

PRAYING THROUGH THE MONTH OF NOVEMBER 2011

November derived its name from the Latin word “Novem” meaning nine (9). It retained its name when January and February were added to the Roman calendar. 1st of Chesevan 5772 corresponds with the 29th October 2011 to 27th November when the 1st Tevet 5772 begins. This month will be considered to be properly the second (2nd) month of the Jewish civil calendar and the eighth (8th) month of their sacred calendar. This is the eleventh (11th) month according to the Gregorian calendar. **This marks the strongest month of this year. The 11th will be the strongest day of this year. It will be 11:11:11.**

October, November and December constitute the last quarter of the year following the Roman Gregorian calendar. It is the fall season moving into the winter. Except for human activity, the rest of creation is drying off, dying or preparing to go into hibernation, rest and recuperation during the coming winter period. Hibernation is a time when various creatures go into an almost zero metabolic rate and are comatose.

It's the season for “the seed to fall to the ground and die” (Joh 12:24). Only the barest necessities for survival remain and minimal energy is utilized.

During this period, there is heightened spiritual activity for both good and evil. It is a period where in history quite a lot of blood has been shed. e.g. the Russian and French revolutions which resulted in mass deaths, the First and Second World Wars, all started during the last quarter of the year. After the diabolic Halloween in the end of October, on the 1st & 2nd November in particular “All Saints” and “All Souls Day” is celebrated in honor of the dead (All Hallowmas). In some nations especially those ravaged by mass death through AIDS pandemic, it has become tradition to clean grave yards and cemeteries, time when the mysteries of the graveyard are activated to control, manipulate and oppress people.

Pray into the month: Revisiting 2011 Prophecies

It is good to always revisit the various prophetic words given over the years. As the year 2011 begun the LORD indicated in various words and prophecies that it was a season of redefining foundations and judgment of thrones.

As you come to the end of the year, examine in retrospect to areas where the LORD has began to fulfill the words He gave and those which are still in the process of being fulfilled. Pray through them afresh. The following are some of the words released through GAPNET:

- *A change of clothes - put on your garment of praise for the spirit of heaviness. This is the year of change of clothes and change of identity.*
- *It is a very important year. It is a bridge.*
- *It is a year of opening of scrolls. A year of peeling off of layers that have kept the original content covered.*
- *God said that this would be the year of divine judgments. There would be a judging between nations. Those who have been causing others not to drink God will push them to their place.*
- *For Governments this is the time that God is about to Sift, shift, shake and change.*
- *There is serious shaking come to Europe. Especially for the Nordic countries. God is going to allow some things to happen that they will have no answer to. There are changes that will come when people begin to seek God. There are some things that will happen in England that will welcome God back into England.*
- *Economically there will be transfer and shift of power. God has shifted power from the west to the east and He is coming to the south. God is giving Asia a window before Africa takes over.*

- *God is going to humble the proud nations this year. For America this is a year that they should not joke with Jerusalem. I saw them trying to split Jerusalem. Just as it was about to happen it did not happen and many were embarrassed they could not forget it.*
- *God is going to change cultural foundations and give new cultures.*

What do we hear the Lord saying regarding Egypt and the Middle East?

A team from GAPNET visited Egypt from October 20 to 23, 2011. Five to six years ago God began to speak to us about the Middle East and He stated that He would deal a death blow to Islam. He said He would make Islam nauseating to the nostrils of men. In September of 2010 He said that this year, 2011, was going to be a year of shifting, sifting, shaking and repositioning.

On November 20, 2010 we were holding a school in Jordan. Pastor Abu Bako was scheduled to teach during that school but his visa was delayed. He taught the class via Skype from Ghana. Towards the end of the teaching, God started speaking through him about the Middle East. This is what the Lord said:

“In three years I am going to change the face of the Middle East. I will so transform it that you will hardly be able to recognize it. I will bring such a revival, but I need my people to get ready so that they will bring in the harvest.” The Lord continued speaking saying “Thus says the Lord –

1. So that you will know that I am serious, in 2 to 3 months time I will begin the process of shaking and I will start the revolution that will bring change to the Middle East.
2. So that you will know that I am serious, in 2 to 3 weeks I will bring signs in the physical realm that man call natural disasters: fires, land slides, floods and storms in three Middle Eastern countries and one North African country.
3. So that you will know that I am serious, in 7 to 8 days I will do something unusual that you would not expect in Saudi Arabia.

On November 27, 2010 we saw the first sign. Exactly 7 days after this word came there were floods and land slides in Mecca, Saudi Arabia.

In 2 to 3 weeks there were 1) Fires on Mt. Carmel in Israel 2) Landslides and floods in Lebanon 3) Snow storms in Damascus in December 4) Landslides and floods in Egypt.

In January 2011 the revolution started in Tunisia. The revolution started on Bourguiba Street. In 2008 a team from GAPNET visited Tunisia. During this time the team was housed at one hotel. Then Pastor Bako was moved to Africa Hotel on Bourguiba Street where the Lord directed him how to pray for that nation. In January of 2011 as Pastor Bako was thanking God for what had started in Tunisia the Lord told him that

Tunisia was the tip of the iceberg and in a few days he would see similar events happening in Egypt. He said that once it happened in Egypt, it would spread to the entire Middle East and would affect the rest of the world.

On January 15, 2011 Pastor Bako shared what the Lord had said regarding Egypt with two members of GAPNET who visited him. Exactly 10 days later on January 25, 2011 the revolution started in Egypt. The rest is history. It has been nearly one year since the word came in Tunisia. Because that word that came in November 2010 "In three years I am going to change the face of the Middle East", we only have two years remaining to prepare the Body of Christ for the harvest.

On October 9, 2011 24 Coptic Christians were killed by the security forces in Egypt. The Coptic Church called for three days of fasting and praying. The protestant church immediately joined with them. This measure has only been used three times in the history of the Coptic church and on the two previous occasions they witnessed God's supernatural intervention. There is this expectancy among the Body of Christ in Egypt that God is about to intervene in a supernatural way in that nation.

