

PRAYING THROUGH THE MONTH OF NOVEMBER 2012

November derived its name from the Latin word “Novem” meaning nine (9). Although it was pushed to the 11th month when January and February were added to the Roman calendar November retained its name. Therefore this is the eleventh (11th) month according to the Gregorian calendar.

The month of Cheshvan ends on 14th November commencing the 1st of Kislev 5773 at sundown of the same date. So this year November will straddle the second (2nd) and third months of the Jewish civil calendar and the eighth (8th) and ninth (9th) months of their sacred calendar.

October, November and December constitute the last quarter of the year following the Gregorian calendar. It is the fall season moving into the winter. Except for human activity, the rest of creation is drying up, dying away or preparing to go into hibernation, rest and recuperation for the coming winter period. Hibernation is a time when various creatures go into an almost zero metabolic rate and are comatose.

It's the season for “the seed to fall to the ground and die” (Joh 12:24). Only the barest necessities for survival remain and minimal energy is utilized.

During this period, there is heightened spiritual activity for both good and evil. It is a period where in history quite a lot of blood has been shed. e.g. the Russian and French revolutions which resulted in mass deaths, the First and Second World Wars, all started during the last quarter of the year.

After the diabolic Halloween in the end of October, on the 1st & 2nd November in particular “All Saints” and “All Souls Day” is celebrated in honor of the dead (All Hallowmas). This is the satanic new year. This is the time of what is referred to as “black sabbath.” Also during these days there are increased festivals of the dead and death, necromancy, séances, covens at graveyards.

All these have to do with activation of mysteries of the graveyard to control, manipulate and oppress people while the practitioners of these demonic celebrations gain unfair advantage in every area of life; especially in business.

In some nations especially those ravaged by frequent death through AIDS pandemic, civil strife and other misfortunes, it has become tradition to clean grave yards and cemeteries.

In all these activities it is the duty of the Body of Christ to command life in the heavens and the earth.

PRAYING THROUGH THE MONTH

- Proclaim Psalm 148 commanding all creation to praise the LORD at the gates of this new month.
- Declare Jesus LORD over the month. Command the lunar and solar gates of the month to be lifted up unto the LORD of Hosts and let Him enter and take control of the month so the every day of this month will utter forth the speech that declares only His praise and glory, and reject every other voice that instructs them to do otherwise (Ps 19:1-6, 24:7-10).
- Praise God for the promise of more abundant life, for fruitfulness in every endeavour during this month that symbolizes these virtues. Pray that the fruit for the 6th, 8th and 12th months from the tree of life that was assigned for this month will be released into your life, the church, nation and continent (Rev 22:2).

- Use the words the LORD has given you to prophesy into the womb of this month what this new month shall bring forth for you, for the body of Christ, for the work of your hands and for the territory you live in (Isaiah 51:16)
- Are there prophetic words that the LORD has released to you in this season? If they speak them into your life, where there are contrary occurrences to what the LORD has prophesied, speak His truth against the circumstances. Let God be true through your proclamations.

Many individuals, congregations and nations are in a defining season. The most important activity to take in such a season is to know the LORD more and to hear Him more clearly. There are many decisions to be made in this season. As you draw to the end of the year and strategize for the next, there are many decisions to be made, you are at cross-roads and sometimes at cross-purposes.

