begin to happen. Those things that happen will bring so much glory to GOD. **Many will have start ups that will flourish.** Those who started 3 years ago, this will be the year that things will flourish at levels you never imagined.

**You will break forth to the left , to the right and everywhere. It is a year of braking forth and breaking out.** [Declare], I break forth, I break out in the name of the LORD Jesus.

It means you are breaking forth and breaking out of all cocoons and boxes that you were placed into. You are breaking out of everything that sat upon every man or woman. As you break forth things will be removed. This time GOD is arising and enemies are being scattered, out of your life. GOD is arising and enemies are fleeing out of your life.

**By wisdom of GOD there will be some simple solutions to seemingly intractable problems/ challenges.**

**This is the year of extraction, retraction, realignment and redefinition. Meaning it will be the year GOD will extract you from the hands of the terrible ones.** I am not too surprised that You (LORD) did what You just did. It appears it is now becoming a pattern. First when He talked about the spirit and not getting distracted, He demonstrated. Then He told me about the Word and He demonstrated. When it came to this aspect of extraction, retraction, realignment, redefinition, He started tonight's meeting with extraction and retraction. Extraction I can extract something bring it out. When it comes to retraction – 'r' is back and 'tractare' [is a Latin verb] meaning to draw violently. So withdrawing pulling back; has two implications out of about 5 or 7. **It means that you are going to be retracted but beyond that, they will retract their statements.**

LORD I thank You because people will retract sentences, opinions about me. When GOD said that I got excited. I felt like dancing alone because it means that opinions are about to change. **Statements people have made about you, they will eat up their own words. Institutions that had already written you off, they are about to call you back and say you are the one we have been looking for. When you are talking about the wisdom of GOD it will cause you to enter another realm of operation.** That is why with all your getting get understanding.

The Spirit of Understanding. With all your getting get understanding. **GOD will give people understanding.** That is why there will be simple solutions for very difficult problems and seemingly intractable problems. He used the word problems. I like the word challenges but He knew that He was talking about.

Because of understanding there will be insight to know just this and that is done and its finished. That's why **there will be alternative sources of energy. And at least 2 new ones will be discovered.**

It is important for governments of Africa to look at things that way where they focus more on alternative sources of energy than going in the same old way. **Its the year of shifting of powers where power shall change hands, at global, regional, national and even institutional levels;** power will change hands.

That is why **very powerful nations will end up with power changing hands. They will lose that level even though be it that it will be for a short while for 3 to 5 years.** They will go weak because they have a prophetic role to play. **But watch out for Russia, for Iran, for Turkey , North Korea. The first 3 in particular because they are trying to really gather forces. But GOD will show them that He is GOD.**

When it comes to **some other places like America,** because of some of the things they have done and not giving Him as much attention as they should **apart from general shaking there will be quite a bit of seeming natural disaster. But on the political scene you will see women coming to the forefront even at the presidential level.** I have not said a woman will win but women will be involved even at level of party primaries. I know that. It's because **there will be the need for them to help the men to seek the LORD** one of them that I saw, and 2 different races for women.

One of them I saw was someone who is into spiritual things on the negative side. Because of salvation that is coming don't be surprised to see a lot of prominent people getting saved.

**Quite a number of prominent people will end up calling upon the LORD including even in the entertainment industry.** If there has ever been a time that old timers need to seek the LORD, if you are watching and you are close to any of them there is a window of opportunity for them and two of these people have been wishing that they could come back to GOD.

Somehow it looked like it is too late but it is not too late. Quincy Jones, Lionel Richie, Bob Dylan; GOD in His own mercy is bringing people into a place of... not necessarily those people but people of that caliber; Including one of the ladies who dedicated her reproductive gate to the devil. She said in an interview that her private part is possessed by a demon but we decree that many of them will turn to the LORD in the name of Jesus Christ.

We declare a recovery of such people from the hand of the enemy because they were not created for the devil. We decree release of such people.