As we visited with leaders from the protestant church and the Coptic church in Egypt we received confirmation of what God is saying regarding these three years. The Lord explained to one brother that when it comes to birthing a city there is a need for national leaders and when it comes to birthing a nation there is a need for global leaders. The Lord told them to prepare Egypt for the harvest that is coming. To do this He told them to: 1) Let the people love God – He said "Bring them to my heart" 2) Let the people love the Bible. We believe that Egypt will become a model for other nations. God has said that if my people would be ready to take their position and do what He would have us do, then He would bring in the harvest and establish His rule over the Middle East and the entire world.

Could it be that we are entering the season of Isaiah 19? On November 11, 2011 (11/11/11) over 50,000 believers in Egypt will be gathering to pray in the midst of the land. Could this be the establishment of the altar in the midst of the land?

At the time of the writing of this prayer guide we have learned that the UN Security Council has scheduled the vote on Palestinian statehood for November 11, 2011 (11/11/11).

Everything must be birthed in prayer. Now more than ever we must pray for the leadership of the Body of Christ in the Middle East and the entire world. We must pray that they will hear clearly from God how to transition from church to the ekklesia of the Kingdom of God. We are supposed to be kingdom people expressing the rule of God.

The time of prayer in Egypt on 11/11/11 will start at 6 p.m. on November 10, 2011 and go until 6 a.m. on 11/11/11. Prayerfully consider standing with them in prayer during these hours. You will be able to join with them via the Internet.

- Isn't it a privilege to be alive to behold God's prophetic purposes unfold over entire nations especially in Africa? Praise God and thank Him for the opportunity to be alive, and to see this new season. Proclaim Psalm 65-67.
- This is the month the LORD has made. Enter the gates of this month with thanksgiving for all that the LORD has allowed you to experience in the past season. It is the strongest month of this year and 11:11:11 will be the strongest day. The LORD has made strong statements throughout the world. Even though most of these have been harsh is it not wonderful to be part of what He is doing through your continued prayers? Thank God for the stamina to continue to lift up nations and governments, families and economies before Him. The LORD will also bring you into your own strong season. (Psalm 60).
- Command the gates of the month to be lifted up unto the LORD for the King of glory to go in and for His purposes alone to be accomplished. (Ps 24:7-10)
- Declare the Shalom of the LORD at every gate of this new season. The gates of this season will be gates of righteousness and praise and the walls salvation. Wherever the man of peace shall be, the peace of God will rest upon them. Wherever there shall be a man of violence, they shall be judged in this strong season of judgement and retribution (Psalm 118:12, Isa 60:18-20, Rev 4:11)
- At the gates of the month, ask the LORD to release to you, your family, Body of Christ and nation, the fruit from the tree of life and the leaves for the healing you require for the 2nd , 8th and 11th month (Rev 22:1-2)
- Blot out with the blood of Jesus Christ, every other voice that may be speaking and instructing creation at the gates of this month. Command the heavens, the earth and all that it contains, the belly of the earth, and every thing to declare the glory of God and to hear only His instruction for this month. (Psa 19:1-6, Psa 29, Col 2:14)
- Pray that during this month the law of the LORD which is perfect will convert your soul every time and in every instance you will hear it, read it, speak it or meditate on it. Ask for a conversion of your soul especially in the areas where you have hitherto been resistance or lacking in understanding of God's purposes for your life, the Body of Christ and territory. (Psalm 19:7)
- It has been a very trying time for many in the past season. There have been numerous shocking reports from around the world. Wickedness has increased, including many crimes of passion in nations. Yet in all these events, the LORD remains in total control of the destiny of nations. You have been a partner with Him in this season. Thank Him for the privilege of praying for His purposes in the nations at such a time as this.

Pray into the eighth sacred month of the Jewish sacred calendar

- Usher in the eighth sacred month of the year with thanksgiving and praise to the creator, be thankful unto Him and bless His name for the gift of life He has freely given to you and o every breathing man on earth today; He has done this because, His compassion has never failed, great is His faithfulness to all creation. (Ps 100:4; Lam 3:22-23)
- Stand before the Lord and verbalize your appreciation of the work of His hands in creating every moment of the month. Instruct these moments to honor the Lord because to Him that honor is due. (Rom 13:7d)
- November is the 11th Gregorian month of the 11th year of this millennium. Its 11th day will fall on the 6th day of the week otherwise known as Friday, completing the peculiar date of 11:11:11 which may not occur again until after a century.
- Ascribe greatness to the Lord for allowing you and your household to be alive to see that day. Key into the opportunity that has been offered to you to give God seasons of quality worship; ask Him to re-organize your life for the next century. Ask Him to completely align you with His purposes. (Deu 32:3-4; Ps 96:9; Mar 11:24)
- The Gregorian calendar year is in its eleventh segment of completion, what is the status of your present relationship with the Lord? Have you progressed in intimacy with Him or have you backslidden? Have you experienced hearing His voice with clarity? What is the historical record of your fellowship with the Word of God? Deeply probe your position in God and help others in the body to do the same. (1 Cor 11:28a; 2 Cor 13:5a)
- Keep praying for the manifestation of Africa from 2012 as God has promised. Ask the Lord in this eleventh month to take your skills and redemptive gifting though the processes that will bring it to a polished state. (2 Sam 2:1; 5:19)

Pray the following for yourself, the Body of Christ, the gates of society in your territory:

- It is praise and rejoicing in Him that releases a fruitfulness and harvest in your life. Prepare yourself to praise the LORD much these coming days IN ALL THINGS (Psalm 67)
- Praise the LORD for the promise of abundant life, for fruitfulness in the work of your hands, in your relationships, in your spiritual growth and endeavors during this season (Psalm 136),
- God is at work. Pray that you will recognize where the hand of the LORD is working in this season so that you can join Him in what He is doing in the midst of all the upheavals and intense activity.
- This has been a year for families. Pray for families in this month. Ask the LORD for a deeper understanding and greater manifestation of the redemptive calling and a vision within family relationships starting with the marital to the inter-familial relationships at every level. Prophecy the reality of Psalm 127-128 in each family relationship.
- Is there an area of relationship at family level, which you ought to bring before the LORD? Pray for the LORD to move on behalf of His purposes in your relationships. Pray that you will be disconnected from any relationship, which is not redemptive, especially some that you may love but are not redemptive.

