PRAYING THROUGH THE MONTH OF MAY 2010

The Month of May is approximately equivalent to the third (3rd) Jewish sacred Calendar month called SIVAN. The word Sivan is probably of Persian origin and it means **“their covering”** May is also the ninth 9th month in the Jewish civil calendar and the fifth 5th month of the Gregorian calendar. It is named after the Roman goddess, MAIA.

The worship of Mercury (to whom the planet is dedicated to) was associated with the worship of the Roman goddess Maia who is identified as his mother by her association with the Greek goddess Maia – mother of Hermes. Both Mercury and Maia were honoured in pagan festivals on May 15th the dedication day of the Temple of Mercury on the Aventine (built around 500 BC).

The Romans believed that MERCURY was the god of merchandise and merchants, and is commonly identified with the Greek HERMES – the fleet-footed messenger of the gods.

In classical mythology, Maia is given to one of the group of stars of the constellation Pleiades. The near dawn rising of Pleiades in spring in the Northern Hemisphere, marked from ancient times the opening of sea faring and farming seasons.

In medieval and modern Europe, 1st May was a day of traditional springtime celebration which starts off with agricultural rituals. Such rites were intended to ensure fertility to the crops, cattle and human beings. Today 1st May or May day is celebrated as the international Labour Day.

This month the day of Pentecost or Feast of Weeks will fall on the 23rd May.

PRAYING INTO THE MONTH

The times and seasons were created by God. When the Christian does not take responsibility for these seasons, the devil will always find a counterfeit as in the above mythologies. Take responsibility for this month and pray through these significant events: Program the following prayers into the womb of every day of this month:

- Declare the Lordship of Jesus Christ over each day of this month. Each day that makes up this month is the day of the Lord and not the day of any other god or being (Psa 118:24).
- Command the heavens and all creation to praise God during this month and obey only the voice of the blood of Jesus Christ. (Ps 19:1-6)
- Command the planet Mercury which is prominent in this month, to praise the Lord its Creator and reject every adoration directed toward it on 15th May. (Ps 148:3)
- Enforce the reconciliation of all creation to the Lord. Command everything to praise the Lord and do His bidding this month. (Ps 148)
- Celebrate God the Creator of the heavens and of the earth who gives fertility to all plants, animals and human beings. It is His decree that all creation should bring forth after its kind and not any other demon-god. (Gen 1:11-12,22,28, 8:22).
- Declare that your fruitfulness is from the Lord and not from any other gods. Disconnect yourself from any dedications made to goddess Maia concerning all round fruitfulness in your life, family, occupation, church and nation.
- Pray that this month, God will judge all the gods in whose honour such festivals are held within this season. (Isa. 19:1; Jer. 10:11-13)
- Dedicate the first day of this month to the kingship of Jesus Christ. Renounce all other dedications made ignorantly or knowingly as people go out to celebrate the traditional May day.
- May Day was considered as International Labour Day by the International Socialist Congress in 1889, and has since become the occasion for important political demonstrations.
- Pray that you shall not labour in vain in this season. You shall labour to enter into God’s rest. Pray that

you shall work in Sabbath rest from this time forth. (Heb 4:11)

- Disconnect yourself from any prosperity that comes from the demon gods. Proclaim that it is God who will make you to profit from your labours, not Mercury/Hermes(Is 48:17, Deut 8:18)
- Pray that this month you will drink your portion from the river of life. Pray that the river will flow over every part of your life, work of your hands.
- Pray that the River of life will flow and bring life to every sector of society in your nation; from family to the church, government economy, education system, media, arts, sports and culture. Pray for Jubilee resurrection of those things which seemed to have died. (Rev 22:1, Eze 47:1-10, Ps 46:4-7)
- Pray that the Lord will release the fruit of the Tree of life for this month. Also pray that the leaves for the healing allocated for this month be released to you. Pray these for the family, the work of your hands, the church and nation. (Rev 22:2, Eze 47:12)
- This is the 3rd month and 9th *Sivan* in the Jewish sacred and civil Calendars. Pray that God will cause to be released the original angels in charge of this month and the angels prepared for this month in line with Rev. 9:15-16 will be released to minister to you, your family, business, church and nation *1 Chron. 27:1*.
- As the 3rd Month, 3 represents strength of unity. A three fold cord which cannot be easily broken (Ecc 4:11-12). In this month of Pentecost, pray for a fresh outpouring of the Holy Spirit upon the church and a reawakening of the desire for the church of Christ in the nation to unite. Pray for unity among Christian leaders with regard to matters that concern the nation.
- As the 5th month in Gregorian calendar; 5 signifies grace – unmerited favor. This is a jubilee season – the year of the Lord’s favor. Pray that God will release His favor in double measure in this season over your life, the work of your hands, the family, the church and nation especially in areas where you really do not deserve it. Ask that by His favor He will promote you from where you are spiritually, physically, financially, healthwise, in relationships to a place of supernatural levels.
- As the 9th month; 9 is a number for judgments; and of birthing. Pray that in this season of jubilee which is the year of the vengeance of our Lord, and this season especially, the Lord will arise and bring judgment against those who tend to feel they are above the law in your society. Pray that as His judgments come upon the earth, upon the hostile and arrogant, they shall learn righteousness (Psa 26:9)
- Pray that in this season of birthing; the church of Christ will bring forth the purposes of God, an increased level of evangelism and soul winning, and increased intercession over territories.