- Pray that you and the Body of Christ at large will cease from much activity and take substantial hibernation in fasting, prophetic prayer into coming times, knowledge from the Word of God, to make defining decisions for the coming season. (Dan 2:21-22, Gen 41:33,39-40, Joel 3:1-3, 1Kin 3:9, Prov 8, 10:13, 14:6,)
- It is another season for hibernation. Creation understands that there is a time for a sabbatical, a time to rest and recuperate, a time to rebuild depleted resources to get in touch with their nature and their Creator. That way they have kept that original decree to multiply and replenish themselves. Only man defies this very biblical pattern that was set by the LORD. Do not be one of those who will be rebellious. You may not be able to take physical time away, but you can retreat in your spirit man during this season by the following:
 - Reduce your information intake and limit it to consuming more of the Word of the LORD. Read large chunks of scripture rather than watching TV or listening to the radio or reading newspapers. The LORD is so faithful He will ensure you receive every information you will need during this season.
 - Spend quality time in song ministration and prayer to the LORD, pray at specific watches during this period
 - Have fellowship with people who will help you grow in the word and in Biblical doctrines; this includes reading literature to this end.
 - Throughout the year you have heard much. You have spoken much. It is time to begin to slow down and digest all that information. Pray and ask God the following: What is the LORD speaking for the next year? What does 2013 hold for you? What does it hold for your family? Your business or ministry? The Body of Christ? The nation? God is faithful to answer questions pertaining to His kingdom agenda without fail.
 - It is time to listen to God's strategy. Spend time in silent meditation and create an atmosphere of listening to the LORD for feedback every so often. Ask the LORD to open your ears this coming month so you can hear what He is saying and His purpose and plan for each moment. Pray that you will also have the grace to humbly obey each time you hear His voice. (Isa 50:5, Isa 30:21, Prov 18:15, Mic 6:6-8)
 - Participate in fasting as a way of waiting upon the LORD where possible.

Fast from 1-21 November 2012

The LORD has directed that as many as will, to join us in a 21 day fast commencing on 1-21 November 2012. The passages for the fast are as follows, Psalm 5, 11, 12, Isaiah 19 especially vrs 6-7,22-25, Isaiah 22, 60, 61, Luke 4 especially V18. The purposes for the fast are as follows but not limited to:

1. It is a season of laying new foundations for attitude and character. God wants us to be detribalized, denationalized and de sectionalized.

2. Those who will fight against His purpose will be dealt with.
3. For you, whatever is supposed to be your foundational gifts- traits, principles, practices, these must be made manifest.
4. It is time for God's program for your life to be revealed.
5. He wants you to get to the place where you will understand His purpose for your life.
6. He will unveil your purpose to you if your will wait on Him.

The fast will take on the following patterns:

- 1st-11th Nov- do the regular fast but break in the evenings with a light meal
- 12th- 18th Nov- do the regular fast but break in the evenings with fruits and vegetables
- 19th-21st Nov- do the regular fast but break in the evening with honey and water (for those who are allergic to honey you may use another sweetening substitute which the LORD will lead you.

Read Psalm 19:7-14 and pray this for yourself and the Body of Christ with regard to your times of Bible reading, study and meditation these coming days:

- Pray that as you look into the perfect law of the LORD this month, your mind, conscience, will and emotions (soul) will continually be converted and transformed to reflect His Word.
- Pray that the testimony of the LORD through His word will make you wiser in any area where you have lacked wisdom or have been ignorant or simple
- Pray that the statutes of the LORD which are right will bring increasing joy to your heart, especially where you have been heavy of heart or have lacked joy (Neh 8:10)
- Pray that the true and righteous commandments of the LORD will expose any areas where your life and the Body of Christ has not displayed the patterns of His foundations which are righteousness and justice (Psalm 89:14, 97:2)
- Pray also that the LORD will give you a greater revelation of His imputed righteousness in your life so that you may walk with a clearer identity of who you are in Him. (Rom 1:1-17, 5-6)
- Of the seven Spirits of the LORD which are mentioned in Isaiah 11:2, King Solomon lacked only one; the fear of the LORD. It is this lack of fear and reverence of God that drove Him to experiment with ungodliness, to institute idolatry in Israel yet he had been one who had built the magnificent temple to the LORD. Pray that The fear of the LORD will be fanned into flame in your life. It is out of this fear that wisdom and understanding, revelation knowledge will spring forth from your life and the Body of Christ at large. Pray especially that as you take time to retreat and hibernate, these virtues will begin to grow in you more and more.
- Is this the month of your birth? It is a new season and a time to activate the jubilee blessings upon your life. Pray that the jubilee characteristics will manifest in your life as you celebrate a new year. These include restoration of lost inheritances, reconciliation in relationships, restitution of what has been stolen from you, positioning for return to your inheritance in every area of your life and the favor of the LORD upon your life in your new year.
- This is month, we will enter Kislev, the 3rd month of the Jewish civil calendar. The number 3 represents among other things, Unity as in the TRINITY; it also represents the mystery of a three-fold cord which cannot be easily broken. The body of Christ is in a season where God is seeking for the expression of this unity of His kingdom here on earth. Pray that during this month, you will become a conduit for the unity of the Body rather than a divisive factor.
- Repent where you have brought discord and disunity among brethren by ignorance, pride or even by doing the right thing in a manner that divided rather than united. Sometimes it is not easy to see yourself as one who brought division except the Holy Spirit reveals to you in a