Shevat 5771 (January 2011) was the eleventh month of the year 5771 which was an eleventh year season. It commenced a season of judgement and justice across nations. November, is the 11th month of the year 2011.

Another level of judgment and justice is set to take place in the nations. **Eleven** represents the eleventh hour: that final moment of lull before an event of important proportions occurs – (Math 20:6, 9) It also represents *disorder, disorganization, imperfection, and disintegration*. (2 Kings 23:36; 2 Ch 36:5, 6)

This year was a bridge. A link between what has been and what will be. We are entering a more intense season in the nations. At the end of this season the LORD will turn around the situation in various nations. This time capsule, the Body of Christ should arise in the area of executing the judgments of the LORD in every sphere of society where it is required.

- Bring any area of justice e.g. court cases, family feuds, village disputes, and land or business disputes before the LORD. Remind yourself that beyond the human justice structures whether councils of elders, judges or tribunals, He remains our Judge, our Lawgiver and our King and Isaiah reminds you that He will save you (Isa 33:22).
- Make this your practice for this month and pray for the Body of Christ at large, that many will wake up at dawn on a regular basis, and command the Dayspring (from on high – Lk1:78) to take hold of the ends of the earth and shake the “evil influences” of the masons and occult societies out of the earth. In addition, ask the LORD to withhold their light and break their high arm where they refuse to repent. (Job 38:12-15)
- Set a reminder for yourself most probably on your mobile phone. On a daily basis during the coming month at either 5am or 5pm (according to your preference whichever of these 11th hours suits you); execute the judgment written against every wicked leader in each gate of society in your territory including the families, belief systems, government governance and leadership, the economy, education system, science and technology, media, arts sport and culture. Pray that their wickedness will be exposed as the LORD peels layer after layer of counterfeits to expose the hidden agendas and identities. Pray that they will not be killed but that the LORD will save their souls and redeem them. Should they accept it, the LORD will be their Refuge. (Psalm 101:8, Jer 21:12)

One of the greatest challenges facing the African with respect to the changes God has purposed for Africa is unhealthy mindset. There is an urgent need for the people of Africa to seek God’s help to address this. **PRAY 2 Cor 10:4-5**

- ♣ People have mindsets based on what they have experienced, seen or heard; however, the standard of God is for each member of the Body of Christ to renew their mind with God’s word to such an extent that their minds are patterned after Christ the word of God. Pray that you, your family, the Body of Christ will all conform to this standard requirement of God. (Rom 12:2; 1 Cor 2:16b)
- ♣ Mindsets do not change just by prayer without any practical efforts from the individuals; they must consciously allow the word of God to be the influence for their opinions, beliefs, views, actions, etc irrespective of the consequences. Pray that God will create the enabling practical situations for all His people round the world and work in them both to will and to do of His good pleasure. (Php 2:13; Isa 1:19)

- ♣ You are that individual, family, organization; etc who knows your experiences throughout the concluding year. Experiences that have left you shaken, exhausted and dried out in your joy for the Lord, because they have been very difficult and very trying. These experiences should not turn you away from the Lord but rather build hope in you for the coming year. **Loudly read out Rom 5:1-5 meditate deeply on it**, and thank God for all your experiences.

There have been activities in the nations which begun a season of widespread judgement. It has resulted in generalised disorder, disorganization, imperfection, and disintegration in every gate of society. After this, God will reshuffle, reorganize, restructure, rearrange, and reorder, gates of nations to create an environment for them to align with His purposes, which have been planned for this particular season (Jer 29:11).

We have seen the evidence of this in many nations. Throughout the year there has been chaos in the Islamic world termed "The Arab Spring." Strongmen have been uprooted, are being shaken or have died. Yet the Arab world is not about to experience a "spring" yet. They are poised for a season of greater shakings as the season of judgement gains strength. God is breaking the back of fundamentalist Islam.

Most of these nations have uprooted strongmen but will be replaced by fundamentalist Islamic regimes. Already, Tunisia has elected a strong fundamentalist rule. The moderate Crown prince of the Kingdom of Saudi Arabia has died leaving a host of candidates for that role in the remaining princes who belong to the ultra-conservative Wahabi Sect.

Saudi is poised for an even stricter Islamic regime. Syrian, Yemeni and Bahraini governments are being shaken by youth who are influenced by fundamentalist Islamists. Egypt is set to welcome a fundamentalist Islamist government in the coming elections.

After Col. Gaddafi's brutal death, the National Transition Council announced that Libya will adopt strict Shariah Laws and anything contrary to those laws is considered null and void. Yet in the midst of all this, the youth who initiated the "Arab Spring" have been disillusioned by the traditional Islamic ways and are breaking out into more modern ways of "Islamic evangelism" through the media and Information Technology.

The Old guard through Shariah laws are still fighting to clamp down on the post modernism that has swept through the Arab world. The tension between these two groups is set to escalate in the coming months. There is a shift in belief systems resulting to change of culture coming to sweep these nations.

The LORD has allowed these fundamentalist regimes to sit on the thrones so that they can be exposed before the nations for what they truly are. The LORD is paving the way for the revival, which was kick-started in 2008 in Ghana, Nigeria and South Africa.

Could it be that the chaos you see in various levels of family, church government economy, and any other gate of society, is the LORD's doing rather than man-made? Is this not a time to retreat both at individual level and at corporate level in order to be at the Master's feet, listening and obeying His orders?

- November is also a time to "fall to the ground and die" i.e. a time for retreat. Ask the LORD to help His Body worldwide to use this month as a season of ceasing from much activity and reflection on where we are, and where we ought to be. He alone can show you the true state of affairs and guide you into correcting what must be corrected and eliminating what must be eliminated, until everything lines up with His purposes for the coming year. Pray that as we see the reality of where we are in God's timetable, we will also ask for the grace to accomplish as much of His purpose as He will allow during the remainder of the year (1 Sam 30:8, Ps 26:2)
- During this month, take times of retreat and reflection, times of fasting and prayer, times of doing a Bible

reading Marathon and take in huge chunks of the scriptures. If the creation can sense a time of retreat, how much more you, who are called by the name of the LORD. Make it a point that at various times of the year you will retreat and recuperate in His special presence.

