

### PRAYING THROUGH THE MONTH OF NOVEMBER 2013

November derived its name from the Latin word “Novem” meaning (9). It is the ninth 9<sup>th</sup> month of the Biblical sacred calendar (the month Chisleu/Kislev), the third 3<sup>rd</sup> month according to the civil calendar 5774 and the eleventh 11<sup>th</sup> month according to the Gregorian calendar. Though it became the 11<sup>th</sup> month, it retained its name when January and February were added to the Roman calendar.

October, November and December constitute the last quarter of the year following the Roman Gregorian calendar. It is the fall season moving into the winter. Except for human activity, the rest of creation is drying off, dying or falling away or going into hibernation in preparation for rest and recuperation during the long winter period. It's the season when the seed must fall to the ground and begin to die (Joh 12:24). Only the barest necessities for survival remain and minimal energy is utilized.

During this period, there is heightened spiritual activity both for evil and for good. Few instances during the Bible times indicate this. It was during that 9<sup>th</sup> month that the children of Israel led by Ezra brought a level of quality repentance and restitution before YHVH for marrying foreign wives (Ezr 10.9). During that same month Prophet Jeremiah received a prophecy concerning YHVH's judgment over Israel. It was a time of fasting. When King Jehoiakim heard the prophecy read from a scroll he rejected it and burnt it up (Jer 36:9,22). Prophet Haggai received significant words from YHVH (Hag 2:10,18) concerning blessings for a defiled people. Prophet Zechariah also received a word from HaShem during Chisleu concerning YHVH's greater interest in justice and mercy rather than fasting/sacrifice.

On the 1<sup>st</sup> & 2<sup>nd</sup> November in particular “All Saints” and “All Souls Day” are celebrated in honor of the dead (All Hallowmas). A time when the occult all over the world activate the mysteries of the graveyard to control, manipulate or destroy destinies.

Is it a wonder that this is a period where a lot of blood has been shed. e.g. the Russian and French revolutions which resulted in mass deaths, the Philippine-American war of 1899, Jewish-Arab war of 1947, the Australian independence war, the first Anglo-Boer war in 1880, the First World War, the Vietnam war, the all-out Israel-Gaza unrest of 2012 all started or came to a bloody end in November.

Other key events of this month include a rare hybrid eclipse occurring on the new moon of 3<sup>rd</sup> November 2013 which will also mark the beginning of the Al Hijra, the counterfeit 5-day Festival of Lights - Hindu Diwali, commencement of Moslem month of pilgrimage to Mecca. Hundreds of thousands of Moslem adherents make the annual holy pilgrimage to Mecca and Medina and it happens on the new moon. The beginning of the month also marks the 8 day Hanukkah/Chanukah festival from 24 Chisleu.

### PRAYING INTO THE MONTH

**For the first three days of this month 1-3 November, plan to take a fast and pray into the season**

- Read Psalm 19:1-2 and Psalm 148 and instruct every moment of every day of this month and all of creation to praise HaShem and obey only His bidding.
- As shown above this is a month of a lot of spiritual strivings. A lot of the bloodshed that occurred in the nations has never been atoned for effectively by kingdom citizens. The month opens up with a lot of occult spiritual activity and the Islamic month-long event. It follows that it is a season when the enemy bays for levels of bloodshed and covenants with the grave are strongly activated. It is a season of war. Present yourself as a weapon in HaShem's Hand for repentance, warfare and transformation. Do not be surprised when He leads you into intense warfare sessions from time to time (Jeremiah 50:20-23)
- All creation can hear and receive instruction including the heavens, distant lands and peoples. Ask HaShem to give you a voice which creation will hear in this season so that when you make decrees, they will be obeyed. Ask for a voice, which will speak to the heavens and the earth and the distant lands and peoples to hear and obey you from wherever HaShem has placed you. Pray this for kingdom citizens everywhere (Deut 32:1-4, Isaiah 49:1-2, Hos 2:21)

- Pray for individual Kingdom citizens and for the Body of Mashiah at large to have hearing ears, seeing eyes, perceiving hearts and understanding minds to navigate through this season. (Psa 118:13-14)
- Pray also that YHVH will give each, the tongue of the learned to only speak the word He puts in our mouths in aiding His purposes to pull down, destroy and overthrow demonic structures in our lives, families territories, and then to build up and establish what He His purpose. (Prov 20:12; Eph 1:17-18; Isa 50:4; Isa 51:16)
- As you ask for an authoritative voice pray Psalm 141: 2-3. Ask that the Lifting of your hands in prayer and worship will present pleasing incense before HaShem. Ask HaShem to keep a guard over your mouth so that you will be careful to utter only what you ought to speak. Be careful for the words that you utter as you can align or deviate individuals, organizations and territories with YHVH's purposes. Remember you are not a local champion any more but a partner with HaShem to fulfill His purposes. **Please note:** In all things ask the key questions, "What would Yeshua say? What Would Yeshua do?"
- Read Revelation 22:2; each month the Tree of life bears fruit. Pray that you and kingdom citizens everywhere, will receive the fruit from the Tree of life for the 3<sup>rd</sup>, 9<sup>th</sup> and 11<sup>th</sup> months.
- Pray that every healing which you require in your body, soul and spirit, in your finances, your family and relationships will be released to you as you partake of the leaves from that tree that are for the healing of nations this month.

