PRAYING THROUGH THE MONTH OF FEBRUARY 2015

February was named after the Latin word “Februum” meaning purification. It was so named after the purification ritual “Februa” dedicated to deity Juno, held on February 15th in the old Roman calendar.

From 20th February to 20th March marks the sixth (6th) month following the Biblical civil calendar and the twelfth (12th) and final of the Biblical sacred calendar. February is the second (2nd) month according to the Gregorian calendar. February is the shortest month of the year with 28 and a quarter days. In "ordinary years", it approximates to 28 $\frac{1}{4}$ days. After every 4 years, the quarter days add up to one full day creating a 29th day in each leap year.

February is the only month of the Gregorian calendar year that can pass without a single full moon because it has only 28 days in common years. It is also the only month of the calendar that once every six years and twice every 11 years, will have only four full 7- day weeks, where the first day of the month starts on a Sunday and the last day ends on a Saturday. This year 2015 is such a year with the occurrence of a full moon on 4th February.

This is a month of many deeply pagan events and it would do well to know their significance, in order to avoid participating in them, and helping other kingdom citizens to break free of the doctrines of men which have nullified the power of The LORD in their lives.

PRAYING THROUGH THE MONTH

- Finally the twelfth and final month of the Sacred calendar is here, receive it with song ministrations of praise and thanksgiving to The LORD, Proclaim the Psalms for this year **29, 63, 89, 92, 111 including** Psalm 136, 69:30; 118:23.
- The first 3 months i.e. January and February signify a season of reflection. January is the 1st month of the Gregorian calendar, February is the 12th and final month of the Sacred calendar, and March is the 1st month of the sacred Jewish calendar. It's a season of endings and beginnings. Thank The LORD for another opportunity to dedicate this key gate of time and season to Him. Declare Psalm 24 over these gates.
- Many people make resolutions during this season. Make prophetic declarations which dedicate this exit/entrance gate to Him. Refer to the various prophetic words that have been released especially over the New Year, and reinforce their significance at the watches of this key gate.
- It is a season of proclaiming the Word of The LORD. Pray that Kingdom citizens will understand and submit to the processes He is taking them through especially in relation to their utterances, so they will not speak unadvisedly with their lips against His purposes. Job 32:8; James 4:7a; Ps 106:33
- It is a year of the Word of The LORD. Pray that during this season as you increase your word intake and listen to, read, study, sing the scriptures then Isaiah 51.16 will be your reality – The word of The LORD will be on your lips to create His purposes at every moment of life and existence. Pray this for kingdom citizens everywhere. Isa 50.4-5, 51.16, Psa 141.3.

This is the 2nd month of the Gregorian year. **Two (2) is the number of witness, differences division and distinctness.** From Gen 1:6-8, on the 2nd day the firmament was created and positioned in the middle of the waters to **divide, separate** the waters from the waters. In this month focus on the number 2 as depicting separation, division difference and distinction.

- Pray that this month you will take a deeper walk of separation - and lead a consecrated life of separation unto The LORD. (2 Cor 6:14-18)
- The world has come into the body of Jesus Christ and there is gross mixture, even outright unGODliness being permitted. Pray that the body of Jesus Christ will receive a revelation of the scripture that we are in the world but not of the world. Pray that you will be counted among the priesthood whom The LORD is raising in these days, to take this truth into a reality and to disciple individuals, communities and territories within your gate of society to live out this truth becoming salt and light. (Num 8:6, 2Tim 2:19, Matt 5:12-14, Joh 17:14-17)

The sixth month of the Biblical civil year will commence during this month. **Six (6) is the number of man.** The LORD created the first righteous man in the end of the sixth day of creation week. (Gen 1:26-31) Everything The LORD created was good, yet the moment He created man; He saw that everything was VERY good. It shows that the **RIGHTEOUS MAN HAS AN ENDOWMENT FOR IMPROVEMENT WHEREVER HE GOES.** Every kingdom citizen has become the righteousness of The LORD because of believing and receiving the finished work of Jesus Christ as our Substitute and Savior thru His passion, death on the greatest altar ever raised – Calvary and His resurrection to eternal life.

