

PRAYING THROUGH THE MONTH OF SEPTEMBER 2012

This season marks the beginning of the civil year and three major feasts. It is a season of high spiritual activity. Deeper intercession with better understanding is required, thus a longer guide.

The first month of the Jewish sacred calendar, the month of Abib, started by divine instruction recorded in Exodus 12:2 and Deuteronomy 16:1. The rest of the months of the year were determined from one new moon to another (Isaiah 66:23) a strictly lunar calendar. The Gregorian calendar is based on a solar year so there is disparity between the sacred and the Gregorian calendar.

In 2012, reckoning by the Gregorian calendar, the first sacred calendar month Abib began on the day of the new moon 22nd March – 20th April and the consequent months follow in that pattern, either on the new moon or the appearance of the first crescent. **The seventh sacred calendar month will begin on 16th September 2012.**

The middle of September 2012 on the Gregorian calendar coincides therefore with the first half of Tishri which is the seventh (7th) Jewish sacred calendar month. The prefix “sept” is derived from the root word depicting “seven.” It is the **first (1st) month of the Jewish civil calendar.** However, going by the Gregorian calendar it is the **ninth (9th) month.**

This month will also commence the final quarter of the year, and the autumnal equinox which falls on the 22nd September when the sun will be directly over the equator crossing toward the tropic of Capricorn. It is the day when the daylight and night hours are virtually equal.

This is a season of many ritual festivals. The Israelites made offerings to God every month in praise, and worship and normal burnt offerings. The 7th month marked the beginning of a new cycle of life. Therefore they blew the silver trumpets to mark this new beginning during Feast of Trumpets [Rosh H’shanah]. It also marks the beginning of the new Jewish civil year calendar. In addition, the people rejoiced in God’s blessing throughout the past year, and asked for His blessing for the New Year.

The 10th day of this month marks the Day of Atonement [Yom Kippur]. On that day, a solemn assembly is held and burnt offerings are presented to the Lord (Lev 23:27-32). Repentance is made to God for sins and transgressions committed in the year past, and His forgiveness asked. On the 15th day of this month the 7-day feast of Tabernacles [Sukk’ot] commences.

In several African tribal communities, September is marked by the celebration of major traditional festivals, strengthening and/or renewal of altars and the renewal of covenants with deities. It is marked by offerings and sacrifices to the gods, drumming and dancing, sacred assemblies, resolutions and attempts at development of communities, ceremonies of rites of passage especially circumcision ceremonies. In some of the cultures it is a month of religious processions, music, dancing and theatrical exhibitions.

PRAYING INTO THE MONTH & NEW YEAR

- The LORD gave a directive on 16 August 2012 that as many as can, from 1-9 September 2012 we should pray and fast. If not, just fast from 6pm the evening before the weekday of your birth, and on the day of your birth. The LORD simply said you will see what will happen. Obey first then understanding will come.
- On these days praise the LORD and proclaim the Psalms given for this year; Psalm 45, 97, 99. Proclaim Psalm 72 and 98 for presidents and government leaders.
- Command the heavens and every gate of time in this new month to praise the LORD and give only Him all due glory. Command them to reject every contrary instruction to do anything that they are not ordained to do by the LORD. [Psalm 19]

- We are in a new year season. Pray through the prophecies for 2012 once again. Ask the LORD to help you make up for all lost grounds over the past months. Ask Him to lift up key areas you should focus on as you go through the document. (Habb 2:1-4)
- The LORD prophesied that 2012 is a season of increased angelic activity. Command guardian angels with drawn swords to watch at the gates of this new season. Declare that anything that is not God glorifying including language, activity, character will not be allowed to cross the threshold of this new season especially in areas of governance, politics and diplomacy. Rev 21:27
- Ask the Holy Spirit to teach you to interact with and utilize the angelic forces that are at your disposal for we are in a season of extremely high spiritual activity.

Thank and praise the LORD who has ushered you into a season of new beginnings. It is the beginning of another year; and thus an opportunity to key into the coming days and pray into the womb of the new season. Speak into the days ahead and prophesy for yourself and kingdom citizens at large:

- Spiritual growth in areas where you have been immature, Isa 61:3
- Fanning to flame deeper love for the LORD and all of His creation especially the brethren 1 Cor 13
- Fanning to flame the Holy Spirit inspired gifts, Isa 11:2, 1 Cor 12
- Divine health, financial stability, contentment 3 John 2
- Divine specificity for which area of the Great Commission to fulfil in this season
- Divine marriage and family life that will be a model for your society
- Productivity and creativity in the work of your hands Prov 31:13-27
- The fulfilment of redemptive purpose for every divinely connected relationship you are to make in this coming season
- Seeing eyes, comprehending mind, obeying heart for every God given project and assignment

Prophesy into every one of the 8 gates in your nation what kingdom patterns you desire to see in this coming season

- Moral constitutional definition and values within Families, Psa 127, 128
- Restoration of the proper Godly patterns for family and for the Holy Spirit to reveal the futility of any other pattern that was not originally set out by the LORD
- Belief system that comes from the LORD and stipulated in the Bible for patterning the nation with its principles. Psa 144:15, Prov 14:34
- Government, governance and political practices which will boost the development of the nation and raise the moral and living standards of the people Prov 28:2-4
- Leaders in government who will fulfil the LORD's agenda to turn the face of the continent of Africa and Africans in diasporas to a shine.
- Wise defence and security leaders who will work strategies that bring peace and are for the entire territory; they do not just favour few portions of it Eccl 9:14-18
- Jubilee presidents who will usher in and establish the reality of the jubilee season that the people of African extraction have entered in; their presidency will bring restoration, repentance, rejoicing, returning to inheritance, rebuilding of old waste and broken places and people groups, restitution of that which has been stolen, realignment to destiny and purpose, reaffirmation that the LORD alone is God over the nation and they are merely stewards. Eccl 10:16-17
- A redefinition of the foundation of thrones in each area of leadership and in the three arms of government – judiciary, legislature and executive to reflect righteousness, justice and equity. Isaiah 33:22, Psa 89:14
- Economic apostles who will steer the nation into its God-given direction, lay foundations for and develop socio economic policies which will last for generations Gen 41:33-43
- Educational prophets who will prepare curricula that will stir up the redemptive gifts of the people in their various groupings and raise effective leaders in every sector of society.
- Gifted people for science and technology who will bring development in key areas like health, construction, infrastructure development, communication, new Godly ideas in food production etc. Exod 31:1-11,