Prayer for Pentecost – Feast of Weeks

The Passover feast commemorates the day on the Jewish calendar when Israel came out of Egyptian slavery. A day after 7 Sabbath days from the Passover which is the fiftieth day, is the Jewish feast of Pentecost. They then offered the first fruits of their wheat harvest, which at that time was completed (Ex 34:22, De 16:9-10.) These first fruits consisted in two loaves of leavened bread, of five pints of meal each, (Le 23:17). Besides this offering, there were special sacrifices prescribed for this festival, (Nu 28:26-31). This feast was fulfilled in Acts 2:1-2. This year it falls on 23rd May.

Pentecost comes after a cycle of 7s of weeks. The jubilee deals with 7s of years. Pentecost is a minimalist annual prophetic release of the greater Jubilee blessings which come after 50 years. (See ref. *Enter Your Jubilee* (c)2009 Abu Bako; Sixty-8-Eleven Publication)

- We are in a Jubilee season especially over Africa. Thank the Lord for the double blessings of the Pentecost and the Jubilee. Pray through Isa 61. Declare that this coming season you will enjoy every blessing of release from bondage, God’s favor, His revenge on enemies, His restoration, reconciliation and restitution, return to inheritance, rejoicing and redemption. Pray these for your family, business, church and nation (Isa 61)
- Each gate of the four seasons is represented by one of the four Living Creature. First gate in which this month falls, is symbolized by the face of man signifying relationships, righteousness, among other expressions. We will focus on marital relationships this month. Ask the Lord that in this time of

enjoying a portion of the jubilee blessings, that there will be a restoration, reconciliation, returning of marriages which have been irreversibly broken for one reason or another, and those which are in dire straits.

- *Strike the shepherd the sheep will scatter (Zech 13:7b)* We have entered a season where Christian leaders are divorcing at an alarming rate. God asked Sarah, "Is there anything too hard for Me? Is it that marital relationships are too hard for the Lord? As often as you can, raise as many marriages as you know among Christian leaders the world over and ask the Lord the same question. Ask Him for a healing which only He can bring to these couples and families. The enemy desires to break the foundation of society when He breaks marriages. Ask the Lord how you ought to pray for each of these unions. God has the solution for each and every one of them.
- Pray continually in this season for the marital relationships in the Body of Christ to grow from strength to strength. Where you have been part of those criticizing the events taking place, ask for forgiveness; and rather ask for a heart to intercede and to do what Jesus would do (Mic 6:8).
- Jesus told his listeners concerning divorce that it was a law given by Moses because of the hardness of people's hearts. Ask the Lord to visit the church once more, as there is an increased hardness of heart and an increased rejection of His prompting in order to fulfil our own human desires. Ask the Holy Spirit to remind us of the sacrifice Jesus was willing to make so that we can love beyond our own convenience and our own "human rights." Above all, ask Him to lead each couple back to His original intention for their union. (Matt 19:8).
- Pentecost is a season of increased prayer. Spend more time in prayer in the week prior to Pentecost. Ask the Holy Spirit to pour out a fresh anointing over your life and over the Church. Read more of the Word and have times of song ministrations to the Lord as you usher in the Pentecost season.

By the outpouring of the Holy Spirit during the day of Pentecost, the Lord moved a timid, frightened, weak band of disciples into a mighty vibrant, unstoppable movement called the church of Christ. In the jubilee year, God moves you to another level by grace. Simply put, He moves you from the natural to the supernatural. On that day as you rest in the Lord in every area of your life, when you cease your labors, He moves you to that level which you would otherwise never have moved to.

- Ask that the Lord will move you from where you are to a place where you have never been before. Ask that there will be a supernatural leap in grace and supplication, in discernment, in prophetic unction, in the apostolic grace, in creativity, in wisdom, understanding and revelation knowledge etc etc. Pray this for the church and for kingdom citizens in every level of society.
- It's a time of favor. Ask the Lord for His underserved favor in an area of your life where you need it.

The feast of Pentecost was instituted to acknowledge God's dominion over their country and their labours, by offering to Him the first fruits of all their harvests.

- In this season, ask the Lord what He would have you offer to Him by way of a special offering of thanksgiving, and acknowledging His dominion over your life, the work of your hands. Pray over it and take it to your church or ministry or wherever the Lord will lead you to present it.