Romans 5:17-19 says: *For if, by the trespass of the one man, death reigned through that one man, how much more will those who receive The LORD's abundant provision of grace and of the gift of righteousness reign in life through the one man, Jesus Christ, the Messiah. Consequently, just as one trespass resulted in condemnation for all people, so also one righteous act resulted in justification and life for all people. For just as through the disobedience of the one man the many were made sinners, so also through the obedience of the one man the many will be made righteous.*

- Many Kingdom citizens struggle to embrace the truth that, if we readily agree that we were born into the Adamic original sin and its consequences; not by what we did but because of the fall; then equally, acceptance of Jesus Christ's righteous act of redemption gives us a right to access everything that He died for; our salvation and we are imputed righteous. Pray that in this season of Grace you will gain a revelation of His imputed righteousness as a right for you to access all He has in store for you. Pray this for kingdom citizens everywhere.
- What does imputed righteousness encompass? How do we walk in our identity in Jesus Christ as "the righteousness of The LORD?" It is by embracing salvation by grace through faith. In the Strong's Greek Concordance for the word "saved," the #4982 (108 occurrences rather than #4992 soteria with 5 occurrences) Sozo is the root word for another word Soter(ia) which has to do with save or Savior or salvation. "Sozo/Soteria" means "TO SAVE, DELIVER, PROTECT, HEAL, PRESERVE, DO WELL, BORN AGAIN, PROSPER AND BE MADE WHOLE." Many of us embrace only the "born again" part of salvation and struggle to accept and embrace the other aspects of salvation. Pray that in this season of the word, as you have a greater intake of the Word, everywhere you encounter the word "save" or "salvation" then you will read it and believe and receive it in all its various contexts as spelled out by the word "sozo".
- Pray that the body of Jesus Christ will recognize that Jesus Christ died for all creation and that we will take the revelation of His "sozo" to as many as are ignorant of the fact that He has already paid for every single one of them to be righteousness of The LORD if they will only believe and receive Him and all He encompasses as Jesus Christ – which means "He shall save" (The One Who will save, deliver, aids, give victory, give prosperity, give health, give help, give eternal life, give welfare, prosper).
- The understanding and embracing of imputed righteousness is the beginning of understanding the Grace of The LORD and accepting His unmerited favor. Only where grace abounds shall truth also be rightly discerned.

Pray that in this season of grace you will experience every aspect of unmerited favor and other virtues of the term “grace”; and that you will receive by grace and through your belief in the “sozo” of Jesus Christ every resource, whether spiritual, physical, emotional etc and move further into your destiny path.

Read Heb 4.16 Many kingdom citizens struggle with condemnation due to various areas of besetting sins and weights that hinder our walk with Jesus Christ. We did not merit anything to receive Jesus Christ’s full blessing. Similarly there is nothing we can do EXCEPT failure to believe in His finished work, that can remove us from the path of righteousness. That is why the blood of Jesus Christ is there permanently before the throne of The LORD for us to come for repentance and cleansing, and to return back on track to fulfill our destiny. However, for many our own mindset, culture and religiosity has made us feel condemned and paralyzed to move forward in our imputed righteousness.

- A condemned building is one which has been rendered unfit for use. Condemnation whether by self or imposed says that we are unfit for use by The LORD. Remind yourself on a regular basis, whether you have good success, or are struggling in an area of failure that you are the righteousness of The LORD. You did nothing to deserve it in the first place, there is nothing you can possibly do to lose it. If you accepted freely that you were born in sin, not because of any particular sinful action but because of one man Adam, then you can as well accept freely that because of one man Jesus Christ, you were imputed righteous and have a right and access to all that His death and resurrection acquired for you – abundant life, peace, joy, wealth, health, success in every aspect of existence; by your faith i.e. belief and receiving in His finished work.
- In order to know The LORD as The LORD, there is need to demolish the idols that you have raised in your heart as the image of The LORD. Is The LORD your Shepherd so you shall not want? Or are there areas of your life which you still find wanting? Is your God Ruler of all the earth? Or are there portions of the earth you feel He is not present? Is your God a Healer? Or are there portions of divine healthy life that He has so far been unable to touch? Is your God a Provider? Or are there areas of provision which He has failed to meet? Is your God optional and not a necessity in every area of life? Then that is not The LORD, that is something other than Adonai Elohim. The LORD will respond to you according to that god whose image you have in your heart. Ask the Holy Spirit to bring down every imagination of The LORD that you have hitherto had, and reveal to you Who The LORD truly is. Idolatry begins not with bowing to things but with a wrong concept and image of The LORD in your mind. Ezekiel 14:4, Romans 1:20-21 Romans 12:1-2

Shemitah, Recession and Overflowing Abundance

In this 6th month season of the Shemitah civil year, only those who are transformed by the renewing of their minds concerning the aspects of our **imputed righteousness** and the full expression of “sozo” in their lives and circumstances, will thrive. The scriptures say those who know their The LORD will be strong and do exploits. It does not matter which deity one worships – those who know theirs and rightly identify with them will be strong. Today we see moslems and Buddhists, hindus and pagan worshippers who are diligent and know their god doing exploits whether positively or negatively. What will kingdom citizens do? As long as we do not understand who we are and what our rights as kingdom citizens are, then we shall be weak and be exploited as it is in the various territories today.