This is the 3<sup>rd</sup> month of the civil calendar. The **number 3 denotes Divine perfection and completeness**; the three-fold cord that cannot be broken. The third day completes the fundamentals of creation-work. The number, three, includes resurrection also; for on the third day the earth rose up out of the deep, and the plants and fruit rose up out of the earth. Yeshua arose on the 3<sup>rd</sup> day as did Lazarus. We will focus on resurrection.

- Praise HaShem that this is a season of resurrection in the face of demonic activation of covenants with death and the grave.
- Declare that every day of this month is HaShem's day and not a day dedicated to any other demon-god Psalm 118:24.

Read Ezek 11:11, Lev 18:21, 2 King 2:19, Jer 16:2-3, 2 Chron 7:14 You may be experiencing some challenges in particular locations because of the bondage of the environment. There are people who prosper only when they depart from their place of birth. Why? Because that land is a devouring and swallowing land. Your place of birth, workplace or your dwelling place can become a snare to you when you have not dealt with its powers. You must deal with the powers of bondage in the territory and command the land to resurrect and accept you and yield its very best for you.

Until Elisha poured salt into the waters that healed Jericho, the women and animals of the land suffered miscarriages because of the curse that had been placed on that land by Joshua in Joshua 6:26. HaShem Himself instructed Jeremiah not to marry or have children from a particular place because of the curse on that place.

2 Chron 7:14; The sickness of the land is in the people of the land. When people defile a place with wickedness and bloodshed, unless a generation arises that will purge and cleanse that land, it will become a land that devours its inhabitants. Your home, office, church site, rented house can be a place that devours its inhabitants and impoverishes you, causes marital challenges, rebellion in children, drunkenness etc. (Isaiah 24:5-7, Num 13.32)

Suppose you went to a birthday party in Sodom and Gomorrah on the day of its judgment you would not be spared just because you are a visitor or you have a passport from a different country. You would perish for being in Sodom on the day of its destruction. Your environment would consume you.

- Bring repentance for every known occurrence of bloodshed in your life, family, and territory. You may not have been involved but being in the environment affects you anyway. Ask HaShem for forgiveness for any loss of life even abortions, accidents, violence of any kind that you know of. Throughout the season, ask the Holy Spirit to bring to mind specific instances of bloodshed which must be repented of in detail, and where possible a redeeming of the land where these things happened.
- The land records every instance of wickedness that is done on it. it records the voice-print of every blood shed on it. Thus the land refuses to release its strength to those who are counted as violators. Many parts of Africa and other nations, reject and vomit out its people because of the unresolved wickedness. This is

the season to seek the Holy Spirit and perform a prophetic action on the land; whether it is a place you rented, or own or occupy in whichever way, and bring quality repentance for any wickedness that the land has recorded (Lev 26, Psalm 51)

- Sexual immorality defiles the land and brings a level of judgment on the people. Bring repentance on every aspect of sexual activity that is outside the boundaries of marriage in your life, your family and in the land. These defiling actions cause the land to reject people and record them as “the living dead”.
- Col 2:14-15. Heb 12:24, command all creation to give up every record of bloodshed that is speaking contrary to you and ask that the voice of the blood of Yeshua will silence every speaking of death and destruction because He shed His blood to blot out every record that was written contrary to kingdom citizens.
- Ask HaShem to record a new covenant between you and the land; so that when He passes over the land in judgment, the blood of Yeshua will cover you and kingdom citizens.
- Command every evil power invoked from the ground to monitor your life and devour your increase to be destroyed by the power and blood of Yeshua. Pray this for kingdom citizens there
- Command every affliction, infirmity and death that fights against the purpose of HaShem in your territory to be destroyed in the name and the blood of Yeshua. Pray this for kingdom citizens there
- Silence the voices of the demon-gods in the territory and lose their power over your destiny in the name of Yeshua Pray this for kingdom citizens there
- Command every graveyard power pursuing your destiny will be destroyed by the name and the blood of Yeshua. Pray this for kingdom citizens too.
- Command every soul-tie with graveyard spirits, every infirmity and affliction from the grave will not come near kingdom citizens in the territory. Psalm 91.
- Break every conscious or unconscious covenant with the grave that may have stemmed from customary rituals or memorial services or any celebration of the dead. These are not godly activities and they release demonic powers of death over the living.
- Meditate often during the fast on Philippians 3:10-12 asking the Spirit of HaShem to give you deeper revelation to the significance of this scripture being a reality in your life.
- Isa 28:14-19; During the pilgrimage days, adherents will visit the grave of Mohammed and several other of their revered dead to clean the graves, offer prayer and activate covenants with death and the grave. They seek to draw power because of the mystery of the grave. Declare that every mystery of the grave every covenant with death, every agreement with hell over your life, family, Kingdom citizens, over your community and territory be broken in Yeshua’s name for He had victory over death, the grave and hell on the Cross of Calvary. Declare those covenants dissolved and broken by the blood of Yeshua.
- Declare the end of the operation of at every manifestation of death eating your health and strength
- Declare annulled dissolved abrogated by the power of Adonai Elohim and by the blood of Yeshua, every covenant with death over your life family, and over kingdom citizens worldwide,. He died and gained victory over death.
- Declare that every pit they dig they will fall into it. Whatever gravestone they roll over the territory by their prayer and sacrifices, will roll back over them in Yeshua’s name. They will not hold the spiritual or economic authority over your territory any more but will become a stench in the nostrils of all people
- Declare their lies, falsehoods and counterfeit manifestations of power, influence and wealth exposed and nullified in Yeshua’s name
- Plead the blood of Yeshua over your life and territory in this season and whenever possible renew your covenant by partaking of the Holy Communion as the Spirit of HaShem leads you.
- **This month as often as possible on a daily basis proclaim, sing, chant, Psalm 68:1-4.** That is one of the most loaded, powerful, destiny pushing prayers in scripture. That prayer was not an original prayer of David but of Moses. It is a cry for a change from stagnancy to forward progress, a cry to change from one level to the next, a cry to move location to where HaShem will have you go, a cry to change territory to the land of promise and breakthrough. It is a cry to HaShem of possibilities, HaShem Who moves you to possess your possession, a cry that is totally dependent on HaShem and not any ability in ourselves. As you proclaim or sing, O Elohim arise,” it is a battle cry for the hosts of heaven to engage the strong enemies, and make a way where there seems to be no way. Just as in the day of the Tabernacle in the wilderness, the cloud would lift up and begin to move and show the way forward (Num 10:35). And the