Pentecost was kept to commemorate, and render thanks to God for the law given from Mount Sinai, on the fiftieth day after their coming out of Egypt and to oblige the Israelites to repair the temple of the Lord.

- Thank God that He has fulfilled all law in one commandment – to love. Ask the Lord to fan to greater flame the seed of love and other attendant fruit, which He deposited in you through His Holy Spirit. Pray this for the church of Christ (Joh 13:34, Gal 5:22).
- Give thanks to the Lord for the Holy Spirit who is our guide, mentor, teacher, comforter, helper, friend, intercessor and conscience.
- Pray that the refreshing that comes from the presence of God, just like it did on the day of Pentecost should come upon all the sons and daughters of God's Kingdom to bring about the manifestation of the

ministry of the seven fold Spirits of God, and a resultant joy that will strengthen the entire body of Christ . (Acts 3:19; Acts 2:1- 4; Isa 11:2; Neh. 8:10)

- Pray that the Holy Spirit will reveal to you the inspirational gifts that God has vested in you in order to fulfil the commission in Matt 28:18-20
- Pray for the body of Christ worldwide. For some, lack of understanding, ignorance of the work of the Spirit, mind sets, beliefs, wrong doctrines, traditions, and all kinds of bondage have become the middle wall of partition separating them from receiving the empowering gift of the Holy Spirit. Ask the Lord to bring forth a new, clear and compelling revelation of the Holy Spirit's importance and power to the Body. (Eph 2:14 ; Acts 19:1-6; 1 Sam 12:23b)

It is totally dependent on the Lord to bring about that unprecedented leap in status, authority, anointing and grace, ability wisdom and other gifts. He does this when you have entered the place of rest, lest you say it is your strength or intellect that caused you to experience that level of translation. It is an act of the complete grace of God.

- Pray that you will learn to rest in the Lord. Ask Him to teach you to work in rest, to operate in rest and to understand that your role is to merely restore, rebuild, renew, replenish that which He has already finished doing. You do it in rest. (Psa 95:6-11, 4:11)

PROPHECIES FOR 2010 (See full Ref. *Prophecies for 2010* on www.gapnetwork.org)

Every so often, read out loud, the scriptures for 2010, including **Psalm 1; Psalm 2; Psalm 24; Psalm 29; Psalm 149; Psalm 34; Isaiah 60; Isaiah 61.**

God declared the year 2008 as the year of focus on Agriculture especially for the nations of Africa. Again in 2010 God said this is the year of **Re-discovery of Agricultural redemptive gifts for nations.** God wants us to re-discover the place of Agriculture as the nerve centre of development, stability and establishment.

The year 2010 is the time for Africa to go into **massive agriculture.** God is about to transform the face of Africa. There shall be insight and foresight. There will be so much of the release of the Counsel of God.

The year 2010 is going to be a year of **Abundance in the midst of want.**

- Various nations have recorded a bumper harvest in Africa. Pray for wisdom in the leadership to steward the excess. Most nations throw away excess or it goes bad and there are no provisions to handle excess harvest.
- Pray for infrastructural development to deal with this challenge in your community, the nation and in the continent.
- Pray that God will raise Josephs in your family, your community, district, province, and up to national level so that they will come up with the wisdom to preserve you for any times of leanness that seem to be coming. God who was able to give Joseph wisdom for a way to preserve food for 14 years without using the harsh and harmful preservatives we use today, is able to do so in our day.
- The first vocation God gave man was a garden and the command to tend and care for it. To subdue, multiply and replenish it. To replicate that garden all over the earth. God is directing people back to the area of agriculture. Thank God for the return to His original pattern (Gen 2:15).
- In line with the direction God is taking the nations especially in Africa, He is revealing His own way of farming to various persons. Ask God to show you in what areas He may require you to be involved in Agriculture in this season. Ask Him to teach you how to do it in His way and according to His pattern for your own region; as each differs from another. (Isa 30:21)
- Examining the area where you come from, you may even be very successful in a certain type of agriculture, however, pray that God will begin to reveal the agricultural redemptive gifts of your very own backyard, your village or community and then your nation.
- Education and Media are two ways of changing mindsets. Ask the Lord to raise men and women in the education and media sector to begin training the young children in the area of Agriculture according to kingdom patterns (Isa 54:13).