- This is the strongest month of this year. It is a month signifying judgement, retribution, and the calm before a season of significant shakings. If you thought that the shakings in the Arab world and in the other nations was heavy, then brace yourself for an even greater shaking. Pray Psalm 61-63. When you are overwhelmed, may the LORD will be your Refuge. Pray this for the Body of Christ in the territory.
- Present yourself as an instrument for transformation in the hand of the LORD. (Jeremiah 50:20-23)
- All creation can hear including the heavens can receive instruction so can the earth, distant lands and peoples. Ask the LORD to give you a voice which creation will hear in this season so that when you make decrees, they will be obeyed. Ask for a voice, which will speak to the heavens and the earth and the distant lands and peoples to hear and obey you from wherever the LORD has placed you and His kingdom citizens. . (Deut 32:1-4, Isaiah 49:1-2, Hos 2:21)
- Pray for individual Kingdom citizens and for the Body of Christ at large to have hearing ears, seeing eyes, perceiving hearts and understanding minds to navigate through this season. (Psa 118:13-14)
- Pray also that God will give each, the tongue of the learned to only speak the word He puts in our mouths in aiding His purposes to pull down, destroy and overthrow, and then to build up and establish what He wants in the ekklesia and nation. (Prov 20:12; Eph 1:17-18; Isa 50:4; Isa 51:16)
- As you ask for an authoritative voice pray Psalm 141: 2-3. Ask that the Lifting of your hands in prayer and worship will present pleasing incense before the LORD. Ask the LORD to keep a guard over your mouth so that you will be careful to utter only what you ought to speak. Be careful for the words that you utter as you can align or deviate individuals, organizations and territories from God's purposes. Remember you are not a local champion any more but a partner with the LORD to fulfil His purposes. **Please note:** In all things ask the key questions, "What would Jesus say? What Would Jesus do?"
- Pray that in this season of judgement you will be a sharpened arrow which the LORD can shoot forth and you will land on target (Psa 127:3-5)
- If you will become an instrument of justice and judgement in this season, remember that it is the prerogative of the kings to deal with such matter. Ask for a kingly anointing to carry out this activity. Ask the LORD to be your glorious crown in your capacity as a kingly priest. Also ask the LORD to be the Spirit of Justice to you and to all kingdom citizens who sit in judgment and a source of strength as you turn the battle at the gates Pray these through Isaiah 28:5-6.
- If you are hesitant to take your role as a judge with the LORD over affairs of nations in this season, pray through Psalm 149:6-9. It is your glory as a king to inflict judgement on kings and territories. It is also your glory as a king to unravel what the LORD has not made plainly visible in every matter that seems mysterious and incomprehensible to the average person with regard to the territory and His plan and purposes. Pray for this level of wisdom and revelation knowledge. (Prov 25:2).
- Is this the month of your birth or the birth of a loved one? Rejoice in the LORD for life. Pray that contrary to the symbolic blowing out of candles at birthday parties, from this season the LORD will light your candle. He will give you life in abundance in its fullness and richness; no matter how long or short you are ordained to live. You will live out your days and fulfil every God-ordained purpose to the glory of God (Num 6:24-26, Psa 18:28, Psa 20)

- Pray that the virtues of the 2nd and 8th month will be your portion in this season. You will enjoy a new beginning in your endeavours especially areas where you are seeking for a second chance.
- Pray that the virtues of number 11 of disintegration, disorientation, and disorganization - will also be manifest in your life. Like the pupa stage in the metamorphosis of a butterfly, any disorganization, disintegration, disorientation that has happened in your life, God will begin to bring things together to form the butterfly of beauty. You will no longer be a caterpillar which is destructive to nature, and has a limited scope in terms of vision, mobility and usefulness. But you will become a butterfly which is beneficial to nature, and has a more unlimited scope in terms of vision, and mobility; it flies high and is useful for cross pollination and beauty.
- Pray that the day of your birth is a day of blessing and joy. God will fulfill His purpose over your life and the years the cankerworm has eaten will be restored to you in any areas you were wasted (Joel 2:25)
- Your birthday is a celebration of a new year and therefore a season of jubilee for you. Pray that the virtues of jubilee will be yours. You will experience a season of repentance, it will usher in a season of acceptance especially where you may have suffered rejection. Pray that you will see the manifestation of His vengeance on your behalf where you have faced injustice. It will be a season of restoration at various levels, restitution of that which has been taken wrongfully from you, rejoicing and returning to the place of inheritance at various levels of your life. Proclaim Isa 60-61 over your life on your day of birth.

COL. KHADDAFI & ALTARS

The foundations of every throne are made up of altars covenants and gates. The altar in Bethel was speaking over 100 years after Abraham had built it (Gen 13). Jacob came upon that altar and the heavens opened to him (Gen 28). Today, more than 4000 years later, those altars still speak over Israel and Jerusalem.

Jeremiah raised an altar and instructed it as the LORD commanded him at Tahpanes (Jer 43:8-10). Those stones were a witness to Nebuchadnezzar's overthrow of Pharaoh. A prophet spoke to an altar about King who would rule over Israel and contend with spiritual idolatry (1Kin 13:1-5). More than 200 years later that altar continued to speak as King Josiah arose to fulfill prophecy (2Kin 23). The altar that Jesus Christ raised at Calvary continues to speak through all eternity.

According to ancient Eastern covenant making patterns, it takes between 3 and 25 years to make covenant. The strongest covenants are made over a period of 20-25 years through various actions and proclamations. For instance, for a period of 25 years Abraham was making covenant with the LORD. Jesus Christ was laying down the New Covenant over a period of 3 years.

There is the issue of Libyan Col. Khaddafi with regard to altars that were raised to secure the foundation of nations in Africa. In the pattern which Abraham had used to covenant the territory of Israel to the LORD, Khaddafi too did the same in Africa. Over a period of about 25 years he was systematically covenanting the continent of Africa to a god who was not Jehovah. He even took to raising altars in very strategic nations and pitching tents just like Abraham in ancient times. He began to be involved in marital alliances and consorted with specific women of royal breeding in key nations.