people followed the cloud at that cry. Utter that call for YHVH to arise in this season when there is so much destructive spiritual activity blocking the destiny of kingdom citizens, and watch Him scatter the enemy and make a destiny path for kingdom citizens and your territory at large.

This month we will enter the 9<sup>th</sup> Jewish Sacred calendar month Kislev. The number 9 is the **number of "birthing"** (It takes nine months from the date of fertilization in the womb to give birth to a human being). Number 9 is also one of the **numbers of finality of judgment**, the judgment of man and all his works. It is also the final single-digit number before the multiple-digit numbers 10 and above.

- The fruit of the spirit love manifests in 9 graces; Yeshua said "by this shall all men know you are my disciples - if you have love one for another." There can never be unity without love. There is a way that SOME know you are a disciple of Yeshua HaMashiah by other means. However, if you will have ALL men know that you are His disciples whether in the family, Body of Mashiah or nation; it is when you display unconditional love to all. Ask that HaShem will give you grace to continue nurturing the fruit of love into full expression in this season that unity in the Body will be made manifest (Gal 5:19-22, Joh 13:34-35, Rom 13:8-14, 1Pet 1:22-25, 4:7-12)
- Pray that during this month the Body of Mashiah will birth life-giving systems and processes. As you come to the end of the calendar year you need to prepare for the next season. Time to pray for an incubation of these systems and processes which will bring life, redemption, transformation in the family, body of Mashiah, workplace and territory.
- One of the Akkadian words for "Chisleu" means "The month of dreams." Is it not a wonder that this is a season that creation prepares for hibernation in the northern hemisphere? A time to retreat and meditate, plan and dream into the days to come. Pray for YHVH-given dreams, visions concerning His plan for your life, family, the Body of Mashiah and territory in the days to come. Joel 2:28-30
- Joy that comes after birth. The process may be painful but the outcome brings joy. Pray that the things that YHVH is birthing will bring joy and rejoicing. They will bring atonement and redemption. They will bring deliverance from bondage and affliction, and they will bring prosperity and abundance and a new beginning at every level of your existence.
- This is the 11<sup>th</sup> month of the sacred calendar. **Eleven represents disorder, disintegration.** Pray for a visitation of the Holy Spirit to brood over areas of your life, your family, occupation, the Body of Mashiah where there is disorder. As it was in the beginning, pray that revelation knowledge and order will follow as you invite Him to come into those situations. Pray this for every other gate of society.
- Pray that whatever must disintegrate and perish from your life will do so in this season. Any weights and besetting things that keep you from moving at the speed which HaShem requires in this season will disintegrate and disappear from your life. Pray this for your family and Kingdom citizens in your territory.
- **There are escalating levels of lawlessness in the nations especially with the new "business" of kidnapping and holding people hostage for money. Pray concerning this rising challenge especially in Nigeria and Somalia where pirates and terrorists have made it a livelihood to disrupt and terrorize hapless individuals, families and organizations as they randomly hijack, ambush and hold people hostage and make demands of hundreds of thousands if not millions of dollars for their return. In this season of judgment, ask HaShem to arise, and scatter this spirit of lawlessness.**
- **Pray that our Great and Terrible YHVH will terrorize and terrify these terrorists, and oppress the oppressors. As many as will submit to Him and repent will be forgiven but those who continue to resist Him shall be destroyed completely and Psalm 109:6-20 will be their portion.**
- **Pray that He will change the rules for the sake of as many victims as are seeking Him to intervene in their situation and bring them to freedom. Psalm 124**
- **Pray for continued protection of hostages, especially kingdom citizens who have been held for many months as their families grapple with the challenge of raising thousands of dollars to free them.**
- **Pray that those who are waiting for their loved ones, and colleagues will not be discouraged. Discouragement is a devastating enemy to those looking for a miraculous breakthrough, and it is unbelief in YHVH who does the impossible.**
- **Pray that confusion and disagreement and distrust shall reign in every gathering of these lawless terrorists.**