- The way of man is to DO things. Now The LORD is calling you to BE. There are certain battles that have been ongoing and unyielding, The LORD has said in this season that it is in being still, embracing your true identity as the righteousness of The LORD, that you will see His “sozo” i.e. His redemption from eternal death, deliverance from various bondages and besetting sin, protection, healing, preservation, well-being, financial prosperity etc.
- Read Jer 17.9, Mark 7.21, 1 John 3.19-24; The human heart is desperately wicked. Therefore when we become kingdom citizens it becomes difficult to embrace “sozo” in its fullness with a condemning heart. Therefore in the scriptures in 1 John 3, the writer encourages us to continually convince our hearts of this imputed righteousness. Ask The LORD to give you a personal revelation concerning this scripture in 1 John 3.19-24. Pray this for kingdom citizens everywhere.

Jesus Christ said that the heart is wicked and In Hebrews 4 we are encouraged to labour to enter into the rest of The LORD. The labour is in convincing our hearts which continually condemn us, that we are the righteousness of The LORD. We must labour to transform our minds to begin to think differently about all aspects of “sozo” including our right to divine health, financial prosperity, divine protection in an increasingly violent world, divine preservation from calamities, a right to long, abundant and joyful life etc. For the longest time, we have imputed The LORD with wickedness when we experience calamities e.g. terminal illness, death, failure, and put it on Him

- As you pray for revelation, In this season, every morning, and at every given time, make a proclamation “I am loved by the True and Living LORD, Jesus Christ loves me; and I am the righteousness of The LORD. I stand above reproach every time I enter the throne room of Grace to find help, and He delights in me for He sees the blood and the sacrifice, not my faults and my failures. His mercies for me are new this day. I will be a recipient of The LORD’s love, mercy and unmerited favor in my home, my workplace, my relationships, my business, my fellowship and in every aspect of my life. I believe and receive everything I need which Jesus Christ paid for on Calvary for this day, and this season.” Remember you don’t have to feel it, but make it a habit to proclaim these truths often.

Why must we understand and embrace this gospel of grace? We are in many ways experiencing a recession. It means pay-cuts, lay-off of multitudes by some of the biggest companies in the world, financial losses for some of the wealthiest business persons on the planet. One of Africa’s wealthiest business magnates, Aliko Dangote made a multi-billion dollar loss in the stock exchange worth about US\$7.8billion. Coca cola announced a lay-off of 1800 of their top brass worldwide causing a huge panic in the conglomerate. Tesco, in the UK, is in the process of closing 43 stores despite amazing Christmas sales, Marks and Spencer is closing 27 stores and cutting 1200 top brass jobs. In Kenya 20 hotels and tourist resorts closed causing a 21,000 job cut in the industry. Fuel prices have plunged and the Russian ruble was in much trouble as 2015 opened. Saudi Arabia and other oil-states are panicking about the future of their economy as trends point to greater economic struggles.

To survive and even thrive in a recession it means “upping your game”; take up another degree course or workshop to stay relevant and employable or float in the marketplace; crack your head for the most effective marketing strategy, spend longer hours on the job, do whatever it takes to maintain a death-grip on the corporate ladder while others are being shaken off by the gale-force winds of recession.

Kingdom citizens rather are being encouraged to rest while the world is working hard. Why? Jesus Christ paid it all. When our eyes are on Him, when we spend time in His presence, in the Word, renewing our minds, He will release divine economic strategies that will cause the wealth that has been so far amassed by the wicked to flow to the righteous.

- It is not because of anything you have done. You must change your mind concerning your spiritual exercises. They are good for YOU and do nothing to add or reduce The LORD’s favor. They make you more sensitive to the spiritual, hear more clearly and then obey more easily. It is not merited righteousness, but unmerited favor because of our belief that Jesus Christ already anticipated this season 2000 years ago, and He already paid for it to pass over us. Praise The LORD for this truth, and pray that you will receive your divine revelation of His grace as you labour to rest in the finished work of Jesus Christ. This year a number of fasts have been announced. This will be the purpose for your fastings, increased word intake, deeper prayer and intercession – to prepare to enter fully into His rest while the world rushes along.
- Read Psalm 24 and 50. “Recedere” is the Latin root word for recession. It literally means “**return to Original Owner**”. Psalm 24 informs us Who the Original Owner truly is. The reason why every kingdom citizen who embraces the full meaning of “sozo” will prosper, and thrive in this season, is simply because we are heirs to The LORD’s possessions – the earth is The LORD’s and the fullness thereof. In a recession when the world is going broke, it is time for Kingdom citizens to prepare their baskets and experience their greatest wealth transfer. Are you willing to obey, believe and receive “sozo”? Pray for renewed thinking concerning your imputed righteousness – pray this for kingdom citizens everywhere.