Only those with an understanding of covenant making would see these patterns clearly outlined in his spiritual odyssey. From the deaths he was involved in, to the utterances Khaddafi made in some nations he was making a counterfeit covenant copying the one Abram was making to secure the real estate called Israel for the LORD.

When he came to power in 1969, Khaddafi started off as a atheist socialist leader with no particular spiritual agenda. He even changed his nation's flag from its red, green and black with the Islamic crescent moon and star sign, to a plain green flag. Yet in latter years, Khaddafi morphed into a strong adherent and influence for emancipating and developing a united Africa along Islamic and tribal lines. He desired to create a superpower like the United States of America, only with Islamic principles at its foundation and himself as its head.

He assured leaders of his economic backing and fuel from Libya to give them power to break the neo-colonial hold over their nations should they face economic embargo from world powers. He was serious about emancipating the continent; unfortunately the kingdom of darkness used him. He was trying to do what Kwame Nkuruma and his colleagues had tried for the continent more than 50 years ago.

Khaddafi may be dead, but the altars speak across the continent where the Libyan president made covenants in secret and some publicly with consent of presidents and traditional leaders. It was on the supposed strength of those covenants that he declared himself "king of kings of Africa." It is the duty of the Body of Christ to render these null and void.

He funded the prophetic dedication of whole nations, state houses and presidential palaces. He sent marabouts (Islamic diviners) to walk the land proclaiming and prophesying and taking the land for his gods as they instituted Islamic altars everywhere they were allowed. He did this over and over again in various parts of Africa.

He repeatedly gathered and dedicated many traditional chiefs, emirs, kings in various covenantal rituals in a number of gatherings with them both in Libya and in their own nations. In that capacity he took a hold on the continent at tribal level.

On that strength, he went ahead to spearhead the dissolution of Organization of African Unity (OAU) which had been founded by the Pan African leaders of newly independent African nations. At that level he would go ahead and influence heads of state and the territories they governed. He started a new organization; the African Union (AU), which he funded heavily and therefore, had a loud voice in its affairs. He was key in the development of the articles of its constitution (the covenant between the Union and member states at continental level). Finally he proclaimed himself "king of kings" over Africa.

The gods who witnessed the cutting of those covenants were not Jehovah. These covenants continue to speak whether legally or illegally. For Africa to experience a real emancipation from the spiritual hold he had over the continent there are levels of repentance and breaking of covenants that must be done by a company of sons of God. You are one of them.

Jesus Christ already countered every counterfeit that this man was led to enact over the continent. Jesus Christ is the Lamb Who was slain from the foundation of the world before any other foundation was laid. His blood speaks.

Jesus Christ is the Savior and Kinsman redeemer of every tribe and tongue. He is the Tribal King of all tribal kings. He could have received that title deed of the entire creation as King of Kings and LORD of Lords.

He could have received that Title as the LORD of Hosts and every other capacity. In His plethora of titles, the LORD Jesus was given the title deed of the universe in His capacity as a Tribal King – the LION OF THE TRIBE OF JUDAH. It is in that capacity that He becomes worthy to receive all worship, all honor, glory majesty, power, praise from every nation, tribe and tongue specifically (Rev 5:9, Dan 7:13-18)

Therefore if any man is to expect to have authority of any part of the territory called the earth, He must get it through this Tribal King. If he gets it any other way, then it is null and void. His ownership of the land is overruled by the Lion of the Tribe of Judah.

- If this is true for Africa in this coming strong month, on a daily basis, declare the Kingship of the Lion of the tribe of Judah and His ownership of the piece of real estate called Africa, and that territory which you live in. On a daily basis proclaim Psalm 24, Psalm 93-100, Psa 117 and 148 and Rev 4-5.

In your capacity as a kingly priest who is ruling with God and executing judgments according to His purposes, it is your prerogative and glory to repent of, root out, pull down, destroy, overthrow every ungodly structure that lays claim to the real estate which belongs to the LORD. Then you can begin to rebuild and plant Godly structures. (Jer 1:9-10)

- Bring repentance on behalf of the Body of Christ who had been largely unaware of these schemes of the enemy as they were carried out over the past 20 or more years across the continent. (Dan 9:3-19)
 - Repent for not keeping your charge as a watchman over the walls and gates of the continent and thus death has crept into our society. (Lam 5,)
 - We did not effectively pray for the salvation of this lost leader; but were quicker to pray for his destruction and downfall. Heaven does not rejoice in the death of the wicked. God desires that all men be saved unless he decrees judgment for their stiff neck. (Ezek 3:7-9, 11)
 - Repent for the loss of a leader who had potential to turn the continent around spiritually and physically to the glory of Jehovah rather than a counterfeit spirit, had he walked in the path of salvation, rather than a counterfeit path which has led to his brutal destruction. (Ecc 10:16-17)
 - Repent of the utterances that Khaddafi made in his capacity as an African leader against Jehovah. In one particular instance, he reviled the authority of the Bible, where he publicly ridiculed it reviled the LORD Jesus Christ and his followers during a visit to Uganda. He proclaimed himself “king of kings. Those were not idle comments of a megalomaniac. They had spiritual significance. Utter the voice of the blood Jesus wherever in creation those utterances may be recorded (Heb 12:24)
 - Repent of the structures he raised that did not glorify God but caused a counterfeit spirit to rest upon the territory. He was earnest in his pursuits but he was earnestly wrong. (Ezek 33:7-11)
 - Ask the LORD to continue to expose to you and to kingdom citizens the extent of bondage Khaddafi may have entered the continent into. Also ask Him for the wisdom of what you ought to do with regard to prayer action over those areas.
- Declare that Jesus Christ is the King of kings and LORD of all Lords. He became worthy to receive those titles for the price He paid for all creation’s redemption. Blot out from every part of creation where Khaddafi may have been registered as a king of kings. (Rev 19:11-16)
- Declare that Khaddafi, and the spiritual principalities which he represented can never lay any foundation for the continent of Africa. Jesus Christ is the only Foundation for Africa. (1Cor 3:11)
- Declare that there is no other sacrifice which was made by men which can atone for, redeem or purchase the real estate that is called Africa and all that is in it, except the blood of Jesus Christ. Utter the voice of the blood of Jesus to nullify and blot out the voice and counsel of every other blood that has been shed to an ungodly purpose (Psa 24:1, Rev 5:9, Col 2:14-15, Heb 12:24)