- Pray that HaShem will raise helpers to come to the rescue of hostages and miraculously cause their escape where He wills.
- Make this your practice for this month and pray for the Body of Mashiah at large, that many will wake up at dawn on a regular basis, and command the Dayspring (from on high – Lk1:78) to take hold of the ends of the earth and shake the “evil influences” of the occult societies out of your territory. In addition, ask HaShem to withhold their light and break their high arm where they refuse to repent. (Job 38:12-15)
- On 11:11:13 take time to pray for the Holy Spirit to brood over your life, family and territory at large and push back every disorder and chaos that the enemy has programmed into that particular day. Pray that peace that surpasses all understanding will reign and every terror and chaos planned into that day will be scattered. Declare Psalm 68:1-4 into that day.

### Chanukah/Hanukkah Festival

On 24<sup>th</sup> Chisleu (27<sup>th</sup> November) the 8-day festival of Hanukkah (Chanukah) commences – this is the Jewish festival of lights. It ends on 2<sup>nd</sup> Tevet (5th December). According to historical records, the Maccabees successfully rebelled against Antiochus IV Epiphanes. The Temple was purified and the wicks of the menorah miraculously burned for eight days, even though there was only enough sacred oil for one day's lighting.

The festival is observed by the kindling of the lights of a unique candelabrum, the nine-branched Menorah or *Hanukiah*, one additional light on each night of the holiday, progressing to eight on the final night.

**Nevertheless, in the light of Exodus 25:1,31-40, please note that the lamp-stand is seven-channeled (seven branches), not nine, even if some celebrations involve one such Menorah. This is tradition not the word (a branch each for 'eight days the miracle lasted for' & one extra for lighting the others - making nine).**

The typical Hanukkah Menorah consists of eight branches with an additional raised branch. The extra light is called a shamash ( Hebrew; שמש, "attendant" or "sexton") and is given a distinct location, usually above or below the rest. It depicts a Messianic picture of Yeshua HaMashiah the true light of the World who came as a servant, meekly serving and saving all.

- Pray that HaShem will send His Spirit to brood over every activity during the 8 days of the festival. As He visits the observers of the season, may they receive a revelation of Yeshua the Light of the World Who has already paid the price for their redemption and salvation.
- According to Roman mythology Jupiter is the supreme god of the Roman pantheon, called dies pater, 'shining father'. He is a god of light and sky, and protector of the state of Rome. This month those who are in the New Age and occult exalt this god and draw light from him. This is a counterfeit. As you have read this is Hanukkah the Festival of Lights which was a foreshadow of Yeshua HaMashiah the Light of the World. Pray that as the heavens declare the glory of HaShem this season, those who are in darkness and do not understand that Yeshua HaMashiah is the true Light, will receive a revelation of Him during this season. They will come to understand that rather than worshipping the elements in the heavens, they should worship the Maker of the Elements, Jehovah.
- On 3rd November the counterfeit 5 day Festival of Lights – the Hindu Diwali Festival will take place. It commences on the day of the eclipse and therefore there will be heavy spiritual manipulations in the heavens. Command the heavens to praise HaShem and listen only to His voice and instruction for each of the 5 days.
- Declare that all counterfeit Light-bearers will fade in the face of the Son of Righteousness Yeshua Who is our Sun and Shield and Light of the World (Psalm 84:11, Joh 8.12, 9.5, 12.46)
- Read Matthew 5:1-18 and pray for the virtues therein to manifest in your life. Pray for kingdom citizens in this season that as many as seek HaShem will receive a great revelation of what it means to become a light of world around us.

### Birthdays

Is this the month of your birth?

- Pray for the spirit of acceleration of every YHVH-given purpose in your life. Pray for your birthday; you may also make this a prayer for the weekday when you were born whichever day be it Monday, Wednesday etc
- Thank HaShem for your birth month.
- Thank Him for your specific day of birth. Declare that day blessed.

- Thank Him that He ordained that you will be made manifest on earth on a specific day in that month at a specific hour and minute.