season of protracted waiting upon the LORD. May this season be one where you draw closer to the light of the LORD and see yourself as you truly are before Him.

- We are entering into times of great challenge to many. Unity will be a key element which will hold many families, congregations, ministries and companies even nations together through the times of trouble. Reflect on the characteristic of Unity in this month. As you fast and pray for the specific areas the LORD is revealing, pray that you will be an agent of unity, the body of Christ in your territory will be an agent of unity. (Lam 3:40, 1 Cor 6:17, 2 Cor 3:5, Psa 119:59, 139:23-24, Luk 9:23)

This month we will enter the 9th Jewish Sacred calendar month Kislev. The number 9 is the **number of "birthing"** (It takes nine months from the date of fertilization in the womb to give birth to a human being). Number 9 is also one of the **numbers of finality or judgment**, the judgment of man and all his works. It is also the final single-digit number before the multiple-digit numbers 10 and above.

- The fruit of the spirit love manifests in 9 graces; Jesus said "by this shall all men know you are my disciples - if you have love one for another." There can never be unity without love. There is a way that SOME know you are a disciple of Jesus Christ by other means. However, if you will have ALL men know that you are His disciples whether in the family, Body of Christ or nation; it is when you display unconditional love to all. Ask that God will give you grace to continue nurturing the fruit of love into full expression in this season that unity in the Body will be made manifest (Gal 5:19-22, Joh 13:34-35, Rom 13:8-14, 1Pet 1:22-25, 4:7-12)
- The burden of love is to be able to love after the other party has shown up their worst. That is unconditional love. It comes from the Father who is Love in its full expression. He loved us while we were sinners. We can dare to love like He does and leave the rest to Him. It is impossible with man and with our capacity, but God through His Holy Spirit (whose fruit is love) can nurture that seed in you, your family, Body of Christ, race/tribe, organization or nation. Ask for a greater expression of love for those who have offended you. (Rom 5:8, Joh 3:16, 1Joh 3:16, 4:10)
- Pray that during this month the Body of Christ will birth life giving systems and processes. As you come to the end of the calendar year you need to prepare for the next season. Time to pray for an incubation of these systems and processes which will bring life, redemption, transformation in the family, body of Christ, workplace and territory.
- One of the Akkadian words for "kislev" means "The month of dreams." Is it not a wonder that this is a season that creation prepares for hibernation in the northern hemisphere? A time to retreat and meditate, plan and dream into the days to come. Pray for God given dreams, visions concerning His plan for your life, family, the Body of Christ and territory in the days to come.
- Joy that comes after birth. The process may be painful but the outcome brings joy. Pray for this in this season. The things that God is birthing will bring joy and rejoicing. They will bring atonement and redemption. They will bring deliverance from bondage and affliction, and they will bring prosperity and abundance
- Pray that during this season of judgement, you will gain a deeper understanding on how to execute the judgment of the LORD in your territory and to become a true legislator of His Parliament.