- Pray especially for the youth, that there will be an increased desire for urban-to-rural movement rather than the opposite, as they capture a vision for getting involved in Agriculture. There is much potential yet many seek to be in the urban centres wasting youthful energy on unprofitable endeavours. Pray for Jubilee leadership which will encourage and train more farmers according to God's pattern (Mic 4:2)
- There are people whom God has anointed with agricultural giftings but they are stuck in the wrong place. Pray that God will quicken and anoint those He has given a gift in any type of agricultural practice from your village, and your province, from wherever they may be, whether at home or abroad, to get back in line with His original plan and purpose for them with regard to boosting agriculture in your area. Pray that as they begin to return to agriculture, God will cause them to prosper and find stability and establishment for themselves and many others who will be under their employ.
- Pray for God's direction as to which areas of agriculture you should focus on, for you as an individual, as a family, for your community and even for the entire nation in order to bring you wealth and success so God can confirm His covenant with the land. (Ezek. 1:3; Ps.32:8, Deut 8:18)
- Pray that any agricultural practices which are not godly will not find a way into your region. God will begin to reveal biblical principles that are locked in the Bible for agriculture of every type, so that like the Jews we shall turn Africa's virgin land, swamps, deserts and semi deserts into fruitful fields to the glory of God. Pray this for your nation and Africa too.
- Pray that during this season of both seedtime and harvest, the Noahic covenant of planting and harvesting will continue in your district/province and nation. (Gen 9:9-18)
- Pray that contrary to the reports of the nations you shall believe in the report of the Lord concerning fruitfulness and abundance in this year of the latter Sabbath. You will not lack any good thing. God will make covenant with the heaven and earth so that you will have a bumper harvest from your own backyard, to your village, your province, your nation and in the continent of Africa (Hos 2:21-22, Lev 25:20-22)

God says in 2010 in three areas, **oil, water** and **Agriculture**, there will be explosion.

- Pray that the education system will accommodate change to train in agriculture. Pray also Africa will partner again with Israel in these areas where they have a special gifting in this area.
- Pray that the harnessing of these agricultural products will be maximized.
- Pray for the leadership in the nations of Africa to gain Godly wisdom of harnessing of Africa's large rivers e.g. Congo, Nile, Zambezi, Niger, river for the good of the continent. Raise Godly Jubilee stewards who run these entities according to His purposes.
- Pray that many people will go back to the original way of organic farming in small and medium scale, rather than large scale. Pray that in this season there will be an explosion of organic food. It shall be the norm not the exception for the rich. Pray that as many turn to small/medium scale farming in Godly pattern, the use of commercial machinery that actually destroys the land and the use of chemicals will reduce.
- Large scale farming has its place. Yet it is not exactly a godly pattern where one person owns excess land and others have none at all. That is why God decreed the jubilee so that land can be re-distribute to all. Pray for redistribution of land in Africa and in other areas imbalances occur. He will sort out the issue of squatters in the lands. Pray that the Lord will raise leaders with wisdom to do this work in a godly and proper way, with proper compensations where necessary. (Lev 25:13-17,23-28)

There are many seeds you have sown over the years that you have not reaped or seen any harvest, 2010 is the **season of reaping; season of harvest**.

- You can take a cup of seed to plant throughout a garden. However, when harvest time comes, you will not be expected to take that cup in order to harvest the crop. The crop that came from that cup of seed will require a much bigger capacity. (Psa 126:Gal 6:9)
- Many people expect their capacity to remain the same after much sowing in various areas of their lives. They do not expect that there must be a stretching of their tents in order to accommodate the capacity

of harvest that is coming. The stretching season is not very pleasant. In fact it can be the far opposite of good. Ask the Lord to make you conscious of the process of stretching so that you will not lose heart. Rather you will continue to rejoice in Him and focus on the end picture. (Isa 54:1-3, Gen 26:22, Isa 26:15)

- Even when harvest comes, the kind of energy you will require to bring in the harvest cannot be compared to what you used up in planting. Therefore there is an increased level of responsibility and time required in the harvest season. Be prepared to use up more energy bringing in the sheaves. Ask the Lord to give you joy during the season to focus on the harvest rather than on your own expenditure of energy, and other resources to bring it in. (Isa 126)

In 2010 there will be certain **discoveries in the Science arena**. Not only will you hear cancers have been cured, but physically God will show you something to eat as you eat everything disease will be gone. Because of that many African nations will become havens health-wise.

- In Kenya they are testing a new cure for AIDS. There are many other scientific discoveries within the continent in the area of medicine and health.
- Pray the medicinal value of many of the plants God has put on earth will be discovered in this year. May they be accessible to the lowest people in society.
- Pray that the bureaucracy of pharmaceutical conglomerates will not hinder people from getting the treatments they need. Most plant-based cures are discovered but then because there has not been a way to profit or patent them, some of the most influential pharmaceutical organizations simply ignore them or down-play their value in health management.
- Pray that these advancements will benefit the continent and the rest of the world

2010 is a **year of earthquakes**.

- The year opened with 2 great earthquakes; one in Haiti and one in Chile. Pray that these events will cause people to continue to turn to the Lord. May they bring a great in-gathering of the lost into the kingdom. He prophesied that *When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near.*”(Luk 21:28).