- Responsible media that will cover the nation and act as a tool to shape a moral society, dissemination of information that builds up and encourages unity in diversity, that monitors and informs the public with balanced and well researched news, that disregards the sensationalism that is rampant in today's reporting, and does not become a catalyst for violence, sectarian division and tribal/racial/religious hatred. Psalm 45:1, 68:11
- Fanning to flame various arts and sports which are unique to the territory, even traditional games which are entertaining, educational, uniting, and which celebrate unity in diversity of the territory.
- One of the past prophecies stated that the LORD will revive some of the local arts and sports to become international sports. This will create jobs for talented people in those games, who hitherto, had played them as hobbies or even ignored them for more popular activities like football, athletics, painting, sculpture etc.
- Prophecy that there shall be a sanitizing of cultural practices which will reflect and enhance a Godly belief system and a break down of unhelpful, divisive and ungodly cultural practices in every tribe, tongue, race and religion.

Raising Altars to the LORD

This is a season where the LORD commanded that specific altars be raised to Him. The definition and purpose for these altars is explained in the Prophecies for 2012. You may request for them by mail. They are key to releasing the voice of the LORD and activating a covenant of wealth. For the rest of this coming season, ensure you keep these altars active and see the faithfulness of the LORD.

As you raise these altars to the LORD He will strengthen the voice of the Body of Christ in the territory. That voice is meant to release the nations into their redemptive destiny in this season of governance. We are linking with the voice from the golden altar which is before the throne in heaven.

When you pray at the eve of each new moon (September 15th 6pm), even if you are alone, you are connected with the international altar that was raised at the beginning of the year, and with other brethren and congregations across the nations who are doing this.

Therefore, you are not alone. Do not forget to take communion and renew the covenant. The LORD will, as a condition of your obedience, release the covenant of wealth. As you obey, understanding will follow.

- Is this the month of your birth? Refer to August Prayer guide for the significance of praying on the day of your birth, and also on a weekly basis, on the weekday of your birth.
- Proclaim Psalm 139, Jeremiah 1:5-10 and Jeremiah 29:11 over your life.
- Thank the LORD that He knew you, had a plan for you and crafted you perfectly.
- Thank the LORD that you were always a champion from the day you were conceived when the seed that made you outran all billions of others to connect with the egg in your mother's womb.
- Praise the LORD that no matter what the enemy may have tried to bring your way, you will fulfil the LORD's destiny from this day of your birth.
- Thank the LORD that you will enjoy all the virtues of the jubilee in this new year of your life. Proclaim the promises of Isaiah 61 concerning you.
- Declare that the day of your birth is blessed and all of creation will cooperate with you because you are in charge of that particular day. Everything including the weather patterns, the traffic patterns, the things that would usually not yield, will yield because you are taking charge of that day and shaping it to be subject to you. Isaiah 55:12-13
- The day of your birth will be numbered among the days that are blessed and it shall not be found by those who curse days or prognosticate the heavens to fight against you.
- The sun shall not smite you by day nor the moon by night on the day of your birth; but the heavens shall release their best for you. Psa 121:5-6, Hos 2:19-23.
- Bless yourself with Deuteronomy 33:13-17
- This is the 7th month of the sacred year. Bless yourself with every virtue of perfection and maturity in your spirit man.
- Pray that every God given fruitfulness that should have come to maturity in this season shall do so.

A bigger percentage of the Body of Christ have very little understanding of national dynamics and therefore transfer their very shallow knowledge to try and operate at national levels but end up facing backlash, exposure and shame on the national platform. Their word goes forth and comes back void, they make proclamations which have no impact and are an embarrassment to the kingdom.

In this season of divine governance, the LORD has promised to release the voice of Kingdom citizens but it will come by paying the price; a fasted and prayerful bible consuming LIFESTYLE of seeking the LORD and hearing what He will have His people do. As governors with Him in this season, the LORD will not respond to fire fighting and crisis intercessions. We must cultivate a lifestyle of active altars of communion with Him at different levels.

- Pray for maturity of the Body of Christ in the territory with regard to territorial intercession, and being an effective covering for kingdom citizens, especially those involved in leadership over nations.
- On a daily basis you may make a proclamation for as many kingdom citizens by name including yourself. It is a series of prayers that Apostle Paul prayed for those he was mentoring. (You may download them from the website. They are entitled Daily Proclamations for Kingdom Citizens).
- An understanding and acceptance of the Holy Spirit's role in our lives is the beginning of maturity. When the disciples opened up to receive an outpouring of the Holy Spirit they were completely changed from immature position and possession seekers to pillars of the Body of Christ. (Acts 2-4). Pray that you will receive a fresh out pouring of the Holy Spirit; Pray this for the Body of Christ at large.
- This is the 9th Month of the Gregorian calendar. Nine symbolizes birthing. It is another level of a new season. Pray that every God ordained purpose in and through your life will come to a place of safe birthing. Luke 1:35
- Where the enemy has tried to nip in the bud the LORD's purposes over your life, over the Body of Christ and the nation in this season, pray for a protective covering of the Holy Spirit so that it comes to full fruition.
- Read Revelations 22:2 and pray that the fruit of the tree of life for the 1st, 7th and 9th months will be made available to you, and to the Body of Christ in this season.
- Also declare that the leaves for healing of nations will be released to your territory. You will enjoy divine health in your life, family, finances, the work of your hands, relationships, in your animals, vegetation, in the nation at large.

The Feasts of the LORD will fall on the following days:

Gregorian Calendar (Sundown)

Feast of Trumpets/New Year Sept 16 2012
 Day of Atonement Sept 25 2012
 Feast of Tabernacles Sept 30 2012

Hebrew Calendar

Rosh H'Shanah 1 Tishri 5773
 Yom kippur 10 Tishri 5773
 Sukk'ot 15 Tishri 5773

Feast of Trumpets [Rosh H'shanah] is suggestive of a futuristic event; the second coming of the Messiah.