- Is it a wonder that in this season when everyone is struggling to up their game economically, it has fallen on a Shemitah (sabbatical) civil year? The state of Israel has even announced and financed farmers to let the land rest this year when everyone else is looking for ways to increase their production. It is in this sabbatical season that the ISIS and other islam fundamentalist factions seem to have increased their target against kingdom citizens and against Israel. Yet it is in quietness and rest that deliverance shall come in a way that no man shall credit anything else but will say “it is the doing of The LORD and its is marvelous in our eyes.” Thank The LORD for His wisdom in planning times and seasons to display His powerful workings behind the scenes of world affairs.
- 2015 Shemitah will end with an entrance into a Year of Jubilee. It will mark the 70th Jubilee year since the Exodus led by Joshua crossed the Jordan and sat on the riverside in Gilgal looking over at Jericho. Pray that there will be a rising of a righteous Joshua generation that has been prepared over the years to bring kingdom citizens, nations and territories into their jubilee season and there will be no mistakes. Pray this especially for kingdom citizens in every gate of society.
- The Jubilee clock began ticking in 1416 BC when the children of Israel entered Canaan. The first Jubilee was 49 years later in 1367 BC. Every 49 years another Jubilee has occurred. The next Jubilee will occur on the Day of Atonement 2015

-
- That year of Jubilee 70 sabbatical years ago, was the season when the manna stopped flowing; they were leaving the season of manna and controlled provision of The LORD and entered a season of sustenance and abundance– where they would drink from wells they did not dig, get oil from olive groves they did not plant, drink wine and eat food from farms they did not plant, live in houses and dwell in cities they did not build. It was UNMERITED favor that provided all of that simply because they were heirs to The LORD the Possessor of Heaven and earth. How much more will it be a reality to those who will lean on confidently in The LORD and embrace “sozo” because of what Jesus Christ did 2000 years ago? Prophetically key into this reality.
- **This year will have been 40 complete Jubilee cycles following Jesus Christ’s death** more than 2000 years ago. Forty generally symbolizes the end of a period of testing, trial or probation and the separation of epochs. It symbolizes a “coming of age”. Pray that after the various testings and trials that the Ecclesia has experience in the past season, there will be a coming of age, a maturity that is borne out of the tests experienced.
- The reality and magnitude of the consequences of His sacrifice on Calvary are yet to be felt by the Ecclesia. The sacrifice on the Cross, basically blotted out ALL that occurred from Genesis 3 up to Revelations 21 where a new heaven and new earth are formed after Jesus Christ secured the title deed of the universe. Yet we are living with the effects of the fall due to our inability to accept everything He died for, and also give ourselves completely to Him for He also paid for ALL of our beings to be His. Pray that in this season of a 40th Jubilee you and the Ecclesia at large will enter into your season of rest from the wilderness into a Promised Land – by embracing our identity as the righteousness of The LORD. Isn’t it amazing that these events all fall into the same conclusion of an entering into a Sabbath rest in a Promised Land Season.
- One key aspect of the Shemitah is, it is a season to let go – release. As we aspire to operate in our identity as the righteousness of The LORD, forgiveness and releasing those who have in any way offended us and release of debts and trespasses becomes key. Are there people you are holding in any capacity? Are there situations that you must let go of? For you to lay hold of what The LORD has for you, you need to have room on your hands to receive it. You cannot do it when you are holding onto people, things, grudges; and in the spirit realm, you can only do one or the other. That is why Paul let go of everything else, good or bad in order to lay hold of that for which Jesus Christ lay hold of him Lev 25.1-13, Phil 3.12-14.
- From January to September 2015 is a 9 month spiritual gestation period. Do not marvel at the preparations The LORD has taken you through especially in 2014 so that you can come to the place of understanding that everything you do and everything you will receive will be by unmerited favor – not your actions or lack thereof. As you examine the prophetic words for 2015 from various kingdom citizens across the world, you realize that we are into a season of preparation. There is an encouragement toward increasing various spiritual disciplines e.g. fasting, prayer, word intake, fellowshiping with like-minded kingdom citizens. It is not to make The LORD do something extra – it is a gestation period which will culminate into a transformed kingdom mindset, a birthing of various aspects of kingdom life and experience, that will establish the

kingdom of The LORD in every gate of society for as many as are willing and obedient. Therefore take seriously these disciplines.