- Thank HaShem for the day of your conception. (Psa 139:13)
- Thank HaShem that when He thought of you, He already thought of your entire life. Thank Him that He did not leave anything to chance. (Isa 49:1)

- Pray that He will reveal the original you more and more as you enter another year of your life. (Psa 139:13-15)
- Pray that He will restore the heavenly label, and the heavenly name He gave you before you were conceived. (Jer 1:5).
- Pray that HaShem will heal any part of your spirit that is broken.
- Pray that He will restore any brokenness of spirit that occurred at the foundation of your life. (Psa 11:3)
- Thank Him for the restoration of everything He put in your spirit before you were conceived. (Psa 139:16)
- Thank Him that the original plan for you will be made manifest as your spirit man receives restoration and rejuvenation.
- Thank HaShem that he custom designed you to fit into this generation and that you will fulfill everything He purposed for you to do.
- Praise HaShem that your birthday marks the entry into another season of Jubilee. Thank HaShem that immediately you were born, you cried out prophetically blowing the your own jubilee cornet, and prophetically rejoiced in yourself. Ask Him to give you joy no matter your circumstance, to rejoice on this day

## **PRAYING FOR NATIONS**

### **Israel**

- Pray that as people of Jewish extraction and those in Israel observe the days of the Chanukah Festival Yeshua the true Light of the world, will appear to as many as are diligently seeking for truth and a revelation of this true Light in their observances.
- Many Jewish people are either in the occult or are atheists and prefer not to believe in any deity whatsoever because of many instances of pain in their history. Pray that Yeshua will reveal Himself to them because many are still seeking for truth and end up dabbling in one or another spiritual activity which opens them up to the kingdom of darkness, and further pain.

Over half a million refugees fleeing Syria's ongoing civil war have flooded into northern Jordan over the past year. Nearly half of them are relying on care from various NGOs. Among the organizations funding and distributing physical and emotional aid to the hundreds of thousands of Syrians is IsraAid, an Israeli humanitarian group with years of experience in Africa and other regions.

In Jordan, the group is buying and putting together large sacks of essential goods that are passed out to Syrian refugees daily. But, they must do so discretely. Both IsraAid and its Jordanian partners are careful to remove any labeling that would identify the aid packages as coming from or being paid for by Israelis.

Secondly an Israeli doctor quietly entered the Palestinian-ruled biblical city of Shechem (today known as Nablus) without an army escort in order to save the life of a young Palestinian man who had been badly injured in a clash with Israeli soldiers and Jewish settlers. It mattered not that the young man had sought out violence with the Israelis. Dr. Shamir and his colleagues were made aware of the young man's condition when Palestinian doctors at a Shechem hospital unequipped to save his life reached out for help. They were able to perform the required treatment and the young man's life was saved.

- Thank HaShem that even in the midst of so much hatred and rejection in the region, Israeli people still find ways to reach out to their neighbors in distress thus bringing to life the exhortation to love our enemies and do good to those who persecute you, and to feed your enemy when they are hungry.
- Pray that HaShem will continue to bless and provide for the individuals and organizations within Israel even though they carry out a rather thankless job of reaching out to their neighbors from time to time.

- Pray that as many as are in humanitarian work in the nation will receive a visitation of the First Social Worker, the Compassionate LORD to fill and refill them in their social work and bring contentment in service.

### Philippines

The death toll from the October 2013 magnitude-7.1 *earthquake* in the central *Philippines* rose to nearly 200 with more than 300 critically injured. The earthquake ruined buildings and infrastructure irretrievably.

- Pray for the bereaved, and those who have lost property and have wounded family members.
- Pray for a kingdom strategy to rebuild the region affected by the earthquake as Christian organizations and individual kingdom citizens reach out to help from within and outside of the nation
- Pray for strategy from Kingdom citizens to realize that buildings and infrastructure can be rebuilt but the broken spirits of people must not be ignored. Pray that strategy for traumatic stress counseling, inner healing and the required Biblical psychological outreach will be put forward and carried out among the affected people groups.
- Pray that this situation will draw many closer to examining their lives before HaShem and seeking Him Isa 26:3,9

## PRAYING THROUGH THE HEAVENS

The final event of 2013 is the most interesting **eclipse** of the year. It is one of the rare hybrid or annular/**total** eclipses in which some sections of the path are annular while other parts are **total**. In most cases, the central path begins annular, changes to **total** for the middle portion of the track, and reverts back to annular towards the end of the path. However, **November 3 eclipse** is even more unique because the central path begins annular and ends **total**.

**The hybrid eclipse of 2013** is visible from within a thin corridor, which traverses the North Atlantic and equatorial Africa. Nearly all of Africa and the southern Mediterranean region including Spain will see partial phases of the eclipse, while greatest totality occurs just off of the coast of Liberia and heads for first landfall on the African continent over Wonga Wongue Reserve in Gabon. At this point, the duration of totality will already have shrunk back down to 1 minute and 7 seconds. The shadow of the Moon will then cross central Africa, headed for **a short but brilliant sunset total eclipse over Uganda, Ethiopia, Kenya and Somalia**

**An eclipse of the Sun (or solar eclipse)** occurs at New Moon when the Moon passes between Earth and Sun. If the passage of the Moon causes it to go directly in front of the Sun, it eclipses the Sun, blocking sunlight from reaching Earth. As the Moon engages the Sun, the SHADOW of the Moon is cast upon earth. The track of the Moon's shadow across Earth's surface is called the PATH OF TOTALITY.