- This was a time of rejoicing. Pray that God will fill you with His joy. God will clothe you with garment of praise for the spirit of heaviness. Pray this for the Body of Christ. (Is 61:3, Neh 8:10)
- Pray that God should also be mighty in your midst and rejoice over all His people all over the world with joy and singing (2 Ch 5:12-13; 1 Pet 1:8; Ps 95:1-3; Zep 3:17)
- The 10 days of awe that follow the feast of trumpets are days of ever increasing praise and worship to the LORD. They are days when you acknowledge more and more the LORDship and awesomeness of the Holy God. It prepares people to see their sin for what it is before a Holy and Awesome God when they come to the day of Atonement. From 16-25 September, take time to have days of worship and praise to the LORD. Let it be a time to seek Him and ask Him to reveal to you His Almightyness, His awesomeness, Who He is as opposed to whom you have made Him to be in comparison with the circumstances around you.
- Read Joel 2 Pray that during these days the LORD will reveal to you the reality of the Day of the LORD when He shall return again. Pray that the reality of that season will help you, and the Body

of Christ at large, to change the way you pray, the way you are working and your focus, the seriousness to accomplish the Great Commission, the kind of messages you listen to and the way you relate to other people.

The Day of Atonement [Yom Kippur] will fall on 25th September 2012. On this day, repentance is made towards God for sins and transgressions, and you ask for God's forgiveness. A sacred assembly is held and offerings are presented to the Lord by fire (Lev 23:27-32).

- Rejoice that the Lamb of God, Jesus Christ was found worthy when He offered Himself as a sacrifice ONCE AND FOR ALL TIME AND ETERNITY to satisfy the LORD's demand for a sacrifice that would cover all of creation's sin throughout eternity.
- This is a season to rejoice in the LORD because we no longer have to bring a sacrifice for sin. His action rent the veil, He went before the Father's throne ONCE AND FOR ALL to present the sacrifice and then never had to come out again. He sat at the right hand of the Most High and continually intercedes for the saints.
- Praise the LORD because you can approach the throne BOLDLY, not because of anything you may have done or said, but because the Sacrifice has been found worthy and in the name of Jesus Christ, you can find grace to help you in times of need. Hebrew 4:14-16
- **The 7 day Feast of Tabernacles [Sukk'ot]** will begin on 30th September 2012. Declare Psalm 90. Pray that the LORD will bring you to a fresh understanding of the role of the Holy Spirit as the One who constantly tabernacles with you.
- Pray that you will be sensitive to the Holy Spirit and commune with Him more and more, you will build yourself up as you pray in the Holy Spirit. Pray this for the Body of Christ.
- This month there are many traditional and cultural activities which are not God glorifying. Some of them strengthen and establish ungodly altars in the land. Pray especially for nations in Africa and Asia where many ceremonies take place in this particular month. Pray that a deep sense of dissatisfaction in these activities will move corporate groups of participants in seeking the LORD.
- Read Acts 9:1-22. Pray that during these days when many are diligently seeking the truth through mass travel to places like Mecca and other ancient cultural shrines in order to participate in rituals to find peace, that they shall encounter the LORD Jesus Christ even as Saul did on the road to Damascus. Pray that there shall be an instant conversion and the infilling of the Holy Spirit in each life.
- Pray that each of these people will find their own Ananias who will mentor them to a place of strength to stand and follow Christ on their own.
- Speak into the womb of the new month and post angelic guards on every gate of time so that those who do ungodly rituals at various times like midnight and 3am will fail to operate because the gates will not allow them access into the time.

PRAYING FOR NATIONS

Israel & Jewish Issues

- The nation of Israel will be entering her season of high festivals soon. The end of the civil year and the ushering in of a new year. Many people of Jewish extraction will be travelling to Israel, while others will take holidays to observe the season. Pray for their protection during these days.
- During the season of Yom Kippur, those who perceive themselves enemies of Israel plot to fight against them and bring destruction because during the feast the entire nation does not engage in any battle. As the LORD has done in the past, pray that He will arise and protect Israel and the Jewish people over this season; and that He will arise and fight on their behalf. Psalm 68:1-4.
- Pray that during these key feast days, the LORD will appear to as many as have been seeking Him without understanding. Pray that there shall be a revival among many people of Jewish extraction as the veil is lifted from their eyes, to reveal Jesus Christ the Messiah they have been waiting for.

Tension is high in the nation of Israel. Many events are lined up to come against her in this particular season. There is a challenge in the Western side of the nation, with Sinai unrest and the

Egyptian leadership continuing to be hostile. Even in civil unrest and deteriorating situation Syria threatens with biological and other warfare against Israel.

Iran continues to threaten the peace of the world at large and Israel in particular as they march on in their quest to create weapons of mass destruction. Palestine backed by Arab world among 130 nations plans to table the petition for an independent state with Jerusalem as their capital city.

- Israel needs her friends. Pray that she will find friends and allies in the nations.
- Pray for the peace of Jerusalem. Proclaim Psalm 122 in this season
- Pray that in the midst of all the odds, the LORD will arise and brood over His people, and send angelic assistance to watch over the gates of that nation with drawn swords.
- Pray for wisdom on the part of the Israeli government in this season; Pray that the LORD will put His word in their mouth so they can respond effectively to every verbal bombardment coming against that nation
- Pray that media, which is paid or sometimes coerced to give bad press to Israel in these days, will simply be curtailed to curb the negativity against Israel. Pray that the LORD will raise media teams which will report the truth about what is happening especially in the continent of Africa.

The LORD said of the Middle East in January 2012, *Watch the Middle-East as you know some of the things will intensify in some of the nations in just 3 months you will see there will be a stabilization now especially, if the body gets it right. So that now there shall be a take off of the new Middle East God is talking about. **If not it might take another 6 months after the three that is 9 months before things settle.** When he talks of stabilization there might be some people elected into office who have to leave office in Middle East. There will be more shaking and some uncertainties.*

- Pray that the above prophecy will indeed come to pass and there shall be no more delay. This is the 9th month and things must begin to settle in the various nations. The bloodletting must come to an end, the selection of appropriate leadership must take place and whatever needs to be shaken will be shaken until only that which is eternal and of God, shall remain.
- Proclaim Isaiah 19:20-25 concerning the LORD's highway linking Africa, Israel and Assyria (the Arab world).