- Pray that kingdom citizens will trust in The LORD and enjoy un-merited favor and success in the marketplace when it is going crazy for everyone else.
- How shall we prove our trust in The LORD Our Provider in this season? Read Prov 3:6-9 and 2Cor 9:6-15. We prove that we do not trust in the arm of flesh by our giving to kingdom purposes as The LORD will direct you. Giving is proof to ourselves that we trust in The LORD as Provider, to give us every surplus we require for abundance. Remember “sozo” informs us that we already have everything Jesus Christ died for so we do not give to get any “blessing” from The LORD. He owns everything and as He says in Psalm 50, He does not need our sacrifice. He has given us the privilege of giving our tithes and offerings in order to prove that we truly believe and trust (lean confidently on) Him in this season of recession. Basically He is saying “put your money where your heart truly is”.
- Pray that in this season kingdom citizens will not be like the rich young man who came claiming that He loved The LORD and followed all His commandments. Jesus Christ proved to him where his heart truly was when He pointed out to him to give away his wealth and follow Jesus Christ. Ask the Holy Spirit to help you renew your mind in this area of giving which has been so abused by many to rip people off; but it was a tool of the enemy also to divert you from the place of true prosperity and true wealth by perverting it through erroneous teachings on wealth, giving etc.
- Jesus Christ was not trying to impoverish the rich young man. He wanted to show him where his heart truly was. He went away grieved at that saying. Grief is related to feelings of loss. He felt he was losing something greater and was willing to walk away when his real love was exposed. Pray that you will realize that its not about amassing possessions; but becoming a conduit through whom The LORD’s kingdom purposes can be established in the coming revival. Financial and other resources will be needed to push forth the Kingdom; but The LORD wants vessels who have clear understanding of the purpose for the great wealth He is about to release in this season.

Righteous Governance

This is the 12th month of the Biblical Sacred Year. **Twelve (12) represents divine government.** Commencing the new Sacred year, next month we shall for the next 10 months begin to pray through the 10-point PLAN for world governance which is being steered by a demonic agenda to usher in the “Age of LORD Materiya” where “The Christ” of the new age, the “Illuminator” or “Enlightened one” shall come. This is a diabolic “divine PLAN” which was birthed 70 years ago in what we see today as the United Nations. This is a very significant year for the scaling up of this “PLAN”. It will do well for kingdom citizens, custodians of heaven’s government on earth to have the necessary spiritual understanding to begin to pray for national and international governments.

We shall send a write up in order to have a better understanding of the occurrences in the nations, and the escalation of the PLAN in this 70th year season which signifies **perfect spiritual order carried out with all power.** **The occult will use this season to usher in a demonic perfect spiritual order carried out with all power.** The UN has not declared 2015 the **year of Light** for nothing -it is not about light energy as you know it but the coming of the “Illuminator”. It is upon the reality of evolving terminology e.g. “Christ”, to mean something other than Jesus Christ and “God” to mean something other than The LORD.

As the days go by we shall hear more and more, the mention of “The Christ” in the development circles. It is not a “revival” hitting the UN and its affiliate organizations, but a carefully planned agenda toward a one-world religion with Lucifer as its head. The PLAN which was initiated in 1945 will begin to manifest a “perfect spiritual order carried out with power” only it is not the power of The LORD.

- Proclaim Isaiah 9:6-9 over the UN as a world government, the USA, and over every other national government
- Proclaim that this is the Year of our LORD and not a year of any other being or cause. Declare Isaiah 44:24-25 concerning all the diabolical plans of men and demons concerning the governance of the earth
- Proclaim Psalm 24 over every portion of the earth for it all belongs to The LORD and men are mere stewards.

In the prophecies for 2015 the word of The LORD said, **Those using occult power shall be judged and dealt with by the Most High, The LORD.** This is at every level of leadership including spiritual or political leadership. Based on the above brief, there is a clear use of occult power to control world governments. The LORD has indeed released an African broom of destruction to sweep away the filth in every sector of government and society. The LORD has declared "I shall make my house pure. I am The LORD Shabaot what I say shall come to pass. My broom will sweep the hearts of men." Make the following declarations:

- Arise Oh The LORD! Advance! Defend your cause. Break the strength of the wicked. Drive them out of their offices. Increase the power of the GODly. Establish them in their offices and let them bring Glory to you.
- The LORD pull out the wicked and evil that seemed so firm. Destroy the proud and bring low all their powers and let their fortresses be destroyed. Let the broom of The LORD sweep away every filth and every unrighteousness starting with His government on earth – the Ecclesia. (Isaiah 14:23)
- Ask The LORD that His hand will cast a stone against the kingdoms of the devil and men for there are men who have formed alliances with Satan to form kingdoms of the Devil and men nationally and internationally.

To confirm the above revelation a team of intercessors was sent to the middle of Ghana to do a prophetic action. With visible angelic escort, they travelled overnight and on arrival, left an African broom in the place they were shown. May this prophetic action release the broom of The LORD to sweep and for the scroll of The LORD to visit every gate of society on the continent and among people of African extraction throughout the nations.