As the **total eclipse** starts, the last bit of the Sun is covered and the Corona is visible. The corona is the outermost layer of the sun. IT IS ONLY VISIBLE DURING ECLIPSES. The corona is a pearly white color and looks like bright, thick white whiskers sticking out from behind the black moon. This is the component that can blind your eyes if you look at it with naked eyes. It is called THE EYE OF THE **ECLIPSE**.

The Chinese describe it as the face of a dragon with an open mouth facing them. The ancient Egyptians and Assyrians called the eye of the **eclipse** the Phoenix, a bird that they claim is self-reincarnated from its own ashes destined to live as long a life as its predecessor. When it has grown up and gained sufficient strength, it lifts its nest from the tree (its own cradle and its father's sepulcher), and carries it to the city of Heliopolis in Egypt, and deposits it in the temple of the Sun.

Thus, in witchcraft circles eclipses are viewed as the end of an era and a beginning of "a new generation." The old era is said to be the foundation of the new one. The "new generation" concretizes the connection to the old era by raising a sun-based altar to keep the connection alive, just as the Sun always rises and sets, thus

usurping HaShem's ordinances to establish demonic laws. The EYE of the ECLIPSE is therefore crucial in eclipse-based sorcery.

- Command the eye of this eclipse to praise HaShem and do only His bidding and not that of any prognosticators and sorcerers.
- Utter the voice of HaShem in the heavens over the eye of the eclipse, May He arise and every coven, gathering of occultists be scattered and confused. May deep sleep overcome them so they will miss the moments of the eclipse which they consider crucial to their sorceries.

There are two insights from the bible. First, in scripture, darkness in daylight is a sign of judgment. For example, there is plague of darkness in Egypt (Ex 10:21). Another example is the darkening of the sun in the 3rd watch of the day when Yeshua was crucified. His intercession and sacrifice took upon Himself all of creation's sin thus the judgment and chastisement of our sin fell on Him and kingdom citizens who accept His sacrifices are passed over for eternity.

Secondly, an eclipse is a flying scroll (book). It is a scroll because it is a merger of the Sun and the Moon. These heavenly elements as we read in Ps. 19 "speak" and "show knowledge." The merger of the Sun and the Moon thus "speak and reveal heavenly knowledge." This scroll "flies" because once the Moon covers the Sun, the shadow of the Moon rolls in a swift sweeping fashion over the face of the earth. Please read about HaShem's Flying Scroll in Zechariah 5:1-5. The flying scroll is sent by HaShem to judge the thief and those who practice falsehood.

- This is a season of judgment of HaShem for the thief and those who practice falsehood. There are many incidences of stealing and falsehood in the nations. Examine yourself, is there any area of falsehood in your life? Is there any area you have used lies to have your way – forged certificates, forged documents, illegal immigration, false information to get a job or faked your age? Have you lied in order to get married, to gain favor or unfair advantage in elections, a business deal or any other area? You cannot stand before HaShem or withstand His righteous consuming fire or even intercede concerning this season for you will be praying against yourself. Bring repentance for your sin.
- To show full repentance, you must have confession to the offended party and restitution where it is required. Refusal to do the above will render you unqualified to stand before HaShem because you are unwilling to come before Him on His terms. Psa 15.
- Bring repentance on behalf of your family, kingdom citizens in the territory in areas where they have participated in these ungodly actions which brought defilement to the land.
- Ask HaShem for mercy and the grace to bear the consequences of ungodly activities of falsehood where they must be faced.
- Repent of the plethora of occult activities to usher in the demonic "new season" that are already planned during the days of the eclipse especially at the gates of seasons (Equator) and gates of time (Prime meridian 0) in Ghana.
- The Wages of sin is death (Romans 6:23a). Repent of the release of the powers of death because of the ungodly actions of occult practitioners in the end of October and the beginning of November. 1 Joh 1:7-9
- Declare Isa 33:22 that HaShem our Judge will save His people from every accusation of the enemy leveled against us to bring destruction.
- Command the sun to smite by day, and the moon to smite by night every agent of the kingdom of darkness trying to manipulate the heavens for a counterfeit new beginning, and for unfair advantage over the ignorant.
- Pray Isaiah 44:24-25 that every gathering of wicked wise men to prognosticate and manipulate the heavens for their ungodly purposes will be turned into confusion and madness. They will fail woefully in achieving any of their demonic purposes in the land
- Plead the blood of Yeshua on the entire path of the eclipse as it starts all the way in North America and ends in Africa. Proclaim Isa 35 on this path that the heavens shall declare it a highway of holiness.
- Fasten the blood of Yeshua into the Eye of the Eclipse: THE CORONA OF THE SUN. Pray against any ancient Egyptian-based sorcery. Pray that every territory that it casts its shadow shall not be like the Phoenix whose destiny is built on the sin of its predecessors. Pray that your destiny will not be built on the sins of your fathers. Pray this for kingdom citizens in those territories.
- Proclaim Psa 19:1-6 and Psalm 148 over all creation and command the hybrid eclipse event to praise HaShem.