Africa

The LORD prophesied that in 2012, big trees will fall in different nations. Many formidable leaders in the continent of Africa have fallen. This year alone 70 nations are going into or have gone through their national elections. Many of these are African nations. World leaders like former President Sarkozy of France was ousted from power. The Greek and Italian leaders have also been ousted. In Africa Presidents of Malawi and Ghana passed on and most recently, Meles Zenawi of Ethiopia has died. In the various nations of Africa prominent men and women are dying as an era comes to a close. The trees will continue to fall.

- Pray that during this season the LORD will comfort the people of Ethiopia. Where the enemy is creating tension for battle, declare the Shalom of the LORD over that nation.
- Pray that whatever good progress Meles Zenawi left in the nation will be continued by his successor.
- Pray that the voice of unity and appreciation of each other will ring louder than the voice of dissention and division in the nation.
- Pray that also in this season when some are fearful of post-Zenawi leadership they will find Jesus Christ as their hope and comfort.
- There have been a large number of accidents in various nations – whether road, rail, air or sea; many lives have been lost over the last month of Ramadan. Pray for the transport system in the nation. Pray that the LORD will arise concerning this issue of carnage in the transport system. Pray that the LORD will give patterns of safe transport and raise kingdom transport owners who will worship Him. Especially across Africa, most transport is owned by people who offer sacrifices to demon gods. This has to change. It has become difficult to manage privatized public transportation.

- Pray for nationalization of some of these transport systems and revival of the railways especially for cargo.
- Pray for the nationalization of public transport in the continent and a revival of the big buses rather than small transport vehicles which have become moving death traps.
- Pray for air and sea transport regulation and reinstatement of regulatory bodies which will observe stringent inspection and discipline so that out-dated sea and air transport will be ejected and never allowed to move over the territories of Africa.
- Egypt is experiencing new constitution tussles with extreme is Islamists wanting an Islamic law and the others fighting against it. The foundations of the nation are set in the constitution. Pray that the LORD will raise a team who will be steered to give that nation a worthy constitution despite the hold of extreme Islamists in seats of governance.

DR Congo

There have been protests in DR Congo where people took to the streets to protest against the uprisings in North Kivu province. Since 2009 civil uprising has caused displacement of over 2.2 million people. The nation is being bled out and there is need for the Body of Christ to arise and pray concerning the thrones and altars that require so much bloodshed to service them.

- Pray that the LORD will arise and bring succour to that nation.
- Pray for the release of the prophetic voice of the LORD over that nation in this season to stem the bloodletting.
- The Great lakes region has entered jubilee and as Kenya enters as the last man in the region, pray that it must make up for the losses of the others. Men of violence must be stopped. A guerrilla militia group called M23 led by a man wanted by the ICC called Ntaganda have started an uprising in north eastern DRC. The LORD said that harbingers of violence in the land shall be crushed. Already one has been sentenced by the ICC for war crimes against humanity. Pray that the LORD's prophecy concerning DR Congo will be fulfilled hastily in 2012 and the blood letting will stop.
- Many outside forces fuel the fighting. The sceptre of rulership over DR Congo has been in the hands of outsiders and not in the nation. From the time of Laurent Kabila the sceptre was never really handed over after Tanzania and others helped him overthrow Mobutu Sese Seko. Over the years, other nations and individuals have come in to assist the government or one group or other in the continued bloodshed.
- Pray that as DRC already entered her jubilee in 2010, there must be a restoration of the sceptre to the presidency of the nation. Psalm 45:6
- Before the sceptre can be restored, pray that there shall be a cleansing and a season of deep repentance for the blood letting. Pray that in this season of the high Feasts, the Body of Christ will gather properly to do this.
- Pray that the body of Christ will rededicate the throne of the nation to God, judge every spirit of mutiny, restore the sceptre to the Presidency as the nation is a puppet of outside influences, and rededicate the seat of presidency. (Psalm 89:14, 97:2)

South Africa & Others

According to latest reports, South Africa has the highest income inequality in the world today. "The top 10 percent of the population accounted for 58 percent of South Africa's income, while the bottom 10 percent accounted for just 0.5 percent of income and the bottom 50 percent less than eight percent," it said.

United Nations High Commissioner for Human Rights has called on the South African government to take "drastic steps" in order to deal with this growing disparity of wealth.

Besides inequality, poverty and crime are some of the major problems the country has to overcome. South Africa has been criticized for its lack of ability in traditional institutions of democracy, such as parliament and local authorities, to tackle corruption and inequality.

Shortly after the release of the above report, there was a killing of 44 striking miners by police when they opened fire in what they termed as "self defence." The miners were asking for better wages.

The challenge in South Africa is a classic case of the neo-colonial oppression found in many parts of Africa and other developing nations. There was a similar strike by copper miners in Zambia where they killed a Chinese miner

Chinese trawler ship owners have been engaged in a long drawn out territorial battle with small scale fishermen along the West African coast. The ships cause damage as they trawl the seas and destroy a lot of marine life thru destructive fishing methods. Nobody is questioning them.

In Kenya people went on strike against “Sino-saturation” where there are Chinese coming in the pretext of building roads but have overrun the country doing business as petty as hawking. This has caused concern because there are questions of immigration, work permits, many of these are criminals in their own country and they are given the choice to serve time in prison or to come and work for low wages in Africa. This has to stop in the continent.

Unethical practices by the Chinese in their infrastructural development contracts include

- Low wages,
 - Oppression of workers
 - Unethical mining practices - withholding protective methods for their workers.
 - Unethical structural construction with poor quality material
 - Infiltration into illegal manufacturing, illegal medical centers practicing unethically, unhygienically and with out-dated drugs which have been dumped on the continent
 - Sexual abuse of local girls
-
- Pray that the sad massacre in South Africa will be a wake up call for the Body of Christ to truly be a voice of sanity in such a season as this.
 - Pray that the families that lost their loved ones will come to a place of encounter with the LORD in this mourning season.
 - Pray also that Justice and righteousness with regard to that action will be met swiftly and efficiently.
 - Pray that in this season when the LORD is turning around the face of the continent, and releasing the resources in the land, the people of the land will benefit from the bounty that has come.
 - Read Leviticus 26. Pray that the Body of Christ will actively deal with evil and ungodly foundations in their territories. Many of these foundations continue to speak and withhold the goodness of the land from the people of the land because the land was defiled through bloodshed, raising altars to demon gods, and cultural practices that are not God glorifying. The Bible says that the land will not yield for you, but when foreigners come in yields for them.
 - Pray that the Body of Christ will be a source of comfort and clear and wise direction where tensions have spilled over;
 - Pray that the virtues of Jubilee will be activated all across the continent so that where there has been disparity in wealth generation and distribution, the LORD will begin to bring about some levels of equity, justice and righteousness through policies that support and help develop the low wage earners and the general population which works so hard and earns so little.