There will be understanding and then revelation knowledge. I could go on with the others. **Spirit of counsel and of might. There will be counsel. It means a lot of right counselors will begin to surround the leaders as against bad counselors. That is why there is realignment and reshuffling of governments in Africa. That is why you should pray for presidents all over Africa and also all over the world.**

But I say what GOD showed me concerning the 7 point star. **Some people were misleading presidents in the West African region. There was a Middle Eastern country misleading the president ( [of Ghana]. He was already taken some wrong steps. He had already done that. I know people are from the Flagstaff house, the presidential palace [in Ghana]. I want you to know that, let him understand GOD can reverse things. Because it is only a trap and it is meant to destroy the economy and mess things up.**

**I saw a gathering of people trying to destroy many things including the aspect of wanting to mislead a lot of the candidates. I heard an angel saying, "So who shall be the viable alternative?"**

That is why you need to pray for the 2016 elections [in Ghana]. All kinds of things have been cooked in the heights. **I saw some people who had gone to caves, to the depths of the sea, to do all kinds of things. This time I am talking about Ghana but it is not limited to Ghana.**

**Congo there is a lot of contention over DRC to be specific.** There has been a lot of contention over that nation **but GOD is about to bring salvation.** That is why you need to pray for nations. That is why the Spirit of GOD will brood so there is light and illumination. I am saying that I had to ask GOD questions.

I told you there are times I go away and not necessarily say I don't want to see or talk to anybody for three days. I want to be alone. I don't want anything or make contact with any human being. I want to press in and hear what GOD has. There are things I am not released to share yet. GOD was looking for a viable alternative. Because of that, the angel that came speaking about that. But I did not see. I will not tell you what I did not see.

**It is important for you, Mr. President [of Ghana], and all presidential candidates to seek the LORD. Especially, the president and wife, return to the LORD fully. There are all kinds of things that have shifted in your lives. I saw one or two things I will not talk about it even if I see you face to face unless the LORD says. There are plans to cut off his life but I believe GOD has spared his life. We prayed.**

There are traps that have to do with the economy and physical things I have not yet talked about government and governance, but **its time to pray for salvation and preservation of lives of presidents all over Africa.** Stand for a minute and all presidents who believe in the LORD pray for their preservation. [Pray for the preservation] of lives of presidents all over. GOD Himself will do it to His own glory.

[Prayer]

Father we thank You that indeed You have shown for purpose of deliverance. We declare this day the release of the Presidents of Africa from the clutches of the enemy; as many as are willing, because some have sold their lives to the enemy. But even for the legal captives they can be released (Isa 49.24-26). They are lawful captives. Some lawfully signed with their blood. I have heard in America and other places [that some] have sold your souls and are entering into all kinds of things including those Knights of ...where you sign with your blood. It is not too late. GOD is about to release you because lawful captives are about to be delivered.

For some of you it may have been that you did not know what it was about. You entered and now you don't know how to get out. GOD is able to have mercy if you come and fall upon His mercy seat He will have mercy. I declare you released now, recovered, restored, re-aligned, redefined by the Most High Himself in Jesus name. Let the LORD arise and let His enemies be scattered.

We have presidents and former presidents and representatives of presidents in the sense that we have ambassadors here. All ambassadors I want to use you as a point of contact please come.

I know some of you don't want to come forward or be seen publicly, well no challenge, but I would say at least from the mouth of 2 or 3 witnesses; we will use you as a point of contact. It is part of your job to protect the presidency. We want to release them from every sentence that has been released against them.

LORD this is unusual. Not the usual way. But I decree a recovery we are going to realign people right from the highest offices in the land, of the nations of Africa on the continent I ask O GOD, that from this day by reason of this anointing every yoke and every covering cast over them will be broken over them in the name of Jesus. right now the release. We declare the yoke destroyed and released in the name of Jesus.