This is the 11th month of the Gregorian calendar. Eleven represents *disorder, disorganization, imperfection, and disintegration*. (2 Kings 23:36, 24:1; 2 Ch 36:5, 6). It is also a number that has to do with divine judgement. With regard to the intense activities of this new season, there may seem to be disorder, disorganization, imperfection and disintegration.

- Pray that the Holy Spirit will take a prominent position in your life and in the Body of Christ. A close walk with Him, asking for His direction and leadership will make the difference between disorder, disorganization imperfection and the opposite influences of order, organization, perfection.
- The Holy Spirit dwelling with us and brooding over our lives will bring order in any season of chaos and disorder and disorganization. The effect of the Holy Spirit's brooding is found in Genesis 1. Where the earth was formless and void, the Holy Spirit brooding over it brought about illumination, order, life and form. This will only come as we spend time in deliberately abiding in the LORD actively during this month. Order will begin to take form as you do so.
- Read Romans 8:28-30. Between justification and glorification there is a season of somewhat disintegration and disarray. This is that season. Between "it is finished" and "He is risen" there was a process of dying and disintegrating. It is a difficult process. Between the conception and the birthing there is a season of significant changes. The unseen work of the Holy Spirit in creating that which will be brought forth takes a toll on the body, soul and spirit. Before He rose, Jesus Christ did the secret work of descending to take the keys of death and hades, set captives free, release the gifts to sons of men before anyone could say "He is risen". Pray that in this hard season of between conception and birthing, this season of disorder and disorganization God will help to understand the process and how you ought to pray through it and even help you to even enjoy the process (2Cor 12:7-10, Matt 5:11-12)
- Pray that you will not confuse the caterpillar or the chrysalis for the butterfly. These are two very different creatures in the stages of metamorphosis. Yet it takes a season of disintegration of the caterpillar for the transformation to take place and the butterfly to come out. Do you see destructive caterpillar tendencies in and/or around you? Thank God for the potentials of a beautiful butterfly that are in the caterpillar or chrysalis you see in your life, in the Body of Christ, in leadership, in your territory.
- During this month, on every weekday of your birth (if you were born on a particular weekday, that is the weekday of your birth), pray that the LORD will manifest the fruit of the 3rd, 9th and 11th months in your life. Pray that the leaves of the tree of life during these months will bring healing in every area of your life that needs healing (Rev 22:2).

PRAYING FOR NATIONS

Israel

- Israel is preparing to protect their nation against nuclear attack from Iran and have been considering a pre-emptive strike on Iran. Pray that in this season the LORD will arise and give wisdom to Israel's government and leadership on how to handle the situation with Iran and the other Middle East nations around in this season of disintegration of old Middle East regimes, chaos and disorder brought on by the Arab Spring revolution; (Psa 121)
- Pray for the peace of Jerusalem and prophecy concerning the city that it shall never be divided (Psa 122)
- Pray that during this season of great tension,, Jesus Christ, as Jehovah Shalom will appear and reveal Himself to many who are struggling in such a tense atmosphere in the land both in Israel and in the Middle East at large.
- Many Moslems have traveled for the Hajj seeking deeper devotion to God. Just like Paul before he became Saul, they pursue righteousness but its in error. Pray for many who are diligently seeking the LORD will indeed find Him and come to a place of salvation and deliverance from bondage of their present religion

 - Pray that in each of the above nations the LORD will initiate seasons where the hands and knees that are weakened in the Body of Christ, with regard to the Great Commission; will start to gain strength and encouragement to carry on this great work (Matt 28:18-20)
 - Pray for the women and youth in these nations that in this season when the LORD is raising from the Body of Christ, Esthers – women political leaders, Deborahs – women educationists and Lydias – women in business, that indeed the LORD will stir up these gifts in women in these nations so they will boldly do what God is asking of them to become mothers, deliverers, nurturers in leadership, education and business within their territories.
 - Pray for the youth of these nations. Many seem to have no direction and no Fathers to guide them. Pray that the LORD will move in a special way to show these young people that indeed they can find their identity in Him, and in His fatherhood where earthly fathers may have come short.