Haiti

The president of Haiti has been in office for a little over a year. A prophecy came concerning that nation in January 2012 as follows:

*It's time for the body of Christ in the Caribbean to get together to do spiritual things and things with such grace and anointing that they will show the Caribbean the way out. They are currently in the doldrums. I see **Haiti being brought to a shine within the next 1.5-2years. But what will happen when the body of Christ in the Caribbean does their homework - Haiti will be helped to be one of the examples that God is bringing.***

In a country where the news is typically bad, if not catastrophic, many people in Haiti look at the past year under a musician-turned-president with guarded surprise. Yes, parliament and President Michel Martelly were in a standoff that hobbled the government much of the past 12 months. Yes, less than a quarter of the population has a formal job. And yes, cholera and many other problems still haunt the country.

Yet six of the most visible displaced-persons camps that sprang up after the 2010 earthquake have been cleared and several are back to being public plazas; renovations are far along at the international airport; a sprinkling of new hotels and shops have begun to emerge across the capital's otherwise ruined landscape; and in a country where free education is rare, the government, for the first time, has covered school tuition for 1 million children.

It's hardly a Golden Age. But it's not bad either for a leader who had never held political office and was best known for often-raunchy musical performances before he took office a year ago. The achievements have come with a parliament so dominated by the party of the man Martelly defeated in his run for president that lawmakers stonewalled his attempts to appoint a prime minister and Cabinet for three-quarters of the year.

Everything he did, he did at a time when he had so many problems, when so many people tried to stop him. Only three members of his party hold seats in the 99-member Chamber of Deputies and none in the 30-member Senate, though he's found allies in both chambers.

Asked to name his accomplishments, the president pointed out the school-tuition program, to be paid for with a tax on incoming international phone calls, as well as the clearing of major camps, largely achieved through rental subsidies, the repair of damaged homes and, most controversially, outright evictions from the flimsy shelters of the overcrowded temporary settlements.

In the interview, he also noted the construction of a public hospital, north of the capital, and start of construction of an industrial park that will host textile factories and other enterprises, bringing badly needed jobs to the northern part of the country.

On 6 May 2012, the President and the Body of Christ in general dedicated the nation of Haiti to Jesus Christ during a national day of prayer service.

- Praise the LORD for the good report concerning Haiti. Proclaim Isaiah 62 over Haiti
- The February 2010 prayers and fasting that were made in that nation after the devastating earthquake have not gone empty. The continued prayers of brethren from all over the world are beginning to bear fruit. The LORD has been faithfully doing a work in that nation against all odds.
- Pray that there shall be an effective follow up on the dedication by the Body of Christ. They shall not rest on their laurels but will go ahead to sanitize every evil foundation and cause a turn around in the nation to indeed bring it to that good place which the LORD has spoken of Jer 29:11-14
- A foetus cannot be developed in exposure. It must be kept in a womb until the fullness of time when it is brought forth. There is a birthing that is taking place over Haiti. In this 9th month, pray that it shall be birthed safely.

There is a lot of development that must take place, without undue international interference. A nation cannot be developed in the full glare of the world. It has to be developed in covering. Any nation that made any development at all, had this advantage. Unfortunately we are in the information era where a lot of premature information is leaked out and then judgments are made, and resistance is raised against those trying to build their nations. There are too many trying to advise, or disparage, or belittle what efforts are being made in that nation.

- Using Haiti as a point of contact, pray that the LORD will raise a certain level of covering over these nations so they can get an opportunity to be developed by leaders who are interested in rebuilding their nations.
- Pray that there shall be a covering where they rise and fall; because all that is in the process of rebuilding.
- Pray that the Body of Christ will remember that these leaders are not God. They are fallible human beings and need a covering of prayer and as much encouragement as possible when they do well.
- Pray that the voice of the Body of Christ will continue to wax stronger in the nation to steer it toward the redemptive destiny and purposes of the LORD.
- Pray for every leader of African extraction who has endeavoured to do well for the people but has received a lot of attack where people misunderstood, or simply chose to oppose him because they are in the opposition, or where they refuse to acknowledge any good he is doing.

- Pray that the LORD will give protection and life to these leaders who have come in to deal with so many levels of rot in the society, so that it is not easy to see the impact they have made.
- Pray especially for this leader who has tried to work against a majority opposition in parliament. Pray that the LORD will give the wisdom of nation building after the pattern of Joseph of Egypt, Daniel and Moses to both him and those who surround and advise him in order to bring that nation to that place which the LORD has spoken of in the prophecy on 1st Jan 2012.
- Pray for as many other national leaders that you can mention in this season including everyone who aspires to become a national leader; so that you have a pool of decent fellows to choose from (1 Tim 3:1-7).
- Pray that God will cause people to start seeing the good in them and to move them to lend a helping hand. It is only by the Holy Spirit's prompting that such a move will happen in a corporate body anywhere.
- Pray that the Body of Christ will in this season learn to uphold the hands of their leaders and be strongly involved in civil education to help the populations who come in large numbers in their congregations, to become effective citizens and part of the hand of peace and not destruction and war in this season.
- Haiti is in her 208th year of independence since 1804. It is an 8th year, a season of new beginnings. Pray that this nation will indeed move rapidly into the place of new beginnings in every gate of society.
- 8 stands for plumpness, fertility and fruitfulness. Pray that these virtues will be the portion of that nation in every gate of society. The Body of Christ will be in the forefront of making these changes as they lead the nation in the patterns that the LORD has given them.
- Pray that the free education that is now being given in the schools will be useful for the students and will raise them to become better citizens in their nation.
- Pray that every God-ordained purpose and destiny will be fulfilled in this season in Haiti and in each nation where people have risen to truly develop their nation. Pray that they will from henceforth enjoy angelic protection and greater rapidity to make up for all lost grounds; and to recover years that the enemy has stolen especially in the developing world (Joel 2:25)
- Prov 29:25 Thank the LORD for the people who offer to stand in leadership position because they allow themselves to be vulnerable. There is so much criticism that will come to you when you want to run for leadership. Pray that their hearts will be protected from bitterness or any negative reaction to opposition.
- Pray for the submission to the LORD for leaders because that is the only way one will be truly protected when they have to be in that place of vulnerability. Many become hardened and become vengeful, defensive or have other self preserving tactics which ends up being unhelpful to their leadership.