Father even as I saw in that vision the 7 fold Spirit of GOD brooding over Africa I declare from this day there is a brooding happening right now and each will be brought to a place of a shine. **People who were condemned and dismissed will be brought to a place of shine.** Even so, let it be in the name of Jesus. Amen.

It appears we will end up [completing the prophecies on] the first day of the week in the year because I have not even talked about the dream, about the stolen treasure. All I was trying [to share] is just my revelation of the vision of the 7 point star and I am happy. I want to do what He wants. The rest of the things, if necessary we can print them and distribute them. Somehow GOD will help me to share that.

So not only did we have the Spirit of understanding that will come and give people understanding of the ways of doing things including business and all that. **If there has ever been a time of wealth creation in this continent it is now. But [we are seeing] also the falling of many that seem to have been high and mighty. GOD spoke about them in terms of mighty trees.** One of them lost US\$7.8 billion in one day.

Those of you who were there we prayed about that one. I don't want to go into too many details but someone who was sponsoring Al Shabab and all of that; We said if that is what he wants to do let's see who gave him that money. In one day he lost that. If you are watching by mistake or someone who knows you is watching, GOD is able to have mercy on you and restore you if you turn to Him. It does not matter what you were doing for Islam, if you turn to the LORD as He ordained, even if you say 'I don't understand but I want Him,' He will come to you and restore you. **If there are others like that but sponsoring all kinds of occult groups and you are ready to turn back, the LORD is ready to recover you and restore you.**

We said not just understanding to do business but the manifestation of the Spirit of counsel. Many counselors, the president being surrounded by strange children as it happened in 2014, the LORD will bring right counselors to surround presidents.

**There are certain people who have taken root or so they thought. They are about to lose their foundations. Evil men that camouflage as good people are about to lose even their foundations. I heard that clearly from the LORD. It will come to pass because GOD is GOD.**

So the Spirit that is brooding over Africa not only for aspects of blessing but also clearing away darkness so there will be the curse which is a blessing for us. His mercy endures forever Who killed Og king of Bashan and Sihon King of the Amorites. We shall see His loving kindness but it will be a two-edged sword.

I hope I can share a bit on the harvest. So **the other expression of the Spirit of GOD is as the Spirit of might - Divine enablement. Many who had got to a place of giving up. You have run out of gas, you were exasperated, exhausted you came to a place of throwing in the towel. Divine enablement is coming your way.**

I release divine enablement. I receive divine enablement. **Where you seem to have been defeated, put down, you will rise up. Wherever you were oppressed you will arise and throw off your oppressors.** Let GOD arise inside you and let His enemies be scattered, let them flee from before Him. AS smoke is driven away so drive them away LORD. As wax melts before the fire, so let the wicked perish in the presence of the LORD right now in the name of Jesus.

So not only will you have the Spirit of might to enable us to do things we could not have done and enable us to achieve what we could not achieve. **I saw many inventions that come from the LORD. They will come like abundance of water and abundance of rain.** I see that happen. Not just in one area but in so many areas that these will happen. **I saw GOD bringing restoration even of relationships.**

Because of the restoration, this aspect of the dream; **this is the year of the Holy Spirit, the year of the Word and the year of Strategic praying.** You will not pray anyhow. But you will pray strategic prayers. It is Not every prayer that you will pray but only those which are strategic that you will take. I see GOD doing that. **He will help in strategic prayer which will lead to strategic ideas and those will lead you to strategic plans, implement, evaluate and refashion and redirect your energies.**

I saw that happening and as result so many things will begin to finally click. Things you were struggling with will no more be a struggle. GOD will show you the most strategic way to do things. Don't just do anything but look for a strategic way. Not just any seemingly strategic thing but the most strategic of the strategic. Concentrate on that because GOD will give you divine enablement to do what needs to be done. Don't waste energy to do things that don't need your attention. Remember the ticket where I wasted 40 minutes of precious time.