In the year 2010, God will use three elements: namely **fire, water and wind**. There will be volcano eruptions; floods; storms, wind that will bring refreshing and positive change.

- Iceland has already experienced a volcanic eruption in April. Pray that these things will cause the people to turn to the Lord. He is getting their attention. There are things that science cannot explain and technology cannot hinder. They should remind people there is a much higher power that controls all universe...(Matt 24:7b, Luk 21:11)

2010 is a **year of shakings**. There will be some shakings and rumblings in the heavens, physical shakings that will come in **the third and last quarter of the year** that will make men's heart to fail them, but it is only because HE wants to draw their attention to HIM.

- A major landslide already hit a part of Brazil destroying many homes and killing many others. Pray that people will turn to the Lord Jesus Christ for solace and comfort.
- Pray that God will preserve His own as these shakings come in the nation. (Isa 26:3,20-21)
- Where God is sending a warning, pray that God will cause the church to seek Him further for more specific meaning to the above prophecy. Pray that nations will take heed (Eze 33:1-5)
- Pray that indeed people will look up and take notice of God. He has already began to do this. We reported the testimony of what God did in Haiti in the aftermath of the earthquake (ref Feb & March Prayer guides 2010). Pray that this season of great tribulation that has come as an aftermath to the great shakings, people they will return to him and He will restore and re-build their lives (Eze 33:11-16, Isa 26:9, Isa 54:8-10)

God says in the year 2010 many will be **literally solutions to nations**. God is going to solve national issues.

The artificial Palm Jumeira island off Dubai coast is reported to be sinking into the sea. This is a scare for those who have invested heavily into that highly expensive island.

- Pray that indeed in this season of scientific discoveries, God will raise a solution which will make men know that He alone is God and such solution could come from Him. May it cause the Nebuchadnezzars recognize this great Jehovah to whom this earth belongs. (1 Chron 29:11, Psa 24:1, Dan 4:34-35)
- Pray that the Lord will lead His people worldwide to invest in the things that have eternal value. (Matt 6:19-21)
- Pray that in this season any contentious national issue in your nation will be solved whether it has to do with land re-settlement, the constitution of the land (Gen 18:14a, Isa 50:2, Jer 32:17, Zech 8:6, Matt 19:26, Luk 1:37)
- What personal prophecies have you received from the Lord as far back as you can remember? What did you do with these prophecies you received? How many of them have come to pass?
- Make a list of all your prophecies, present them to the Lord in prayer, continue to pray until something happens. (1 Tim 1:18-19; 1 Kgs 18:43-44)

PRAYING FOR NATIONS

Israel

Around 14 May, according to Jewish civil calendar Israel celebrates the proclamation of independence from the British Mandate of Palestine in 1948.

- Praise the Lord that He is the One True God. He speaks of things to come, and fulfills all His prophecies accurately. He prophesied that Israel would occupy that Territory in Palestine and indeed they have been dispersed a number of times and brought back. The greatest returning was after about 2000 years since the dispersion. No other nation can claim to have been dispersed even once and then returned. He fulfilled that prophecy through a UN decree, when indeed the gentile nations did carry the Jews back to Israel. (Isa 49:22)
- Continue to pray for the Aliyah of Jews from all over the world back to their homeland. As they return may as many as the Lord wills, recognize Yeshua as the Lord and Messiah they had long been waiting for. May many turn to Him as their Lord. (Isa 49:15-18)
- Thank God that He has continued to protect Israel against the onslaught of their enemies since the day they returned to the land which was given to their father Abraham (Isa 49:24-26)
- Praise God that indeed He birthed this new nation in one day. He has fulfilled the prophecies concerning Israel's economy. He will fulfill His prophecy concerning Jerusalem that it is a city compact together and can never be divided. (Isa 66:6-14, Psa 122)
- Praise the Lord that He prophesied that when the Jews return to their home, the land will be too small for them. Therefore their tents must be extended to accommodate them. Pray that indeed the plans of men to continue encroaching on this prophetic territory, will be thwarted. The Lord says they will need more land not less. Pray that the US president will recognize the futility of "kicking against the goads" as it were, when it comes to the matters of Israel and Jerusalem. Pray that God will raise up wise counselors around him to show him scripturally that the solutions being proffered concerning Israel/Palestinian conflict will be frustrated. That he will have courage to stand on the Lord's side concerning the matter. (Zech 10:10, Eze 36:10-11, Isa 49:19, Mic 2:1-5, 12-13, Isa)

Democratic Republic of Congo (Ref. June 2009 prayer guide at www.gapnetwork.org)

Last year in our June 2009 Prayer guide we prayed for the nation of DR Congo, concerning their entering the Jubilee year. We prayed for the Jubilee virtues to be released upon the nation. Part of the prayer was as follows:

○ *Pray that the blessing of release of captives and slaves back into their inheritance will be part of the blessing these nations will experience. Land and resources that have been hived away from the land will be restored for use to establish the Kingdom of God*

On 29th April 2010, the UN ordered all the refugee camps holding DR Congolese in the surrounding nations including Zambia to close down. The refugees have been given time to return to their land of inheritance to rebuild their nation. Should they extend their stay beyond the allotted time, they will be considered as illegal immigrants. Their request for resident permits in these nations are being rejected as they are forced to return.