South & Central America

The prophecies on January 2012 were as follows: *As for Americas **South America**, it is time for South America to begin to rise into her place economically but politically things have to be gotten right. **God is waiting for the Ecclesia to begin to set patterns in South America.***

*New pattern of education which God is doing on this continent even others will come to learn. **Emphasise more and more on the right education, transformational sustainable education that transforms the persons , environment and society. It will even begin to have new education policy that is fashioned in that direction. That is what God want to fashion in 2012 so that by 2016 people will come to learn new patterns of education.** Not only will it happen in this continent. Some will happen in **Central America and parts of south America especially educational system for prisons. They will outdoor new educational systems for prisons (Bolivia) It will be very important.***

Security systems there are from the continents of Africa, Asia and from Central and South America that will come together, culminate and do a new thing. Thus the ecclesia must network in that respect. Those who have schools should being to network in 2012. Some of the things we talk about that we have not done yet let us do them in 2012. Within the next 2 or 2.5 years God will bring such schools to a shine. Those whom God spoke to start schools please start. If you don't have what it takes start with the little you can do and God will surprise you with the rest.

5 people will start universities.

Brazil

- One of the major witchcraft universities in the world, based in Sao Paulo Brazil was visited by our team led by Pr Abu Bako in 2010. They were led to do some prophetic actions there which led to the removal of the sceptre from the university's leadership. We praise the LORD that the university has been closed down and is no longer operational. However pray and declare that they shall never rise again and that the sceptre has been taken away from them for good.
- Pray that in this season when the LORD is speaking about the education system in South and Central America, we sanitize it and declare that only that content which is Godly shall stand. Every ungodly education that has hitherto been disseminating wickedness throughout the nations, will be broken. That which was the original from the LORD will arise in this season.

Bolivia

A new education system to educate children of prisoners is under development in Bolivia. Bolivian jails will accommodate the wives and children of their inmates therefore whole families reside in the jails. Thus there is a push toward a new education system to help the inmates and their families.

- Pray that the LORD will raise curriculum developers who will not only develop a cerebral curriculum, but one which will train up the children and the inmates too on morals that will help build a better society
- In Chile protesters stormed into a school to demand a change in the education curriculum. The LORD has said that new patterns for education will come from Central and South America; so pray that indeed this will happen with rapidity.
- Pray that there shall be no ungodly content slipped into these curriculums, but in righteousness they shall be established. (Isaiah 54:13-14)

UN GENERAL ASSEMBLY 2012

The 67th session of the UN General Assembly (UNGA) will begin on September 13, 2012.

- President of the UNGA this year will be Serbia's Vuk Jeremic. Pray for him for wisdom. To allow only that which will progress the nations and indeed bring peace. May he uphold the UN motto in dealing with civil conflict and wars in the nations.
- Pray that the President of UNGA shall not be swayed or intimidated by nations that want their own agenda pushed including Palestine and the Arab nations which want to table the issue of Palestine becoming a nation and the division of Jerusalem on 27th September 2012. Also they will place an application for Palestine to be given observer state recognition by the UN. The decision reached a stalemate in the past. Proclaim Psalm 122 concerning the city being compact together. It shall never be divided.

UN Meditation Room

Lest one thinks that the UN does not have a spiritual foundation, it would do well to know that there can never be a vacuum. Like every other individual or corporate body, they must have a spiritual taproot.

Former Secretary-Generals like Dag Hammarskjold (founder of the U.N. Meditation Room), U Thant and former Assistant Secretary-General Robert Muller have long been outspoken advocates of a new pantheistic global spirituality, using the U.N. as a vehicle to spread their doctrine. The UN meditation room (pictured) is built in the shape of a truncated pyramid. The center is an altar made of magnetite, the largest natural piece of magnetite ever mined. For meditation purposes it is probably the most ideal spot on the planet, since the magnetite altar has its foundation straight down, built into the bedrock of the land below; tapping into the energies of the earth itself.

The founder of the meditation room, Hammerskjold said "But the stone in the middle of the room has more to tell us. We may see it as an altar, empty not because there is no God, not because it is an altar to an unknown god, but because it is dedicated to the god whom men worship under many names and in many forms." Obviously, this is a Satanic delusion because we know that God's name is the Jehovah of Israel, and His form is that of Jesus Christ. He, the God of the Bible, said, "Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth." Exodus 20:4

This six and a half ton rectangular block of iron ore polished at the top and lit from above was a present from the king of Sweden. It is meant to be the final resting place of the "Ark of Hope".

This mockery of the Biblical Ark of the Covenant, is covered on each side by representations of earth, wind, fire and water. It contains a pseudo 'Ten Commandments' made up of a sixteen point value system expounding the virtues of a 'creation (vs. creator) centered theology'. This theology is the GAIA, or mother earth message, now sweeping the globe in various forms of 'green' morality and environmental practices. This brazen show of "New Age" religion adopted by the international community as a hope for peaceful co-existence on the earth, is really nothing new at all, but simply promises that same old lie "ye shall be as gods,".

The mural seen in the head of the room is supposed to help worshippers tune into esoteric energies, and helps facilitate a state of altered consciousness. The UN meditation room at the UN headquarters in New York is off limits to most visitors especially from mid day when they allow only certain persons to enter and then completely off limits from 3pm. It has been described as a pagan temple and it includes no traditional religious symbols. Former Secretary-General Kofi Annan was married to his Swedish wife in this room.

The activities at the UN headquarters, and all other UN activities throughout the year are prayed over by an arm of the Lucis Trust (Lucifer's Trust) named World Goodwill (www.lucistrust.org). They meditate, channel and medi-focus invoking demon-gods, in order to manipulate the entire spiritual environment under which each UN meeting will be held. They observe the heavens and try to prognosticate and draw powers in order to gain a negative advantage as decisions are made, and even cause some stalemates. They are also the official spiritual guidance to the UN.

As the nations gather at the UN pray that the Body of Christ will wake up in each nation to pray for their leaders going for these meetings. Pray that they will not get under heavy spiritual manipulation.