- Command every layline of the earth including the equator, the prime meridian 0, the international dateline, the tropics of cancer and Capricorn to praise HaShem and obey only His instruction. Command them to release only blessings for kingdom citizens.
- Command the sun and moon to release their best for kingdom citizens during the eclipse, Deut 33:13-14, Psa 121:5-6.
- Prophecy that by reason of our repentances this **eclipse** path over the nations will become a path of new life in Yeshua. Ask Yeshua, who is the WAY, the TRUTH and the LIFE to reign over this **eclipse** PATH.
- Pray against shadow sorcery: the shadow of the moon will be swept over the earth during the solar **eclipse**. Witches and occultists will bring out their “book of shadows” to program into this event. Release the fire of YHVH on these evil books. Pray against all manners of shadows and darkness.
- Proclaim Psalm 91 that kingdom citizens shall abide under the shadow of the Adonai Elohim and our inheritance will not be buried in shadows of darkness.
- Ishmaelite/witchcraft: Use the blood of Yeshua to cancel the satanic agreement between witchcraft/Ishmaelite spirit and the crescent moon (Is 28:14-18). Use the voice of the blood of Yeshua to silence the enchantments, invocation, volume of words spoken 5 times a day into the heavens etc. by the army of satan in Mecca and Medina and across the nations during this **eclipse** (Heb 12:24).
- Ask HaShem to visit all satanic altars in the heavens with fury, anger and fire. Let HaShem uproot and destroy them before they even begin their demonic action of moon and sun-worship (Is 19:1, 64:1-4, Ps 144:5-6)
- Bring judgment on the queen of heaven (Is 47), witchcraft spirit (Micah 5:10-15, Ps 69:22-28, Nah 3, Ex 22:18, Micah 3:6-7), water spirits who stand opposed to Yeshua’s agenda for us through the waters of the Atlantic, Nile River, Lake Victoria, Atlantic and Indian oceans. Ask HaShem to pass through every water over which the path of the eclipse passes and drain it of every water spirit anointing (Is 27:1, Ez 29:2-5, 32:2-8, Zec 10:11)
- With the key of David, shut the heavens against all satanic watchmen carrying out their prognostications toward the heavens on these key days. (Isa 22:22, Rev 3:7).
- Receive the following promises: Deut 33:13-17, Ps. 121, Deut 28:1-14, Rev 21:7 Program them into the Sun, Moon, stars and the solar **eclipse**. Using the blood of Yeshua, program all these promises into the interplanetary magnetic field which sends the heat and energy of the Sun to all creation. As nothing is hid from the heat of the Sun ( Ps 24), so there is nothing that will hinder all that you have spoken to the heavens in this season.

## Lunar Movements

### Crescents and Quarter Moons (Sickles & Bows respectively)

When the moon is in a crescent, it looks like a sickle. Those in the occult will use the moon in that shape that they refer to as “Hecate’s sickle” to harvest the gains and virtues of the ignorant. **The New Moon** that ushers in the month of Chisleu, kickstart the Al hijra and shadow the sun during the hybrid eclipse, occurs on **3<sup>rd</sup> November 2013 @12:50UTC**.

- During the new moon, there will be a hybrid eclipse. Speak to the heavens to do HaShem’s bidding during those days. Command the stars in their courses to fight against every agenda of the kingdom of darkness, and to give a total black out to those who dabble in wicked arts related to the heavens. (Judge 5:20).
- The new moon is a gate into a new month. Declare that the gates of the new month be lifted up so that the King of glory may come into the new month.
- Prophecy into the new month 2013 and declare that the gates of 2013 will ensure that all that you do not withhold or close out any of HaShem’s purposes for this year before it comes to an end.
- Pray that no wicked harvester shall gain virtues of any kingdom citizen in your territory during the new crescent moon.
- At the new moon pray that HaShem will give you more strength, more grace to work harder and accomplish all of the purposes especially in areas where you may have lagged behind.

- At the Cross Yeshua dealt with any occult powers drawn from the heavens experienced a black out – a total solar eclipse. The kingdom of darkness could not channel the heavens to draw power or manipulate it for their unfair advantage. Pray that Yeshua will arise again in this day and cause every enemy of His purposes to scatter and a true new beginning found.
- Please pray for the first 7 days of the month (three days before and after the new moon) to neutralize the activities of the dragon and his surrogate powers in all the various activities taking place in the heavens.

When the moon is in D shape or its mirror (quarter moon), it is a bow. It is during that season that the wicked will use the bow-shaped moon to shoot arrows of destruction at the ignorant. The **first quarter** moon for November is on the **10th November 2013 @ 05:57 UTC**. The **last quarter** will be on **25<sup>th</sup> November 2013 @ 19:28UTC**

Notice that some of the lunar activities for this month fall during key days. Many occult covens will be active and for these days they make incantations and give instruction to the moon to do their bidding and spew out their evil agenda. But we have established that the heavens declare HaShem'S glory and earth is His (Psa 19, 24).