Albania

Albania has entered a second Jubilee season. This month they celebrate 100 years of independence from the Ottoman Empire.

- Raising up of matured sons of God in the land upon whom the Spirit of the LORD will rest, who will redeem creation from the bondage it has been held under (Heb 2:10, Rom 8:19-22)
- Raising up of strong prophetic voices who hear clearly from the LORD and act on what He has said to combat the levels of spiritual idolatry gripping the land. (Deut 18:9-18)
- Release from religious bondage, release from physical slavery still practiced in the land
- Restoration of redemptive destiny of that nation.
- Restitution of that which the enemy has stolen over many years with regard to human and natural resources, comparative advantages of the nation and opportunities for the gospel to reach the nation effectively, land and resources that have been grabbed by corrupt leaders.
- Return of those whom the earth in the land has vomited out of the land to be refugees in other nations.
- Repentance: Seasons of quality identificational repentance to be raised by the body of Christ in that nation for the sins of the nation, especially spiritual idolatry, rejection of the gospel, shedding of innocent blood, destruction of natural resources in the land (Psa 51)
- Declare that it is the Year of the LORD's vengeance against the works of the enemy stealing killing and destroying thru ignorance, corruption, spiritual idolatry bloodshed and sexual immorality (Joh 10:10)
- Declare that it is the year of God's favor upon the body of Christ in that nation. May the jubilee year be a season of unprecedented harvest of souls into the kingdom of God (John 3:16, 1 Tim 2:1-4).

Brazil

Brazil has appointed the first Brazilian of African extraction to the supreme court judge. Judge Joaquim Barbosa, who was born into a poor black family, has been praised for his judicial independence. Brazil has the largest black population after Nigeria. Many are descended from African slaves, but black people rarely achieve high office.

- This is a year of divine governance. One of the redemptive gifts of Hamitic people is governance and leadership. These have been corrupted and the counterfeit, which is slavery and subservience have been evidenced because of sin. Therefore Hamitic people among whom are people of African extraction have not walked in this grace. Using Judge Joachim as a point of contact, pray that in this season when God is raising the Hamitic people, the last man in the relay of the races, the spirit of good governance will be evidenced in their term in position of leadership especially those in prominent positions.
- If God is turning around the face of Africa and bringing the season of the black man forth, and as more and more African people become kingdom citizens, pray that all the virtues that were lost to the Hamitic race will begin to be displayed with greater and greater accuracy as we move further and further away from the counterfeit expressions.
- Pray that this man will set lasting foundations for righteousness and justice which lack in Brazil and South America at large. The patterns that he sets forth will be used to bring South American justice systems to a place of transformation.

Paraguay

There are the beginnings of a Holy Spirit revival in Paraguay. Paraguay entered her 200th year of independence and the 4th jubilee season was ushered in with a wave of unrest and climatic challenges. This moved the Body of Christ to begin to pray over the land daily in chain prayer for an extended period. People come together in prayer every morning for some months now and the president who has never come for any meeting of Christians started to attend the prayer meetings and called for continued prayer for the land.

- Pray that this move of the LORD over Paraguay will continue to grow and expand and spill over into the rest of the region in South America.
- Pray that the body of Christ will not rest but will continue to gain wisdom and understanding to take their influence further and disciple the nation into following biblical patterns in every gate of society especially in leadership, governance and legislations and laws of the land.

Mauritania

Pray for Mauritania which celebrates a national holiday this month. The president accidentally shot. Pray that the LORD will speak clearly concerning His purpose for the nation in this season. Also pray that the LORD will begin to change the spiritual clock to align with His kingdom because the nation is currently strongly Islamic and has been persecuting Christians and missionaries in the recent season.