- Pray that whatever agenda that altar has been speaking for over 50 years into nations, in this year of divine governance, the LORD will shield your nation from its voice and the Body of Christ in the nations will disconnect itself from the pagan voices that emanate from that ungodly altar.
- Most African nations have been UN member states for close to 50 years on average. Pray that in this Jubilee season, the LORD will release Africa from the UN's hold into her return to inheritance, and release from the bondages that the UN and its affiliate bodies have subjected the continent to through perpetuated civil unrest, holding to ransom our natural resources in exchange for needless world bank loans that cripple the economies further, and restitution of that which they have taken forcefully or stolen through our ignorance or corrupt leaders (Isa 49:24-25, 61)
- Declare Psalm 68 over every refugee and internally displaced people's camp in Africa and the developing world. This is the psalm Moses quoted when it was time to break camp and the exodus to move on. Declare it prophetically as the trumpet call for every camp to be disbanded, dismantled and for the UN and such bodies to let God's people go and develop their God given territories. Prophesy into the season of the feast of trumpets that no longer shall there be camps that will hold people at ransom and at the mercy of wicked men as refugees in any part of your continent. The LORD has a territory for them and they must return.
- The UN will never encourage people to return to their land unless there is no longer profit in their staying in camps. Pray that the Body of Christ in nations which have large numbers of refugees outside the nation, will deal with foundational issues which have resulted in the land vomiting people and rejecting them so there is brain drain, political asylum seekers and refugees. Pray that the land of Africa will receive her people back in this season of Jubilee and they shall prosper in the land the LORD has given them.
- Pray that in this jubilee season the LORD will cause something to happen in the UN and in the nations where large refugee camps continue to be a cash cow for UN and other groups that benefit from such camps existing.

- As we obey the LORD and continue to service the altars as He has instructed us in the prophecies, He will strengthen our spiritual voice so that we shall utter the voice of the LORD over that altar and silence every other voice that is speaking to nations and giving ungodly guidance.
- Pray for the continent of Africa in this season that as we are walking in the jubilee of a lifetime, the voice of the blood of Jesus will speak better things than that of any other voice as our leaders attend the meetings.

Various other nations have festivals falling on different days of the month. These nations launch different festivals and ceremonies to mark these days. As whole nations are focused on their specific national days, pray that God will move among the people of:

 - Pray that in this year of divine governance, the Body of Christ in these nations will come to a clearer understanding of the redemptive destiny of their territory, and begin to lead these nations in that direction.
 - Pray that in this season, youth in these nations will arise to seek the LORD for their purpose individually and corporately so as to start pursuing the LORD in the direction He will reveal to them.

PRAYING THRU THE HEAVENS (Order or download teaching on **Understanding the Heavens** from our website).

This month marks the 9th lunar season of the year 2012. The shape of the moon determines the difference between the sickles and the bows as it goes through its phases. When it looks like a C or its mirror image, it is a crescent; but when it looks like a D or its mirror image, then it is a bow.

Various occult groups use the crescent moons as sickles (e.g. Hecate's sickle), for harvesting the gains of the many who are ignorant, and for demonic strength and fortifications with intense enchantments (Tahajjud). Deuteronomy 23:25 forbids them to do this. It is therefore, your duty as a child of God to enforce this provision.

Then the first and last quarter moons are the bows, used for shooting confusion, riots, bringing marriage breakdown, congregational deterioration.

The last quarter moon is on September 8, 2012 @ 13:16:45UT while the first quarter will be on September 22, 2012 @ 07:42:34UT

Command the quarter moon to praise the LORD. Thank the LORD for the bow shaped quarter moon. Praise Him for in this season. He is breaking the bows of the enemy and incapacitating him.

Thank the LORD for being a shield of protection around Kingdom citizens to deflect any arrows shot at them in this season. (Psa 91, 124)

Pray that during the waning last quarter moon, the LORD will release every seed of prophetic prayer that was prayed during the new moon season. Pray that you will see the outworking and answer to monthly prayers made at the beginning of the new moon.

Pray that during the waxing first quarter, those will be days of increased prophetic intercession for that which you desire to see happening in the month. Pray that you will not cease to pray as the quarter moon waxes towards fullness.

The New Moon commencing the Rosh H'Shanah, will be on September 16, 2012 @ 02:10:34 UT

The new moon is the time the witches do the highest enchantment. The first crescent is the sickle. Remember to raise a memorial altar to the LORD and give a memorial offering to your local church on that day. You do not have to explain anything to anyone. Be like Hannah who made a vow to the LORD and kept it even when Eli did not understand her.

- Pray and blow the shofar where possible, over the offering you will present at the place the LORD has appointed during the new moon. Pray that the covenant offering will release greater authority in your voice as a kingdom citizen over territories.
- Prophecy that your memorial offering will indeed release the covenant of wealth as explained in the prophecy teaching of 2012 January.
- During the new moon, prophetically pray into the womb of the new month declaring kingdom patterns in every gate of society. You may be guided by the prayer direction given at the beginning of this guide.
- The new moon will be an intense time of birthing. It will not only be the new moon, but the sun will be entering the gates of Virgo. It is an epoch making gate. Pray for the release of strong angelic guardians to watch over that gate. Anyone who tries to manipulate the heavens during that season, declare that the stars in their courses will fight against them, the sun shall smite them by day and the moon will smite them by night. The LORD will rain hailstones down on them and they shall surely be destroyed.

The Full moon which ushers in the Feast of Tabernacles is on September 30, 2012 @ 03:18:32UT

- Thank the LORD for this special full moon which ushers in the beginning of a key Feast.
- Pray that this particular season the LORD will indeed tabernacle with His people, especially those who seek Him but are walking in ignorance or in error.
- Pray that indeed during this full moon the LORD will begin to release understanding of how to work with the moon in its various phases to help with human health and well being; because humanity is usually affected by the gravitational pull of the moon in one way or another.
- Pray for those kingdom citizens who are adversely affected by the gravitational pull of the moon, causing some health complications. Pray that the LORD will help many to understand the purpose for the heavens.
- Pray that kingdom citizens will receive the best of the full moon in this season.
- Pray that the full moon will give glory to its Creator and do its bidding according to His command. (Psalm 104:19-20, Gen 1:14-17)

Solar Movements

The autumnal equinox will take place on September 22, 2012 @14:49UT in the Northern Hemisphere including USA, Central America, Canada, Europe, Asia and Northern Africa. It commences the colder and wetter autumn/fall season. In the southern Hemisphere they will be experiencing the opposite. It shall be the vernal equinox taking place on the same day at the same time including in **Australia, New Zealand, South America and Southern Africa**. They commence the Spring season.