- There are those who are appointed custodians to whatever Khaddafi's agenda was. Declare Job 18:5-21, Psalm 55:9 ask the LORD to divide the tongues that gather to dedicate the continent to a god who is not the God of heaven. Africa must not endure another cycle of 50 years in the wilderness. Africa and all that is in her must enter her jubilee in all its expressions.
 - Pray through Isaiah 44:23-26, and ask the LORD to overturn every wisdom table, and render every ungodly covenantal bond into foolishness. Many covenants were made in secret. Pray that in these coming days, the LORD will expose every thing that was done in the covering of darkness so that it is seen in the light.
 - Pray that legislation made in order to enable Khaddafi's plans to take off, will be reversed as kingdom citizens take their position in prayer like in the days of Esther and Mordecai. Pray this for every contract that was signed to give unfair advantage to Libya and Khaddafi or his appointed custodians (Est 8:1-10)
 - Pray that Khaddafi's ungodly hidden agendas will be exposed and the LORD will raise wise technocrats to deal with them (Est 8:1-)
 - Many African leaders signed off portions of their land in order to have personal gain in cash or kind from this wealthy African leader. They therefore initiated activities, parcelled off land and national assets at his disposal. Pray for the blockage of every ungodly activity that has commenced or is in progress that its path filled with thorns and that it shall be reclaimed by the nation (Hos 2:6, lam 3:7-9).
 - Pray that the LORD will hedge any fomenters or custodians in, so they cannot longer go out. Create a wall around and ceiling above to silence those voices; and every demonic favour that was upon Khaddafi and his custodians to work contrary to the kingdom purposes to be broken.
 - Speak to the earth to hear the word of the LORD that every libation, that was poured out, every token buried in it, every blood poured out, every planting that has been made in it, and every altar that has been raised from it to be vomited out as the earth rejects everything that was anti-God and came from Kaddafi and whatever spirit he represented. Reject every sacrifice made and every human blood poured to strengthen and fortify those ungodly altars. Pray the same for those who partnered with him to gain from these agendas (Jer 22:29-30)
 - The earth is the LORD's and everything in it. The title deed for all the earth was given to the Lion of the tribe of Judah who is Jesus Christ. Only in that capacity could He open the scrolls. No man who is contrary to His purpose can deign to own any part of the earth. Declare to the earth that it belongs to the LORD. The territory you are in belongs to the LORD Jesus Christ, the Lion of the tribe of Judah. Only those who are his can own the earth and all that is in it provisionally and conditionally.
 - Declare that the prophetic word given for 2011 that any wealth which he and his custodians and partners gathered in wickedness, will be transferred to the righteous, matured sons, for purposes of the Great Commission and redemption of whole territories.

Those who bothered to observe him objectively will appreciate that Khaddafi was a leader who desired to see the emancipation and unification of the African continent. He is one of the few leaders, After Kwame Nkurumah, who endeavoured to bring together leaders in Africa to closer socio-economic ties.

He started many projects at continental level, which were aimed at bringing development, self-sustainability, food security, sufficient water and sanitation in the Sahara Desert region, sufficient housing, education etc. He is one of the only leaders who endeavoured to provide basic necessities for the Libyans free

or at lowest cost. He is one of the only leaders worldwide who carried out trade on behalf of his nation. He developed Libya and was one of the only leaders who provided insurance for every Libyan. He had the welfare of the people at heart despite his negative spiritual leaning.

- Pray that the LORD will raise once again, leaders of Khadaffi's progressive calibre; leaders who are genuinely out for the general welfare of the people and will therefore seek the LORD for wisdom like Solomon did, to guide His people. They will develop strategies that bring sustainable development in every gate of society and will eventually dedicate their territories to Jehovah and deal with every ungodliness. Such leaders will be the LORD's instruments for true transformation in the continent.
- Pray that they will pursue Jehovah's purposes and be surrounded by advisors who are full of the Spirit of Wisdom.
- Pray that they will remain submitted to that wise counsel rather than act in rebellion or choose sycophants.
- Pray that they will bring their nations and territories into the fullness of the Jubilee season which Africa has begun to walk in.

PRAYING FOR NATIONS

Israel

- Israel is poised for a season of increased tension. She is no longer sure of her allies in the Middle East and Arab world in general. There are increased calls for her annihilation by Iran. Palestine has continued to lobby for a Palestinian state hiving off a portion of Jerusalem as their capital city. Pray for Israel in this season Psalm 46 will be real to them. Ask the LORD to send companies of angels to guard the borders of the land.
- In October a historic exchange took place between Israel and Palestine. Gilad Shalit who had been kidnapped five years ago by Palestinians was finally released to Israel in exchange for 1027 Palestinian held in Israeli prisoners. This was one instance of the fulfilment of Isaiah 43:3-4, 49:13-16 where God reveals His special favour of Israel. Praise Him for releasing this young man and for displaying His prerogative as Creator to have Israel as the apple of His eye.
- Pray for the Israeli economy. There is increased tension in the land with a stretched economy and more Jewish people making Aliyah, with the regional tension and trade getting affected in various ways especially with nations which support the creation of a Palestinian state.
- Pray that Jehovah Jireh will be a sure provider to the nation at such a time as this. As you pray for Israel, may the LORD remember your own economic challenges.
- Pray for the key decision makers in Israel, the American President and other stakeholders that the LORD will give wisdom with regard to the volatile situation between Israel and the nations that surround her.
- Enquire from the LORD what specific prayer you need to pray for Israel so Israel will fulfil all God's purposes concerning the redemption of the people of African extraction. (1 Sam 23:2a,4a)

Elections

- Egyptian parliamentary elections will be held this month following the revolution which ousted long time president Hosni Mubarak. Pray that the Body of Christ will be sensitive to the move of the LORD over that nation as people go out to cast their vote in the what will be considered the first "free and fair" election in

nearly 25 years.