National Elections

- November 6 2012 United States Presidential Elections
 - November 6 2012 Palau Legislative Elections
 - November 6 2012 Puerto Rico Referendum & legislative elections
 - November 17 2012 Sierra Leone Presidential & Legislative Elections
 - November 22 2012 Nepal Legislative elections
 - November, 30 2012 Madagascar Presidential and parliamentary
 - November 2012 Palau Presidential Elections
 - November 2012 Romania Parliamentary elections
 - November 2012 United States Legislative elections
- Pray that especially those who call on the name of the LORD will turn up to vote in large numbers. If one does not participate in electoral selection of leaders, they really have no legal authority and no voice in the physical and spirit realm with regard to the legislation of the territory. Therefore pray that kingdom citizens will turn up to exercise their authority to employ the leader of their choice. God takes the action of voting very seriously. (*Ref: The Strategic Voter by Abu Bako*)
 - Lots of things turned up during the campaigns for elections. We thank the LORD for the people going in to vote. Pray that they will vote strategically. They will vote with wisdom. The men being voted for are not perfect. They are human and fallible and at best, do not worship the God of heaven nor understand biblical matters. With the prayers of the Body of Christ, the men or women who will sit in positions of government leadership will bring the above territories back to a place of righteousness.
 - Pray that the body of Christ will be wise to drop the campaign mode and pray for their leader for wisdom to direct not only the national affairs but regional affairs.
 - Pray that the Body of Christ in these nations will recognize that the leader cannot be perfect. They must be prayed into that place of perfection. Therefore rather than sulking that the leader of their choice has not been voted in, the Body of Christ will begin to intercede for sanitization and weeding out of policies that are not godly in the government that comes into power
 - Pray that the body of Christ will recognize their role as the hand of the LORD (which is on the body) to direct the king in the way he should go rather than joining the accuser of the brethren in making accusations and pointing fingers rather than repentance, intercession and prayer for the government in power. It is by prayer and wise counsel that the leadership of the land will bring the nation to their destiny in their season.
 - Pray for the following nations as they go into the final month of campaigns before their elections:

- December 2 2012 Burkina Faso Parliamentary elections
- December 7 2012 Ghana Presidential & legislative elections
- December 2012 South Korea Presidential Elections
- December 2012 Bhutan Parliamentary elections
- December 2012 Bermuda Parliamentary elections

PRAYING GOD'S PATTERNS IN THE HEAVENS

You may download or request for the teaching on Understanding the Heavens. Sometimes people get scared and think that praying into the heavens is a demonic astrological affair. Astrology is indeed demonic and so are other ways of bringing forth the constellations or divining what the heavens declare by human or soulish or even demonic power. However, the LORD created the heavens and put a decree in them for man to have understanding of times and seasons.

On the fourth day of the creation week, God created the two great lights – the greater and lesser lights and the stars also (Ps 136:7-9; Gen 1:14-18). Part of God's visible creation according to Genesis is the firmament which was called heaven (Gen 1:8) including the heavenly bodies - the sun, moon, and stars. These have laws and ordinances that govern their operations and those under their jurisdiction (Job 38:33). Genesis 1:14-18 gives their 8-fold role. God is the one who put in the hearts of men the interest to learn about the heavens.

Believers are a royal priesthood unto God (1 Pet 2:9), we have also been made kings and priests unto our God (Rev 1:6; 5:10). The priest's lips should keep knowledge and the law should be sort at his mouth (Mal 2:7). God interprets your Ignorance or lack of knowledge as a rejection of knowledge that deserves grievous punishment. (Hos 4:6)

- Pray that the sun, moon and stars will give praise to the LORD this season (Psa 19:1-6).
- Pray that the sun and moon will not smite you by day or night, but will bring forth their best for you, your family, the church, nation and continent this season (Ps 121:6, Hos 2:18-21, Deut 33:14).
- Command the sun, moon and star constellations to declare the glory of God in this season and to ignore any other voice giving it instruction to do anything contrary to God's original ordination and purpose for it (Gen 1:14-19, Ps 104:19, Psa 148:3)
- Pray first for yourself then for the ignorant in the body of Christ that God will help each one to pursue knowledge of His word, so they will not be victims to occult manipulations with regard to the heavens and their role on earth (Ps 121:1-2 ; Ps 109:26 ; Isa 50:7; 2 Tim 2:15)
- As a child of God, enforce Num 23:23 as you proclaim it into the heavens and against all occult groups.