Today as many government legislations continue to push against Biblical patterns, and as the occult seems to gain strength in matters of government and law, there are many fears of persecution and great oppression of the Body of Jesus Christ, and those who will live GODly lives. The LORD has given anyone who will seek Him the ability to stand against the onslaught of the enemy and to do exploits like Daniel did in Babylon, and like Joseph did in Egypt.

- Pray that the Holy Spirit will guide the Body of Jesus Christ back to the strength of the covenant we have with The LORD. He will be with us as we take our roles and disciple our nations back to His purposes.
- Read Zechariah 5:1-5, Psalm 149:6-9, Isaiah 28:5-6; In this season The LORD said He is vacuum cleaning every sector of society. He also said that He is raising governments that will develop zero-tolerance for corruption in a number of nations. Pray for your nation that there shall be a vacuum cleaning in the area of government and governance.
- Command the flying scroll that will go after the thieves in government to be released. Pray that every national thief, every continental thief, every local thief, every family thief and every destiny thief will be captured by the flying scroll of The LORD.
- It is the honor and glory of every saint to execute the written judgments against kings and rulers. Command every seat of government authority, every piece of timber, every brick, every piece of furniture in every government buildings to cry out against any person who continues to operate in corruption, who has entered by bloodshed, or who has been established by iniquity in this coming season.
- Read Isaiah 60:18; Command the borders of your territory to reject every whisper of violence or destruction in this season. Let every perpetrator of violence at any level be exposed and severely judged.

- Command the walls of every government building to allow only that which will bring redemption and salvation to the nation. Command every gateway of government to allow only that which is praiseworthy in this season of divine governance.
- Rev 22:2, this is the 2nd, 6th and 12th months of the year. Pray that you and the Body of Jesus Christ globally will receive the fruit of the tree of life for the 2nd, 6th and 12th month for your spiritual nourishment.
- Pray that the leaves for the healing of you, your family, territory and the Body of Jesus Christ assigned for the 2nd, 6th and 12th months will be released for your bodies, souls and spirits.
- Pray that as the healing of individuals and groups occurs, there shall be a level of healing released into the land.

Birth Days

Is it the month of your birth? You may pray these only the weekday of your birth every week of the year.

- Thank Him for your specific day of birth. Declare that day blessed.
- Thank Him that He ordained that you will be made manifest on earth on a specific day in that month at a specific hour and minute.
- Thank Him that He has a purpose for your life and it will be fulfilled.
- Ask The LORD to forgive you where you have for one reason or another, ignored or rejected to recognize your day of birth.
- Thank The LORD for the day of your conception. (Psa 139:13)
- Thank The LORD that when He thought of you, he already thought of your entire life. Thank Him that He did not leave anything to chance. (Isa 49:1)
- Thank Him that he knew exactly what your redemptive purpose was going to be. (Psa 139:16)

PROPHECIES 2015 FULFILLMENT

A number of prophetic words have begun to manifest their fulfillment early in the year. In the prophecies for 2015 it was proclaimed that this is **A year of flourishing of start-ups and a year of unparalleled opportunities. There will be new forms of alternative sources of energy.** Concentration is for Africa that is the direction The LORD is giving. We shall concentrate more on that. **There will be very simple solutions to seemingly intractable energy problems.**

A Nigerian student has developed a wind and solar powered car from scrap metal in what has been seen a ground breaking move by an African Student. Segun Oyeyiola, a final year engineering student at Obagemi Awolowo University, has built what could possibly be Africa's first ever wind and solar powered car. Segun says his motivation is to create a clean energy car that reduces carbon emissions from the ground up with an old VW Beetle shell was to cut the high cost of fuel as well as save the environment. He says the car innovation was designed for use off-road using scrap waste car material donated by friends and family.

Tom Osborn, a Kenyan teenager of 19 years is the founder of GreenChar in Kenya, a clean energy start-up that produces charcoal briquettes for cooking purposes that are both healthier to use and last longer. His coals are produced from recycled agricultural waste such as sugarcane, which studies show emit 90% less smoke, and have 60% more energy than the normal charcoal used for cooking. He has made Forbes' global '30 under 30' list of social entrepreneurs.

A Nigerian man who couldn't find a black doll in the shops as a gift for his niece decided to take matters into his own hands. Taofick Okoya, created his own doll that Nigerian girls could identify with by recreating their skin colour and style - and it is now so successful that it is outselling Barbie in Nigeria and more and more in other nations in Europe, South America and North America.

The doll, which is called Queens of Africa, comes with traditional outfits and accessories. His mission is to make the Queens of Africa a symbol of hope, trust, and confidence by promoting African history, culture, and fashion.

- These are just very few of the innovations that are coming out of Africa; thank The LORD for these innovations. Pray that there will be an escalation of wisdom, creativity and business acumen required to see the above and other such projects develop to international levels.
- Pray for the required wisdom, focus and commitment to excellence will be released upon innovators and creators of various developments for affordable use on the continent.