- Command the heavens to declare the glory of HaShem alone. (Psa 19:1, Rev 4:11)
- In a solar eclipse, the moon becomes the obstacle that blocks the sun's rays from reaching the earth. Present all the kingdom citizens within the eclipse path on the new moon. Whatsoever deities, agents of darkness, situations, that has become the obstacle blocking the illumination of the word of HaShem from their hearts and minds, ask HaShem to arise and scatter it so the people will be illuminated. (Ps 68:1-4)
- Command the moon to reject every ungodly instruction given to it. Pray that every prognostication and manipulation will be rendered into foolishness. (Isa 44:24-25)
- Speak to the quarter moons to smite by night all the wicked who try to use the sickles and bows for wickedness.

### Solar Movements

This month the sun will sojourn in two constellations within one month. After spending its longest sojourn within a constellation for 45 days in Virgo, on 1 November 2013 the sun enters a group of 51 stars in the constellation called **Libra symbolized by the scales**. It remains there until 24 November. This reveals the Redeemer's atoning work or the price deficient balanced by the price which covers.

- Rom 8:29-30 Pray that Yeshua's atoning and redemptive sacrifice on the cross will continue to speak on behalf of as many as He has chosen for salvation in this season. Also pray that there will be a reviving of those who had backslidden for any reason. Pray, that the price that was paid will indeed cover so that the angel of judgement will pass over you, the Body of Mashiah and your territory in this season of judgement.
- **Libra** also symbolizes the scales of justice and judgement. The heavens continue to declare His purposes for this season. Declare HaShem's justice and judgement from the heavens in affairs of nations and territories even as the heavens declare. (Job 9:1-13)
- Pray that as His judgements are on the territory, the people will learn righteousness and that in His wrath HaShem will remember mercy. Isa 26:9
- Pray that you and kingdom citizens who are mature will be used as instruments of judgement and justice in every gate of society that they are present. Isa 28:5-6

The sun will remain in Libra until November 24 when it makes its circuit through the heavens for its shortest sojourn within a constellation. For 7 days the sun passes through a cluster of 44 stars in the constellation called **Scorpio symbolized by a scorpion**. This represents Yeshua as the Redeemer who goes through conflict with the enemy in order to redeem His people.

- Pray that HaShem will use you, His instrument of transformation in this coming season of conflict with the enemy in order to bring redemption. Pray for the Body of Mashiah at large for a spirit of increased evangelism in this season. As trials increase many are losing hope in all they had held onto as their hope. May the Body of Mashiah arise to reveal Yeshua HaMashiah as the only HOPE of the nations. (Col 1:23-28)
- Have seasons of praise to Yeshua Who is forever the Savior of the entire creation. The heavens remind us of this most important role that all creation awaited and was so effectively achieved on the greatest altar ever erected at the Cross of Calvary. Ask the Holy Spirit to give you a fresh revelation of the Cross and how

to continually and daily bear your cross as you emulate Yeshua HaMashiah. Pray this especially for every kingdom citizen in the territory (1 Cor 2:5-9, Phil 3:7-12, Col 1:15-22, 5:5-9)

The other three smaller group of stars called decans that form part of Scorpio describes the conflict in detail. **SERPENS and OPHIUCHUS** represents the struggle with the enemy.

- Throughout His passions from the betrayal, the last Supper, to the intercession at Gethsemane, the false accusation and torture at the hands of Pilates soldiers and the Via Dolorosa to the Cross Yeshua was contending with the enemy in an mortal combat. Each stage of His passion was a statement of judgment on the enemy. He wrested from him the keys of death and hell. He led captivity captive and released from eternal bondage the entire universe. All creation breathed a sigh of relief as the First fruit among many brethren, a matured Son was made manifest to release creation from the bondage it had suffered since the fall of man. Celebrate Him in praise for defeating death and the grave for all of creation (Rom 8:19-20)
- Pray that the Holy Spirit will help you grow in areas where you are still being spiritually childish, oversensitive, or irresponsible or unaccountable. HaShem is looking for matured sons who will be useful stewards for HaShem's estate. If you are to be an instrument of justice and righteousness then you will need to be mature and responsible with an understanding of your legal authority as a kingly priest before HaShem. Pray that your territory will not be ashamed before other nations because you and other kingdom citizens in the territory are matured sons who will contend with every enemy at the gates. Pray that you will grow up and become such a son who will partner with HaShem in the Great Commission especially as the year comes to a close. (Psalm 127, Jer 49:1-2, Gal 4:1-3.)

LET ELOHIM ARISE, LET HIS ENEMIES BE SCATTERED: LET THEM ALSO THAT HATE HIM FLEE BEFORE HIM.  
AS SMOKE IS DRIVEN AWAY, SO DRIVE THEM AWAY: AS WAX MELTS BEFORE THE FIRE, SO LET THE WICKED PERISH AT THE PRESENCE OF ELOHIM. BUT LET THE RIGHTEOUS BE GLAD; LET THEM REJOICE BEFORE ELOHIM: YES, LET THEM EXCEEDINGLY REJOICE. SING TO ELOHIM, SING PRAISES TO HIS NAME: EXTOL HIM THAT RIDES ON THE HEAVENS BY HIS NAME JAH, AND REJOICE BEFORE HIM. (PSALM 68:1-4)