Lunar Events

The daily physical shape of the moon in the sky determines the difference between the sickles and the bows. The crescent - C shaped moon or its mirror image is a crescent; The quarter - D shaped moon or its mirror image is a bow.

The **Last Quarter moon** will occur on **November 7 @00:36UT** and the **First Quarter moon** will occur on **November 20 @14.32UT** . The occult uses the D shaped moon as a bow to shoot arrows of destruction at others so they can gain an unfair advantage in the seasons.

- Pray that the quarter moons will praise the LORD and reject every manipulation and instruction from the occult to shoot arrows of destruction at the righteous. (Zech 9:13, Psalm 11:2, 37:15,
- Proclaim Psalm 91 during the quarter moons. Thank the LORD that He breaks the bows of the wicked and turn their arrows back to sender to destroy them in their own devices (Sam 2:1-4)

The **New moon** which ushers in the 9th Jewish calendar month and the 11th lunar season of 2012 will be on **November 13 @22.08UT**. The occult often uses the crescent moon as a sickle (Hecate's sickle) for harvesting the gains of the righteous who are ignorant. This is also the period of time when they increase their enchantments, for strength and fortification.

- Command the gates of the new month to be lifted up and for the new moon to give glory to the LORD in the new season. (Psalm 24, Psalm 19:1-2).
- Command the new moon to give forth its best for you, the Body of Christ and territory in the new month (Deut 33:13-14)
- For all those that handle the sickle at the time of harvest for unjust gains, pray that God will send His fishers to fish them out of their hideouts and hunters to hunt them for destruction (Jer 16:16, Rev 14:14-20)
- **Proclaim Psalm 18 and pray with verses 1-3** declare the LORD your stronghold. Pray this for your family and the Body of Christ and the territory you are in (Nah 1:7)
- Pray that the voice of the LORD will silence every enchantment and divination by any occult group on the earth concerning this season. (Ps 29)
- Proclaim Psalm 126 especially vrs 4-6 with regard to every seed that you have sown unto the LORD; during this new moon, you will experience a harvest. Pray this for the Body of Christ.

The **Full Moon** will occur on **November 28 @14:47UT**. During the full moon the ebb and flow of tides on earth is at its highest because of the strong gravitational pull of the moon on the waters on earth. This gravitational pull can also affect the waters in the human body; thus during the full moon mental imbalances are heightened, emotions and thought patterns become altered and highly sensitized for many people. More crimes of passion are committed during full moon seasons.

- Proclaim Psalm 104:19, 121:5-7, 136:7-8 over your life, and over the Body of Christ. Pray that the moon shall not strike you, but rather will release its best for you in its fullest season during this coming month.
- Pray that every manipulation from the kingdom of darkness to use the laws of the moon in governing the earth will be thwarted and the moon will obey only the voice of the LORD concerning its role over the earth.

Solar Events

The sun departs from its longest sojourn in one constellation - at the gates of Virgo on 31st October 2012. From 00:40 UTC of that date 31st October up to 23 November 2012 at 03:20 UTC the sun **passes through** a cluster of 51 stars in the **constellation called Libra symbolized by the scales or balance**.

This represents JESUS as the Redeemer whose atoning work for the saints is captured in the price He paid for their redemption. "The price deficient balanced by the price which covers". Man is the price deficient, but Jesus by His death is the price which covers. The scales also symbolize judgment (Dan 5:27)

- Thank the LORD Jesus for becoming the complete and total solution to the question of reconciliation of man and all of creation to the LORD. He is indeed the price which covered the cost of sin through all eternity (Rev 5:12)
- The heavens are declaring a season of balance but also a season of judgment. Scales symbolize judgment. Pray that those who reject the message of salvation, redemption in this season will indeed face a season of judgement so that they will realize the seriousness of including the LORD in the equation of their lives, and patterns in leadership and governance.