**When you concentrate you will do something that otherwise looked impossible, by divine enablement.** It shall come whether the dragon likes it or not.

**Spirit of revelation and finally, the Spirit of the fear of the LORD. Revelation because there is so much that has to do with revelation that we are still teaching.** Revelation knowledge is different from regular knowledge. **Many will receive revelation knowledge.** A lot of changes will take place. **There are so many who are trained for particular things and are doing other things. GOD will show you why you were trained for those things. Others will be sent back to school. Some will do school 6 months or 9 months. Some, I saw 3 doing only 8 months and it will be so strategic it will take you into government.**

**Let your delight be in the fear of the LORD. Anything you do, ask how does this reflect on the LORD and His glory?** When you see opportunity to sin turn them into opportunities for righteousness.

## THE DREAM

I saw some stolen treasure, I discovered it and it was supposed to be both national and continental. When the robbers saw me, they wanted to arrest me and they wanted to kill me. They said 'he has seen us, he has seen what has happened.' The LORD made a way of escape.

May the LORD make a way for you. I escaped in the dream, up to now I don't know how I did. I was able to wriggle out and found myself outside.

**Also GOD told me it was the year of increased, unprecedented levels of angelic activities.** That is because there are all kinds of demonic things released including demons who were released to sleep with human beings and animals. GOD will use His angels to clear those things when it comes to you. They will not be able to touch you or come near you. I decree that now and declare it established in the name of Jesus Christ.

**[Back to the dream]** It must have been an angel, I did not see how I got out but if you take angelic intervention you will be removed out of tight corners. I saw stolen treasure. It was national and continental in implication and dimension. I found a way of escape and garnered support. All of a sudden I saw some people had come and said let us tell 3 presidents. I told them. I don't know how it happened.

While we were still discussing I realized all of a sudden that it appeared some things were in the sky. I did not see what they were. I saw some people here (from the congregation). And they came one couple came and they decided to join a circle of those who were praising GOD celebrating the deliverance. I was seated because I was exhausted. Then another sister came with her husband also and said 'This is supposed to be the person that was the original purpose for this thing to happen. Let me say how can we forget the one who started it all? Those were her words.

She pulled me out and took me to the circle we joined hands and started to sing. All of a sudden the little specks became clear. I saw helicopters, gunships, fighter jets. The rest I did not see clearly. So there was pounding of the installation. The next thing I heard was 'Everything has been recovered.' May everything be recovered.

Even so LORD we celebrate the recovery and restoration of things that belong to Africa that had been stolen. To those from the west who force our presidents to compromise and sell our birthright, we decree from this day those people will not find access any more. As it was with king Sennacherib let them be turned back in their own place. If they do not repent let their sons cut them down. We decree that done in the name of Jesus Christ.

Some of you may not understand the prayer I prayed. One time, there is a witness here who knows what I am talking about; I was told instead of going through all things you go through for visa we found something that can help you. We can get you a diplomatic passport from a nation in Europe by being knighted. And they told me how it was beautiful they did not mean any evil.

Then as he told me the plan, I said let me pray about it. I wanted to pray because something did not sit well in my spirit. He (The LORD) said do not take it. I asked what is wrong with it? I went on the Internet. I typed in "Knights of the...". I saw they do a lot of charitable work. I asked the LORD, what is wrong with that? Believe it or not it does not matter whether you are Islamic, Buddhist they treat you as a diplomat. The Lord told me to now type in "Oaths of the Knights of...". When I typed this in I saw I was supposed to sign the oath with my blood.

Quite a number of people did not know until the time of the oath [what they were entering into]. You got into the thing and you don't know how to extract yourself. That is why you need to pray and pity some people. Some people before they became leaders they said, we shall make sure none of these things happen. When they enter in they are neutralized. Somebody must have threatened them. But as many as are willing they are delivered. It shall be brought in to manifestations in the name of Jesus Christ.