- Election day in the United States commences early in November for various federal offices
- Spanish general elections 20th November 2011. Pray that the LORD's leaders will be selected for office.
- New Zealand Referendum on the voting system and parliamentary elections will be held on 26 November. Pray that the process will bring forth the LORD's agenda and leaders who are after His purposes will be achieved.
- DRC First round of Presidential and legislative elections 27 November 2011. Failure to elect the president in this first round, a run off will be held on February 26 2012. Pray for a clear lead so that the LORD's jubilee leader will be chosen to rule that nation in the coming season. Pray for peace and transparency and righteous electoral practice. There has been complaint of rigged elections before until the people are disillusioned and feel no need to go out and vote since their rights at ballot box will not be respected. Pray against this disillusionment and a desire to arise and still conduct their duty especially kingdom citizens.
- Guatemala run off elections: Otto Perez Molina won the General elections but not by the 51% vote so a run off is expected this month. May the LORD's man win to lead that nation into her destiny in this season.

- Guyana Election Day is on 28 November 2011.
- Nov. 12, 2011: Denmark's parliamentary elections
- Nov. 24, 2011: The Gambia's presidential election
- November 2011: Nicaragua's presidential and parliamentary elections
- November 2011: Croatia's parliamentary elections
- November 2011: Marshall Islands' parliamentary elections
 - Pray for each of these above nations that there will be peaceful elections and many people will turn out to cast their vote even in areas where righteousness has not been the norm in the past and rigging was rampant.
 - Pray that the Body of Christ will not only pray but will go out and also encourage people through civic education, to be involved in the entire process of choosing leaders.

National Days

1 November, Algeria start of independence war, 1 Nov Antigua & Barbuda, 3 Nov Dominica independence day, Panama Independence day, 18 Nov Latvia Independence day, 22 Nov Lebanon independence day, 3 Nov Micronesia Independence day, 19 Nov Monaco National day, and independence day, 9th Nov Cambodia Independence day, 11 Nov Angola independence day, Poland independence day, Albania national day 28 Nov, 30th Nov Barbados independence day, 25 Nov Bosnia & Herzegovina statehood, Suriname independence day, 14 Nov Myanmar national day, 28 Nov Mauritania anniversary

- Pray that each of these nations focuses on their respective national days, God will cause there to be a birthing of His specific purpose as they enter their new years as independent nations.
- Pray for the move of God within the body of Christ in these nations to grow in stature, wisdom, and as a voice of reason and direction at various levels of national life. Pray that where the voice of the church has become obsolete or very obscure, God will cause there to be an injection of His authority in the body.
- Pray that as the nations celebrate another birthday, they will also grow in wisdom and recognize where they have walked in rebellion toward God in the past, so they can begin to return to Him as He prepares

them for the coming worldwide revival.

November Celebrations

All Saints and All Souls Day is celebrated in honor of the dead on 1st & 2nd November. By this, the mysteries of the grave involving familiar spirits are activated – platforms for the devil to pollute, defile, manipulate and oppress people.

- Command the gates of the 1st and 2nd days of the month to be lifted up unto the LORD and let the king of glory enter and take possession of them and use them to His own glory. (Ps 24:7-10)
- Render null and void every occult gathering which intends to draw powers from the kingdom of darkness during these days. Pray that those who are being preyed upon and targeted as a human sacrifice for many of those rituals that take place during those days, will be delivered from the snare of the wicked. Pray that their deliverance will turn them to Jesus Christ the Redeemer.
- God abhors all dealings with familiar spirits, which defile men, and provoke Him to anger. Ignorance and deception is the root of such celebrations. Pray that God will expose the root of these celebrations completely and the ignorant will be saved (2 Ki 21:6; Hab 3:13)
- **Proclaim Ps 91 and Psa 118:15-18** for the preservation of God's people against the onslaught of the spirit of death during these days.

PRAYING GOD'S PATTERNS IN THE HEAVENS

Lunar Phases

The teaching on "Understanding the heavens" is insightful to the knowledge about the visible firmament God called heaven (Gen 1:8). (Download from our website or make a request for the email attachment.). **Astrology** (involve horoscope, palmistry etc) is a belief system, which claims that human affairs are correlated with the positions of celestial objects. This is **NOT** founded on God's word, it is demonic.

- Pray for yourself and for all who are addicted to horoscope and the like, especially members of the body of Christ who determine the course of their daily lives based on it instead of, on God. Ask God to deliver them from that addiction. (1 Tim 6:20-21)

November marks the eleventh lunar season of the year 2011. THE MAJOR LUNAR EVENTS OF SIGNIFICANCE IN THE HEAVENS ARE AS FOLLOWS:

Crescents and Quarter Moons (Sickles & Bows respectively)

The first quarter moon for November is on the **02nd November 2011 @ 16:38 UT**. The last quarter will be on **18 November 2011 @ 15:09UT**

Notice that the lunar activities for this month fall during the "All Hallowsmass." Many occult covens will be active and for these days they make incantations and give instruction to the moon to do their bidding and spew out their evil agenda. But we have established that the earth is the LORD's.

- Command the heavens to declare the glory of the LORD Jehovah alone. (Psa 19:1, Rev 4:11)
- Command the moon to reject every instruction given to it and every prognostication and manipulation will be rendered into foolishness. (Isa 44:24-25)

- Speak to the moon to smite by night all the wicked who try to use the sickles and bows for wickedness but command it to yield its best for the righteous. (Psa 121:6, Deut 33:13-17)

The full moon is on the 10th of November 2011 @ 20:16 UT

The full moon at the exit gates of the Gregorian year is an opportune occasion for the agents of the kingdom of darkness to gorge themselves with evil in preparation for the crossing over into a new year.