- The very same God who answered the above prayer concerning this jubilee season in this area for the Congolese will surely answer our prayer concerning every other area that you have been raising to Him through as you join multitudes who have been praying through these guides. May the Lord hear you and answer when you call with regard to your own individual situation, and the circumstances in your family, the church and nation (Psa 20).
- Pray that the church in DRC and the Congolese Christian refugees will gain an understanding that this is a blessing. It may be painful to be uprooted from other nations, but their inheritance is tied to their nation. Pray that God will indeed prosper those who go back and cause them to flourish in their land.
- Pray that the Congolese will be taken from where they are to a place they could never attain to on their own. Pray that they will indeed develop their own nation and take the seed of peace, stability and good governance which they have witnessed in the nations of their refuge.

South Africa World Cup

Its season for the Hamitic races to fulfil their redemptive purpose of re-installing God as the King of kings and Lord of lords (*See ref. 7Fundamental Questions You must answer Revised edition (c) 2008 Abu Bako*).

God launched the season in many ways including gathering them in one of the Hamitic nations - with Olympics in China to gather the nations. Much of the prophetic significance was not stewarded well by the church.

Now He has brought World Cup to Africa, the entire world's attention will be in the region. We as church of Christ worldwide, have another chance to usher nations into the season when Jesus will be established and crowned king of kings over the nations. He is being reintroduced in all His Sovereign power, glory and authority in the nations where he is being pushed out.

It is the responsibility of the womb to incubate or abort any planting that comes into it. It is the responsibility of the church in the womb of Africa to decide whether that which is planted in the continent will be a blank or a live ammunition. Whether the arrows that come out of this continent will hit target or miss it.

Pray with the church in the womb of Africa, especially nations like i.e. Malawi, Namibia, Zambia, Zimbabwe, Botswana, Angola, DRC; and also program into the womb of time, the following declarations and prayers:

- Pray that the churches in the womb of the continent will in this season take up their position to abort any ungodly thing that has been forced into the continent.
- Pray that they will also plant and nurture every godly planting into full birthing. Pray that everything God wants to bring forth in Africa will be overshadowed by His Holy Spirit. That which comes forth from this continent through its gateways especially South Africa, will be the Holy one of God. (Luk 1:35)
- Pray through Isaiah 35 for the continent. Pray that every physical and spiritual highway, whether land, air or water way, will be called a highway of holiness. Nothing ungodly will be allowed through any gateway of the continent in this coming season.
- Pray that the unction of Balaam will be upon those who come with any evil intent into the continent during this season of World cup. Their evil counsel will be turned around by the Lord. If they insist on

going ahead with it, it shall be turned into confusion (Num 22:5-12, 32, Isa 44:24-25)

- Abort every wicked importation including the legalisation of prostitution for the season of the world cup. Every wicked exportation from the gateways including ancestral worship and occultic practices will be aborted. Pray that the Lord will overturn every wicked ungodly input in the constitution of the nation of South Africa being pushed for profit. The enemy will not use this as an opportunity to slot in further abominations as law in South Africa to “accommodate” every peoples whims. What has already been pushed in that is ungodly, to be aborted.
- Pray that the seed that was planted when Zambia entrenched the Kingship of Jesus in their constitution will grow and spread into the rest of the continent. Pray that indeed the Lord will raise Godly Jubilee men to steward the nations into their jubilee seasons especially the nations that are going into elections.
- Pray that the seed of rejection of same sex relationship taken by Zimbabwe, shall grow and spread into the rest of the continent.
- Pray that every other good seed that has been planted in the nations of the continent will grow to full term and come forth to influence the other nations of the world
- Pray that from the womb of the continent the Lord will raise a mighty wave of intercession to cover the entire world cup season. That this will be one of the most spiritually rich world cup season. God will strengthen and raise many to evangelise, pray for, perform Holy Spirit inspired miracles signs and wonders for those coming into the continent. Pray for every church that is planning on outreach during this season in South Africa. Pray for rededication of lives to Christ, pray for salvation of souls into the body of Christ, for unbelief in God to be broken. Many will come to Africa and go back with the seed of Holy Spirit revival to the ends of the earth.
- As much as possible, take at least 5 minutes every day in your personal prayer, encourage your small group fellowships, church meetings to give at least 5 minutes to pray for the World cup season. Pray that Holy Spirit revival will spring forth from South Africa to the ends of the world.
- Pray that God will honour every godly prayer, godly plan made so far by ministries and individuals in reaching out for Christ during the World cup.