**I saw fighter jets, helicopters they were pounding the spoilers and thieves. Many of you think in terms of physical treasure. Anything that devastated your life that spoiled the continent of Africa and our nations GOD is about to pound them**

And there was recovery and celebration of recovery.

The salient points are given.

**What it means is that whatever had been stolen from any of you, is about to be recovered.** That is why we are about to celebrate. Some were stolen for many years not 50 days ago but 50 year ago. Because this Pentecost is not only about weeks of days but weeks of years and the Shemetah is always the 7<sup>th</sup> year.

In this particular year the Shemetah began on 24 September 2014 and will end on 13 September 2015. It is a Shemetah year that is also a Jubilee. **Thus, it is a year of ingathering. There is a feast of Tabernacles. What do we mean? Many of you will end up with gathering in everything that was still outside.** Usually, there were three different harvests – signifying the time of the coming of Jesus Christ, first harvest as He arose, second harvest has to do with Pentecost, and the third harvest which is the plantations. That is why booths, Feast of tabernacles ... palms. Plantations – olives.

The fact is that things you planted that are only due for harvest is 50 years are about to be harvested. **It does not matter how long it has been when it is harvest time it is harvest time.** You don't need to struggle and force. It is harvest. **It is disgraceful for someone to sleep during the harvest.** During harvest it is not time to sleep.

**He said it is a year of strategic praying.**

**So three things; 1. It is the year of brooding of the Holy Spirit. Your walk with Holy Spirit must be closer than ever before. 2. It is the year of the Word of GOD so your intake of Scripture will [provide the] raw material for the Word to be formed in you. The aspect of strategic praying is very important.**

He sent forth His word and healed them. **I see unprecedented levels of healing in many lives we want to believe GOD for rapid healing of people with intractable situations and people with incurable diseases** GOD is healing now.

Bring your daughter now Eddy. We will use her as a point of contact and every other person who has any challenge, enlarged heart, multiple sclerosis you receive your healing. Lay your hand on your head wherever you are. Some of you will need to stand for your spouses who need healing

Father even so we declare from this day this daughter is healed, by the stripes of Jesus Christ.. She is made whole. I declare from this day every single malfunction of any organ, nerves, tendons, every system is corrected now in the name of Jesus Christ particularly the respiratory system. We declare you are healed right now.

Cardiovascular system, subsystems, receive correction, rejuvenation, resuscitation, total recovery and realignment in the name of Jesus Christ. We declare you healed. In three months we declare full recovery to GOD's own glory in the name of Jesus Christ. We declare you healed in the name of Jesus Christ. We decree that everyone

that needs healing now receive it including those watching live whether on internet or any network your healing is released now receive the healing. This becomes part of the first fruit of ministry of the Holy Spirit. He sent forth His Spirit and they were created. There is renewal, reconstruction, reconstitution and rejuvenation.

I see the fact that its not just that. I see new parts being fixed now. I see three people who had challenges that were neurosurgical in nature. They had to do with your brain and you needed surgery. GOD has sorted them out. Then there are yet two people who had neurological problems, not your brain but it affects your nerves generally.

I see yet another three people how had pains they cannot explain. Two of those three actually have onset level of multiple sclerosis and GOD is healing you now. Be healed by the stripes of Jesus Christ. Somebody had a dislocated hip GOD had corrected that. I saw angels correcting. I declare restoration and recovery in the name of Jesus Christ.

I see some people who had serious challenges with bones, I see bones that had become brittle being replaced. I see angels coming to replace bones literally and your bone mass is being restored. Some of you had lost 30% of bone mass. I saw another person actually two, I don't understand this but maybe medical people will tell me. I see people who have lost about 60% and GOD is restoring. Receive restoration now in the name of Jesus Christ. We decree that done according to GOD's original plan and purpose. In the most excellent name of Jesus Christ.

**Psalms for the year - Psalm 29, 63, 89, 92, 111.** Those are the five consistent psalms you should proclaim every day as often as possible.