Pray that while the agents of the kingdom of darkness engage themselves in evil, the legitimate representatives of God on earth must equally fill themselves with the fullness of him that filleth all in all, Jesus Christ the Word of God, so that they can counteract the evil of the agents of darkness in the coming year. (Eph 1:23; Col 2:9)

- Command the full moon to do its bidding and mark the seasons accurately as ordained in the beginning. (Psa 104:19-20, Psa 136:8)
- The full moon causes the ebb and flow of waters causing the tides to rise and fall. The earth is more than 70% water and so is the human body. The full moon influences the waters of the human body. That is why during the full moon the bodily and emotional responses are heightened. Pray that during the full moon, the moon will not strike you in an untoward manner, but it shall yield its best for you. Pray this for the Body of Christ and your territory.
- In this season when the heavens speak of redemption preceding judgment, pray that those who are prone to worship of the moon will begin to sense the One who created the full moon and seek to worship Him – Jehovah.

The new moon that ushers in the new month will be on the 25th November 2011 @ 06:10 UT. It will occur during a partial Solar eclipse. It shall be visible in Africa, Antarctica and Tasmania.

An **eclipse** is an astronomical event that occurs when one celestial body moves into the shadow of another. The moon's shadow will partially cover the earth during this partial solar eclipse because in a solar eclipse, the moon becomes the obstacle that blocks the sun's rays from reaching the earth.

- ♣ Present all the families, the Body of Christ and nations of Africa, Antarctica and Tasmania to the Lord. Whatsoever deities, agents of darkness, situations, circumstances, etc that has become the obstacle blocking the illumination of the word of God from their hearts and minds, ask the Lord to arise and scatter it so the people will be illuminated. (Ps 68:1-2)
- The new moon is a gate into a new month. Declare that the gates of the new moon be lifted up so that the King of glory may come into the new month.
- Prophecy into the new month which will be the last month of the year 2011 and declare that the gates of 2011 will ensure that all that you do not withhold or close out any of God's purposes for this year before it comes to an end.
- At the new moon pray that the LORD will give you more strength, more grace to work harder and accomplish all of the purposes especially in areas where you may have lagged behind.

- At the Cross the LORD Jesus Christ dealt with any occult powers drawn from the heavens experienced a black out – a total solar eclipse. The kingdom of darkness could not channel the heavens to draw power or manipulate it for their unfair advantage. During the new moon, there will be a partial solar eclipse. Speak to the heavens to do the LORD's bidding during those days. Command the stars in their courses to fight against every agenda of the kingdom of darkness, and to give a total black out to those who dabble in wicked arts related to the heavens. (Judge 5:20).

Solar Movements

On October 21 the sun entered a group of 51 stars in the constellation called **Libra** symbolized by the scales. It remains there until 22 November. This reveals the Redeemer's atoning work or the price deficient balanced by the price which covers.

- Pray that the LORD's atoning and redemptive sacrifice on the cross will continue to speak on behalf of as many as He has chosen for salvation in this season. Also pray that there will be a reviving of those who had backslidden for any reason. Pray, that the price that was paid will indeed cover so that the angel of judgement will pass over you, the Body of Christ and your territory in this season of judgement.

Libra also symbolizes the scales of justice and judgement. Indeed the LORD's word spoken in the beginning of the year concerning redefining the thrones of Africa and it being a year of judgement of thrones continues to unfold.

- Refer to the October prayer guide for continued prayer with regard to the Sun's location in Libra which will continue for a larger part of November. Declare the LORD'S justice and judgement from the heavens in affairs of nations and territories even as the heavens declare. (Job 9:1-13)

The sun will remain in Libra until November 22 when it makes its circuit through the heavens, and passes through a cluster of 44 stars in the **constellation called Scorpio symbolized by a scorpion**. This represents Jesus as the Redeemer who goes through conflict with the enemy in order to redeem His people.

- Pray that God will use you, His instrument of transformation in this coming season of conflict with the enemy in order to bring redemption. Pray for the Body of Christ at large for a spirit of increased evangelism in this season. As trials increase many are losing hope in all they had held onto as their hope. May the Body of Christ arise to reveal Jesus Christ as the only HOPE of the nations. (Col 1:23-28)
- Have seasons of praise to the LORD who is forever the Savior of the entire creation. The heavens remind us of this most important role that all creations awaited and was so effectively achieved on the greatest altar ever erected at the Cross of Calvary. Ask the LORD to give you a fresh revelation of the Cross and how to continually and daily bear your cross as you emulate Jesus Christ. Pray this especially for every kingdom citizen in the nations (1 Cor 2:5-9, Phil 3:7-12, Col 1:15-22, 5:5-9)

The other three smaller group of stars called decans that form part of Scorpio describes the conflict in detail. **SERPENS and OPHIUCHUS** represents the struggle with the enemy.

Throughout His passions from the betrayal, the last Supper, to the intercession at Gethsemane, the false accusation and torture at the hands of Pilates soldiers and the Via Dolorosa to the Cross the LORD Jesus Christ was contending with the enemy in an mortal combat. He wrested from him the keys of death and hell.

GLOBAL APOSTOLIC & PROPHETIC NETWORK MONTHLY PRAYER GUIDE

www.gapnetwork.org

He led captivity captive and released from eternal bondage the entire universe. All creation breathed a sigh of relief as the First fruit among many brethren, a matured Son was made manifest to release creation from the bondage it had suffered since the fall of man. (Rom 8:19-20)

It is a season to join the heavens and all of creation as they declare the glory of the LORD in His capacity as our Kinsman Redeemer, as our Savior and Deliverer, the First fruit among many brethren, the Son who has given all who believe the power to become sons of God. (John 1:12, Heb 2:9-18)

- Pray that the LORD will help you grow in areas where you are still being spiritually childish, oversensitive, or irresponsible or unaccountable. The LORD is looking for matured sons who will be useful stewards for the LORD's estate. If you are to be an instrument of justice and righteousness then you will need to be mature and responsible with an understanding of your legal authority as a kingly priest before the LORD. Pray that your territory will not be ashamed before other nations because you and other kingdom citizens in the territory are matured sons who will contend with every enemy at the gates Pray that you will grow up and become such a son who will partner with the LORD in the Great Commission especially as the year comes to a close. (Psalm 127, Jer 49:1-2, Gal 4:1-3.)