FESTIVALS DURING THIS MONTH

There are a number of festivals that occur during the month of February. A number have to do with the commencement of observances that lead up to the Easter period. One thing to note is that, every feast or festival that was "superimposed" with a Christian significance always tends toward a lot of destruction to the family and community at large in one way or another.

Over the years the enemy has taken these celebrations which are a counterfeit of the Feasts of The LORD and turned them into something wicked. Many of these festivals have become very deeply entrenched among kingdom citizens of various denominations, so that it is almost very offensive to say anything contrary to just 'going with the flow' and embracing whatever cute meaning is wrapped around these days.

- First and foremost put it in your heart that every day, and every single moment of it is The LORD's day and it is our duty to rejoice, be glad in it and fulfill His redemptive purpose for us within those segments of time. Therefore praise The LORD for each day of the festivals for He made the day for His pleasure. Rev 4.11

The Carnival, Valentine's Day, Fat Tuesday (Mardi Gras) And Lent

There is a lot of history tied into the above festivals. Though celebrations like the Carnival and Mardi-Gras are not very popular in modern day Africa, their roots are found on the continent. Valentine's day and Lent have both gained more and more prominence in a number of denominations within the Ecclesia. Each of these festivals and observances are rooted in pagan practices. Having done away with the power of the Holy Spirit to transform, the early Roman church found it very difficult to transform their followers from these observances. Therefore they simply superimposed the Feasts of The LORD over some of the more popular observances.

At first it seemed very harmless, but as the years have gone by, many of these festivals that were supposedly tied in with The LORD are exposed for what they really stand for as nations especially in the west turn further away from The LORD. Christmas is no longer considered a "holy" celebration. It is now a hollow time of lasciviousness and licentiousness. It is now referred to as "Festive Season" with no particular meaning. Similarly the celebrations around the Easter are being coined into something else as men turn further away from The LORD. This is the common trend with every doctrine of men – to nullify the power of The LORD and give worship to the enemy.

Valentines day: Like Christmas, Easter, Halloween, New Year's and other holidays of this world, St. Valentine's Day is another attempt to "whitewash" perverted customs and observances of pagan gods and idols by "Christianizing" them.

As innocent and harmless as St. Valentine's Day may appear, its traditions and customs originate from two of the most sexually perverted pagan festivals of ancient history: Lupercalia (feast of sexual license) and the feast day of Juno Februata.

The Romans celebrated Lupercalia to honor the hunter god Lupercus god of fertility and husbandry, protector of herds and crops, and a mighty hunter. To the Greeks, from whom the Romans had copied most of their mythology, Lupercus was known as Pan, the god of light. The Phoenicians worshipped the same deity as Baal, the sun god. Baal was one of many names or titles for Nimrod, a mighty hunter, especially of wolves. He was also the founder and first lord of Babel (Gen. 10:10-12). Defying The LORD, Nimrod was the originator of the Babylonian Mystery Religion, whose mythologies have been copied by the Egyptians, the Greeks, the Romans and a multitude of other ancient peoples. Under different names or titles—Pan, Lupercus, Saturn, Osiris—Nimrod is the strong man and hunter-warrior god of the ancients.

From Feb. 13 to 15, the Romans celebrated the feast of Lupercalia. The men sacrificed a goat and a dog,. Clothed in loincloths made from the sacrificed goats and dogs smeared in their blood, the Luperci (male priests assisted by female vestal virgins) would run about Rome, striking women with *februa*, thongs made from skins of the sacrificed animals. The Luperci believed that the floggings purified women and guaranteed their fertility and ease of childbirth. This bloody pagan rite is where the red color of the day comes from.

The brutal fete included a matchmaking lottery, in which young men drew the names of women from a jar. To the Romans, February was also sacred to Juno Februata, the goddess of febris (“fever”) of love, and of women and marriage. On February 14, billets (small pieces of paper, each of which had the name of a teen-aged girl written on it) were put into a container. Teen-aged boys would then choose one billet at random. The boy and the girl whose name was drawn would become a “couple,” joining in erotic games at feasts and parties celebrated throughout Rome. After the festival, they would remain sexual partners for the rest of the year. This custom was observed in the Roman Empire for centuries.

After Constantine had made the Roman church’s brand of Christianity the official religion of the Roman Empire (A.D. 325), church leaders wanted to do away with the pagan festivals of the people. Lupercalia was high on their list. But the Roman citizens thought otherwise.

It was not until A.D. 496 that the church at Rome was able to do anything about Lupercalia. Powerless to get rid of it, Pope Gelasius instead changed it from February 15 to the 14th and called it St. Valentine’s Day. It was named after one of that church’s saints, who, in A.D. 270, was executed by the emperor for his beliefs.