It is important because I saw that **it is a year we shall see Psalm 29 in manifestation.** The good thing is that He will sit enthroned upon the flood. **But the other side of the coin is that during the Shemetah He will judge the waters. So some stocks;** its amazing some things GOD started to talk to me about in September of 2014 have already happened.

**When it came to the aspect of floods and even volcanic eruption in the belly of the sea, they have started but will intensify.** The good thing is that through it all you will end up being put over. The time of celebrating harvest is coming **because it is time for shifting and changing hands. Things are going to change hands. Wealth will change hands, power will change hands, authority will change hands, so many things will change hands.**

You saw issues that have to do with Psalm 63. You will be shocked at the good things **in Psalm 63 and Psalm 89. Those who were oppressing you will oppress you no more. And Psalm 92 GOD said it will be the year of the palm tree. So we shall flourish like a palm tree in the courts of our GOD.**

**For the tetrad, the blood moons, GOD actually gave us fasts that coincide with them ending on the same day. First fast will be from 5<sup>th</sup> March to 4<sup>th</sup> April 2015. That is the fast that has to do with activation of the planting of the LORD for fruitfulness.**

The key passage that you should try and memorize is Psalm 92.10-15. It is a very key Psalm this year. **We shall see the nature of the LORD especially thru typology of the Palm and other trees. Palm is prominent but you will have olive and other trees. So some of you the LORD will give you something about a tree and show you scripture and you will begin to exhibit it. For the first 3 months you will see a lot of things changing and you will see a lot of progress and you will be wondering what is it.** Make sure there is no waste because if you waste He will stop bringing it your way.

The second fast will be from August 29 to September 28, 2015. The purpose of this fast will be for activation of His conquest and invincibility. You cannot be conquered. From the throne came flashes of lightning, and rumblings and peals of thunder, and before the throne were burning seven torches of fire, which are the seven spirits of God, overcome. **We will see the nature of the LORD as Lion of tribe of Judah especially thru the unicorn and similar expressions. It will be a fast where the nature of the unicorn will be released into manifestation. Numbers 23 and 24 will come to manifestation. You will begin to rejoice and it will be an end of witchcraft manipulation and it will be an end to nations' manipulations of witchcraft if we do it right.**

Let me finish with the Deuteronomy 16 with the aspect of the harvest. I have already talked about Pentecost. First harvest was harvest of souls. Many will turn to the Lord. It will be a free will offering. The other kind of harvest including influence where word of GOD grew and multiplied including priests and high officials.

**Notice it will be a freewill offering from your hand. Its important to know it is a free will offering. Some of you GOD will ask to do covenant offerings, just you because it will usher you into another level of covenant expressions. We will go beyond wealth. I saw some people whom GOD will take to heavens and they will begin to see things that no man has seen before.**

One thing GOD will begin to do in 2015 but will run all way to 2024, and in 2020 people will see full manifestation. 2018 you will see some and in 2015 you will see few samples. People will bring things that others have not done, something new.

**Watchfulness; sometimes what He give you may not be used by you.** It happened to me today. Like we have it where I got home before I come here [to Logos-Rhema]. I went home to visit before coming here after leaving the place where I had been hiding. Someone brought an envelope and the LORD said this [envelope] is for so and so. I told my wife [that] I had received a text about a need and this is what GOD said [I should do with the envelope]. **So be watchful some of you GOD will ask you to do some things. Give houses, give lands, to give cars, and it does not have to be to the fellowship or to the man of GOD because there are some people whom GOD will take you to do some things for.** My wife and I are discussing a car for somebody. Once it is done we give it to that person. We are not just waiting for one Mighty man of GOD.

Whatever GOD tells you, **this is the season of the supernatural, of GOD's enablement for wealth creation.**

Nobody will be left out there will be giving to people who have served in your place, whom you are to bless so they can enjoy some of the things that your sons enjoy.