- Command the sun at the equinox to praise the LORD and to do only His bidding as prescribed in Genesis 1:14-17, Psalm 19: 5-6, Psalm 136:7-9
- Pray that as the Sun crosses directly over the equator during the equinox season, the LORD will bring to equality issues that have hitherto be unbalanced in this past season. Things will begin to

realign themselves in every part of society for kingdom citizens, the Body of Christ and the world at large.

Refer to last month's prayer guide for the first two weeks of the sun movements in the heavens in September. From August 10 to around September 16 **the sun is passing through** a cluster of 95 stars in the **constellation called Leo** symbolized by the Lion and represents JESUS AS THE LION OF THE TRIBE OF JUDAH (the Messiah's consummated triumph).

That was the 12th gate through which the sun passes during its yearly cycle. Its passing through the cluster of Leo brings the story of Jesus Christ in the heavens to full circle - completion.

From September 16, 2012 at 12:20 UTC - 31 October 2012 at 00:40 UTC **as the sun** makes its circuit through the heavens, it passes through a group of 110 stars in the constellation called **Virgo symbolised by a virgin with a branch in her right hand and some ears of corn in her left hand.**

Here begins the tale of the LORD Jesus Christ's life as foretold by the heavens. This aptly coincides with the beginning of the Jewish year. It is believed by various biblical scholars and historians that the real date of Jesus Christ's birth may have actually fallen around the season when the sun is in Virgo even as the heavens do declare. It starts with a two-fold testimony of the Coming One.

Virgo represents JESUS – BORN OF A WOMAN AND IS THE RIGHTEOUS BRANCH, WHO'S REIGN WILL BE BEAUTIFUL AND GLORIOUS, AND WHO WILL MAKE THE FRUIT OF THE LAND TO BE RENOWNED.

- In this year of divine governance, pray that the LORD Jesus whose reign will be beautiful and glorious, will indeed be reflected through the kind of political leadership that will be raised in this year of so many national elections.
- Pray that indeed as these leaders are raised in nations they will set patterns of government, governance politics and diplomacy which will be emulated throughout the nations. Pray that the prophetic word will come to pass that leadership patterns set in Africa shall be good examples in the nations. He will make the fruit of the land in this regard, to be renowned.
- The foundations of the kingdom of God at every level, are righteousness and justice. Pray that the reign of Christ will be made more and more manifest in your nation in the seven pillars of the kingdom including; (1) Righteous and Just kings (2) Righteous and just thrones (3) Righteous and just foundations of thrones (4) Righteous and just sceptres (5) Righteous and just elders (6) Righteous and just messengers (priesthood) (7) righteous and just subjects. (Prov 9:1-)
- Select watches when you will pray for the influence of righteous and just pillars in every gate of society¹ (Psa 89:14, 97:2, Jer 23:5; 33:15)

Three other smaller groups of stars called decans that form part of the constellation called Virgo give further details of who the "Branch" is.

COMA represents "The Desired" which portrays the coming "Branch" to be a child who will be the "Desire of all nations" referring to Jesus.

- Thank God for Jesus Christ the Desired of all nations who humbled Himself and passed through the fallen man's reproductive gates in order to become a Son of man; and experience all that man experiences, in order to become the Redeemer King of all creation. (Joh 3:16, Rom 5:6-8, Heb 4:12-16)
- Pray that throughout the Body of Christ, there shall be more soul winning efforts during this season of high spiritual activity. As many seek to reconnect with the gods they serve through various cultural rituals, pray that they will encounter the LORD Jesus Christ, the Desired of all Nations.
- Pray that those who see Jesus Christ as a "good man" or a "prophet" or a "great teacher" will see Him as "The Branch" – the root and offspring of David; and will receive the conviction of the Holy

¹ When you come across the words "**the gates of society**" they are (1) Family (2) Belief systems (3) Government governance and leadership (4) Economy (5) Education (6) Science and Technology (7) Media (8) Arts Sport and Culture. These are the areas through which the society is influenced, shaped and molded to reflect the kingdom of God or the kingdom of darkness. It is a choice that begins in the place of communion with the deity you serve.

Spirit to turn to Him.

CENTAURUS represents “the centaur” a being having two natures depicting Jesus, who was Son of God and son of man, the Lion and the Lamb, the root and offspring of David, the peasant Shepherd and royal King.

- You are the only face of Christ some people may ever see. Many look at kingdom citizens and expect to see the only face of Christ represented. Pray that you will be among those who will reflect the nature of Christ in any one or several of His two fold natures to those who have never encountered Him. You will become a living epistle through whose life, men may seek Him .(Acts 17:26-28)
- Pray that these and other two-fold natures of Christ will be manifest in the body of Christ worldwide during this season.

BOOTES represents the “coming one”, referring to Jesus Christ the coming Messiah and Judge of the earth.

- In this season of the Feasts of Trumpets, foreshadowing the second return of the King of kings and LORD of Lords; pray that the Holy Spirit will bring to remembrance the reality of the Day of the LORD. Pray that kingdom citizens in all nations will begin to read the signs of the times and to desire for the return of the LORD to tabernacle with mankind forever.

In this season of divine governance, the LORD comes to redefine foundations in the nations and judge situations that have long evaded justice in the nations.

- Pray that areas of age-old corruption, and unresolved injustice and righteousness in every level of society will encounter “The Coming One” who is our King, Judge, and Lawgiver (Isa 33:22, 61:1-4)
- Pray that the Coming Messiah will also visit with favour those who have long sought Him and need His comfort, restoration and healing touch and His reward for their faithfulness to Him. Pray that you will be counted among them.

Declare that in this season of high spiritual activity, angelic assistance for every God ordained endeavour will be afforded you, and Kingdom citizens all over the world. Declare that every territory that such kingdom citizens occupy will be a no-flight zone for any wickedness; and the heavens over you shall yield forth its best, and the earth, will bring forth its best for you.