Sudan

- Thank the Lord for the elections that took place in Sudan. They were far more peaceful than anticipated. The results are out and the various appointments to government offices are due to be made. Pray for the appointment of Jubilee men into offices so they can usher the nation into its next era.
- Pray that the Lord will raise apostolic voices who will speak prophetically and contend with principalities and strongholds hindering the nation of Sudan from moving in its destiny. When time for birthing comes, there is nothing that can hold back that activity. No man can hold to ransom a birthing. Therefore pray for the safe delivery of God’s purpose in Sudan (Isa 66:5-9)
- Pray that the Lord will raise apostles from across the continent and the world at large - pathfinders to raise a level of territorial intercession over Sudan which will clear the way for the local church to walk thru this season as new leadership is being brought in, and make way for the nation that God is birthing. (Isa 62)
- Pray that the church will pray for the destiny of the nation of Sudan and not for matters arising and immediate challenges only. (See ref. *Sudan Update* on www.gapnetwork.org for greater explanation of *redemptive purpose for South Sudan*) (Heb 12:23)
- Pray that the challenges that arose with the elections will cause the leaders who had dabbled in ancestral solutions to now realize they need the Ultimate Solution – God who is the Owner of that nation. Pray that every activity will fall according to God’s calendar and not man’s. (Ps 24:1, Ps 32:8)

Constitutional Reviews

A number of nations have been involved in constitutional reforms and reviews. These include Kenya, Zambia, Haiti among others. The constitution is a vital covenantal agreement that defines the nation. It is

part of the foundations of the nation's throne. It defines the king, his kingdom and regulates the relationships in the land. Whether a nation calls itself secular or not, the constitution silently or publicly defines what deity the people will give allegiance to.

- Concerning the constitution of your nation as a household, declare Josh 24:15,21. Fasten this declaration into the heavens and into the earth and the waters.
- Pray that these nations, and any others which are dealing with constitutional matters in this jubilee season, will establish the rulership of Jehovah over the nation.
- It means that every ungodly policy or statement will be done away with. Pray that in this jubilee season where God is moving things in a supernatural manner, even the clauses that have been included and seem impossible to remove, God will make a way and raise those who will change them to reflect the perfection of His kingdom laws. (Psa 19:7-14)
- Pray that the church of Christ in these nations will stand firm and not get weary of declaring God's purposes to be included in the constitution
- Pray that the voice of the enemy coming in any form will be silenced in the constitutions of these nations. Utter the voice of the Lord over the constitutions of these nations.
- Utter the voice of the Lord over the referendum that follows to endorse the draft constitution. Utter the voice of the Lord over the heavens in these nations and over all the people. (Psa 29)

National Days

The following nations are celebrating various national days during this month. Mark the eve of each of the following national days and:

- Pray that as each of these nations celebrated independence or other liberation the Lord will cause the church to be stirred to carry out the great commission.
 - Pray especially for prayer and actual evangelism in soul winning for the Kingdom during this particular month. Let it be a season of liberation from the kingdom of darkness into the kingdom of God. There will be a marked church growth spiritually, experientially, geographically in each of these nations.
 - Pray that the nations which have entrenched other gods as their ruling deity, the Lord will literally appear to many during this month and bring them into a redemptive encounter with Him.
 - Pray that the church in each of these nations will pray for their nations to become sheep nations.
 - Pray as the Spirit of God will lead you to pray for these nations.

PRAYING INTO THE HEAVENS

Helical rising of Pleiades

This marked from ancient times the opening of sea faring and farming seasons. Africa will be the food basket of the world – This is God's prophetic word.

- Pray for the fishing industry in the nations especially in Africa. Talk to God for increase in the fishes and other sea foods in the various water bodies – the sea, rivers, ponds. Also pray that people will learn to multiply and replenish the rivers with fish rather than depleting them (Gen 1:28, Ps 90:17)

Crescents and Quarter Moons (Sickles & Bows)

Demonic strength and fortification with intense enchantments

- Declare the enchantments of the wicked nullified and blotted out by the blood of Jesus (Col 2:14) and **slowly proclaim Isa 12** for strength and fortification.
- The crescent moon and star is the symbol of a spirit that governs any man or woman who is in covenant with that spirit. **Proclaim Acts 4:10-12** into the spirit of those who must be saved from the rule of this spirit. Remember that the Lord knows those who are his. (2 Tim 2:19)

The first quarter moon is on the 20th of May 2010 @ 23:43 UT and

The last quarter moon is on the 06th of May 2010 @ 04:15 UT

The occult use the quarter moons as spiritual bows to slay the righteous.