In this 9th and 11th month season which also reflects judgment, ask the LORD to put His word in your mouth from Psalm 149:6-9 to make righteous judgments against but not limited to the following:

- Ungodly practices within the family and anything which does not bring redemption and salvation
- Ungodly legislations, doctrines and laws within the body of Christ in your territory then within the government of your territory.
- Those who sit on the seats of authority with an ungodly and evil agenda in the territory that the judgements of the LORD which are right will indeed be levelled against them and against those seats whose foundations have been contrary to the godly patterns of righteousness and justice.
- Unjust and unrighteous standards in the judicial system of the land with regard to specific rulings which are not godly
- Ungodly practices, programming in the education, media arts and culture in your territory, race/tribe and the Body of Christ.
- Pray that as the judgements of the LORD comes on the territory, people will learn righteousness (Isa 26:9)

The three other smaller group of stars called decans that form part of Libra describes the stages of the Redeemer's atoning work. **The Crux represents the Cross endured.**

- Jesus endured the cross despising the shame because He saw the goal and purpose for His sojourn on earth – redemption for all of creation. Pray that during this season when you are carrying your own cross, dealing with any areas of the flesh that have brought you much pain, you too will have a clear vision of the end result – glorification. (Heb.12:2)
- In this season of disorganization and disarray, in this season of birthing, there is a lot of opportunity to give up. Pray that the LORD will raise encouragers who will keep you focused on the final picture.

LUPUS or VICTIMA represents the victim slain Jesus was the victim slain before the foundations of the earth.

- Thank the LORD that He is never caught off guard. He made provision for all things even before sin came to the world.
- Pray that in this season as the Body of Christ focuses on the Great Commission, many will be drawn to the LORD. Pray also that the message of the Cross, the body and blood of Jesus Christ will become prominent where there has been a focus on prosperity gospel (Isa 53)

CORONA represents the Crown bestowed. The heavens are declaring that God raised Jesus from the dead and set Him at His own right hand in heavenly places.

- Thank the LORD that as the gates of this month open and the kingdom of darkness celebrates death, the heavens are declaring resurrection and life. Pray for life, health, and resurrection where there seems to be death, disease and destruction.
- This is a season of resurrection life. Not only is it a time of disarray and disorganization. There is a hidden work that the LORD is doing in what seems like a chaotic situation. Pray that you will be still and let the LORD do His work in you. Pray this for the body of Christ and your territory. (Psalm 46)
- Pray that you will comprehend the kind of power God has put in you in this season. Pray through Ephesians 1:17-2:10 asking the LORD to reveal to you this great potential which you have the same power that raised Jesus Christ from the dead. Pray that you will know how to use that power for the furtherance of God's kingdom. Pray this for the Body of Christ as well.

- Pray that the risen LORD will appear to many especially those in areas where there is very little or no knowledge of the LORD in this season, bringing resurrection to their dead spirits and salvation and redemption in their territories through miraculous signs, and through those who are called by His name.
- Join the heavens in crowning the LORD with many crowns. Take extended periods of adoration and praise to the LORD who is crowned with many crowns and rules all things in righteousness
- Proclaim the blessing of Asher (Gen 49:20, Deut 33:24-25) and Isaiah 35, and over your life, your family, the body of Christ and territory.

From the heavens, inscribe the following over all the earth

IN THAT DAY THE LORD ALMIGHTY WILL BE A GLORIOUS CROWN, A BEAUTIFUL WREATH FOR THE REMNANT OF HIS PEOPLE. HE WILL BE A SPIRIT OF JUSTICE TO HIM WHO SITS IN JUDGMENT, A SOURCE OF STRENGTH TO THOSE WHO TURN BACK THE BATTLE AT THE GATE. (ISAIAH 28:5-6)