Notice it is the feast of harvest. Do you know a secret? **You cannot harvest without a seed. That is why you keep sowing. You bring a freewill offering.** So 3 times in a year we will gather and it will be for sacrificial giving. Each year with its own patterns. Whatever He says that is it. If it is a pattern for a few years He will give [it to] us. We will do what He wants. **I want you to know anytime you sow, name the harvest.** Seed time and harvest shall not cease.

I did not go thru all the scripture about the Seven fold Spirit of GOD - Rev 4.5, 5.6, Chronicles 16.9, Zechariah 3.9 the seven eyed stone that takes away iniquity of land in one day. The seven Spirit of GOD. **Could it be that GOD Is about to wash away the filth of Africa with the Spirit of burning and of judgment? Could that be the reason why we have seven flames before the LORD?**

**Nehemiah 8:1-17;** in that passage you notice that all the family was there including women and children too were there. Not only men.

We are going into joyful expression of the harvest because the harvest is here. There is national harvest, continental harvest, a global harvest but also personal harvests. You have planted seeds so you will harvest. We shall dance and celebrate before the LORD as we come to Communion Table.

We shall talk on the aspect of family and all the 8 gates of society, technology, I touched on energy. You will hear what GOD is saying. **In fact do not be surprised if you see at least 2 manufacturing concerns in this nation and other nations of West Africa that some of you will be in charge of. It shall come to pass unfailingly in the name of Jesus Christ.**

The Feast of booths came in September. So this time we are going to be in a fast [during the feast]. They are celebrations for your harvest fast and one will be for activating one nature and the other activating the other nature. This one will be the highest level. The one coming in September. It will be on the last blood moon. When these things begin to happen lift up your eyes for your redemption draweth nigh. Every man will give as he is able.

Nehemiah 8:10. When we finish you come singing and dancing as you partake of the emblems of communion. Even so we declare that the joy of the LORD not just our joy but your joy will be our strength in reality. By reason of this communion let everything that needs to be buried in these lives be buried including habits let everything that needs to be resurrected be resurrected in the name of Jesus Christ.

#### Communion

LORD we declare concerning the blood that was shed [that] the blood of the everlasting covenant will bring recovery and restoration. Like you showed me concerning the blood recovering many nations that seem to have had so much blood shed that some of the judgments were released upon the nation. This blood will recover them and you will finally restore. Let it be according to your original plan and purpose.

**I see the fact that some of the places will end up with ancient trees being burnt, uprooted without any human aid. The whole month of January GOD will want people to go to heads of streets to proclaim scriptures.** As I know we will start before we come for the next meeting, one of the scriptures GOD wants you to proclaim is Psalm 24 then also another that GOD wants you to proclaim Psalm 75.

By the way, I did not mention that 2014 was the year of expression of Psalm 74 but **2015 is the year of expression of Psalm 75; meaning promotion will come to many.** But one thing you want to proclaim is, by falsehood and deception **shall no man prevail. Psalm 75 shall be a proclamation at the head of streets.** It may be useful thing for some of you to look at some few scripture like Isaiah and Jeremiah. Ezekiel 23. You will see some things said there. If you want to see chapter 20 before you come to 21 you see interesting things where GOD said **go and drop the word at the head of the street** especially in [Ezekiel 21:2 KJV]. You will drop some bombs. Some seeds, some other things that will run thru the entire land.

LORD even as this cup overflowed without any plan of mine let it be that there will be overflowing grace from the blood of Jesus that flowed thru His veins that will release the people in the name of Jesus Christ.

Ask for seed that is seedtime. Its your seed time that determines your harvest. There are times we are to sow into our harvest and [when] we do not we end up robbing ourselves of the harvest. As for harvest its not only once. You sow mango once and you reap mango fruit for the next 30-50 years.

Communion, praise and worship and close of the meeting.

Happy new Year 2015.