- As the occult draw out their sword and bend their bows to cast out and slay the righteous (Ps 37:14-15) Pray for the arrows of God to stick fast in them and His Hand to sorely press them (Ps 38:2)

The full moon is on the 27th of May 2010 @ 23:07 UT

God has not commanded the worship of the sun, moon, stars and the host of heaven (Deut 4:19; 17:3) but this is exactly what happens. Man is driven to worship them especially at full moon – they burn incense to the moon (2 kgs 23:5) and sacrifice human beings and other kinds of sacrifice.

- Pray for those in the occult, Baal worshippers, Satanists, Voodoo worshippers, shintoists, Hinduism and every kind of religion found on earth other than worship of Christ, that just as the moon is full of light, they should find Jesus the root and the source of true light that lightens every man that comes into the world so they will escape God's anger. (Joh 1:4, 9; Ps 7:11b)

God is also interested in the souls of social sex workers, armed robbers, etc because Jesus came to call

sinners to repentance (Mat 9:13b)

- Pray for the salvation of their souls all over the world. (1 Tim 2:1-6)

The new moon that opens the gate of the sixth lunar season is on the 14th of May 2010 @ 01:04 UT

The Lord has ushered the church into the **NEW** dispensation of the Holy Ghost because the season of Jubilee is a season when every child of God must have hearing ears and seeing eyes to hear every utterance of the Spirit and see every vision and dream given by the Spirit of God.

- The Spirit of God is in perfect agreement with the Word of God because the Word is the result of the inspiration of the Holy Spirit. This is therefore a dispensation of the Word of God. Pray for your self, pray for your spouse, your family as a whole, the people in your business, the church on earth especially in Africa, the nations and every people group to look for, and find God's Word and eat until they are filled. (Jer 15:16; Mat 4:4; Lk 4:4; Job 23:12; Joh 6:35,48)

In the third sacred month of May, the sun passes through a cluster of 85 stars in the **constellation called Gemini symbolized by the twins** which speaks of His two fold nature as God and man, two fold work of suffering and glory and His two fold coming in humiliation and triumph. All represent The Messiah: His second coming, which relates to "The glory that should follow". He is coming to reign as Prince of Peace but all enemies must be subdued.

- The LORD our God humbled Himself to behold the things in Heaven and in earth even though He is the Most High God (Ps 113:5-6). Jesus, even though He was God, humbled Himself and became obedient unto death on the cross (Phil 2:6-8). You, even though an earthen vessel, have this treasure of humility - the nature of God in you (2 Cor 4:7). What level of humility have you exhibited in your entire Christian life ever since you met the Lord? What level of humility have the leaders of our homes, of the church, of various groupings etc exhibited? God does not negotiate on the issue of Humility. Pray for yourself and for leaders at various levels of authority and for every member of the church so each will emulate Christ and humble themselves and avoid God resisting them. (Phil 2:6-8; Jms 4:6; 1 Pet 5:5)
- Jesus suffered and was glorified (Heb 12:2). Joint heirs with Christ must also suffer with him that we may be also glorified together. (Rom 8:17). Believers must suffer for His sake (Phil 1:29). If we suffer we shall also reign with Him (1 Tim 2:12). These are teachings that are lacking in the church today. Pray that these teachings will be re-established in the church again all over the globe starting with you and believers will yield to the process of suffering. (Ezr 7:25b; 2 Tim 2:2)
- Christ's humiliation involved seven steps and His glorification also involved seven steps as enumerated in Phil 2:5-11. Pray that believers will allow this mind to be in them which was also in Christ Jesus, so each can wholly give ourselves to it, practise it and be like Christ our Lord. (Phil 2:5)

The other three smaller group of stars called decans that form part of Gemini describe the details of the stages of His reign.

Lepus (the Hare or enemy) represents the enemy trodden under foot.

Jubilee is the year of the redeemed of the Lord and the day of Vengeance of our God (Isa 63:3-4; 61:2). God is in the business of threading down His enemies in the lives of His people.

- Pray for yourself, your spouse, family and church that in any trouble you will rise up and thread down serpents and scorpions and over every power of the enemy and nothing will hurt you because it is God who is threading down the enemy in His fury. (Ps 60:11-12; Lk 10:19; Mal 4:3)

Canis Major (The Dog), or Sirius (the Prince) represents Jesus who is the coming glorious Prince of Princes (Sirius) He has a companion who is **Canis Minor** (The second Dog) represents the exalted redeemer (i.e.Procyon)

Just as this constellation began with two persons in the sign Gemini so it ends with a presentation of two princes one seen triumphant the other as the redeemer representing Messiah's reign as Prince of Peace with the enemy trodden under foot by the glorious Prince of Princes who is the glorified redeemer.

- **Proclaim Isa 49:24-26, meditate on the verses** and appreciate what God has wrought for His people. Thank God for the victory of Jesus over the enemy.