In A.D. 494, Pope Gelasius renamed the festival of Juno Februata as the “Feast of the Purification of the Virgin Mary.” The date of its observance was later changed from February 14 to February 2, then changed back to the 14. It is also known as Candlemas, the Presentation of The LORD, the Purification of the Blessed Virgin and the Feast of the Presentation of Christ in the Temple.

Today, the holiday is big business: According to market research firm IBIS World, Valentine's Day sales reached \$17.6 billion last year; this year's sales are expected to total \$18.6 billion.

And so the celebration of Valentine's Day goes on, in varied ways. Many will break the bank buying jewelry and flowers for their beloveds. Others will celebrate in a SAD (that's Single Awareness Day) way, dining alone and binging on self-gifted chocolates.

- During the season surrounding the Easter celebration there is increase sexual immorality as pagan deities are given homage in a veiled rituals and observances. This season of endings and new beginnings between December and March tends to have some of the vilest observances which usher in new season and plunge whole territories into grosser darkness with each observance. Pray for revelation within the Ecclesia which has ignored the real feasts of The LORD but rather given great prominence to these other unGODly feasts
- Ask the Holy Spirit to help you gain a greater revelation of these seasons of men and how they take away from the real Feasts of The LORD. It is only by obedience and revelation that the grip these particular holidays have can be released from kingdom citizens.
- These festivals of men have become cause for untold damage to relationships and a greater sense of loneliness for others. It is a season where in nations like Namibia, they record the highest number of suicides. When people feel abandoned or rejected because they have not been remembered with “gifts”, there is a sense of guilt when relatives, friends or colleagues cannot afford to spend lavishly or give “time off” to employees during these festivals. Marriages have experienced breakdown because at Christmas or Easter certain expectations were not met in terms of time spent with loved ones, gifts and holidays given to significant others, illicit affairs exposed, sickness even death from over indulgence and reckless abandon in morals and general behavior etc etc. Yet funny enough, you never hear of such damage to relationships because of the 7 real Feasts of The LORD. Ask The LORD to deliver you and kingdom citizens at large from the traps of the enemy wrapped up in these various celebrations.

- Some good has come out of these days when people have taken them seriously for what they are supposed to stand for. Thank The LORD that He redeems everything for His own purposes especially when His people are still very ignorant about these celebrations.
- When you gain a revelation of these festivals and their true significance – for the enemy to find any worship he can gain, do not condemn those who are ignorant; rather pray for them and that their eyes will be opened to rather begin to respect the Feasts of The LORD instead.

Carnival – Voodoo/voudon is a pagan religious practice popular in ancient West Africa. It incorporates a lot of magic, witchcraft, sacrifices and self indulgent activities. There was specific worship music and dance composed especially for that carnival. Basically the priests of the various demon-deities worshipped in voudon would be celebrated as people danced on the streets to rhythmic intoxicating music with carefree abandon. That music and dance was referred to as “semba” (meaning “to invoke” the spirits) which was borrowed by the Portuguese and renamed “samba” very popular in South America and the Caribbean today.

On 14th February the most popular voudon carnival commences in Haiti and spreads around through the Caribbean and then South America. Inspired by Voudon carnivals of ancient West Africa, the Carnivals in , the Caribbean islands, South America are rapidly being embraced in other parts of the world. During the season which amalgamates with Valentine’s Day, there is an acceleration of immoral events – gay pride marches involving lesbian, gay, bisexual and transgender culture, and the carnival celebrated in the Caribbean Islands and South America are all celebrated around the 14th – 16th February.

They are a platform for promoting very deep levels of sexual immorality, drug abuse and the wildest self indulgent activities. The Carnival gives the last opportunity for revelry and self indulgence in food, drink, music and sex, after which the “Christians” put up an act of penance during Lent! They thereby express high levels of hypocrisy to the faith.

- What religious observances have you been involved with? What are their origins? Do you realize that you dedicate your day/days to the deities you serve? Are you aware that these observances are renewals of covenants whose conditions you may not be fully aware of? When you take up dances like “Samba” do you realize you are invoking certain deities? Do you realize that these intoxicating dances that are so popular have a deeply pagan origin inspired by demon-deities for purpose of worship to themselves?
- Have you even “Christianized” some of these dances/music styles? Is it impossible for The LORD to inspire dance and music styles that will glorify Him? Do we have to always copy the ways of the world? Do you realize that you are drawn to that kind of music/dance because of its intoxicating style deliberately implanted by these demon deities?
- Do you realize that when you do not make those covenantal renewal observations especially blood sacrifices as required, there is a backlash on you? Do you notice increased levels of blood letting, even death through accidents etc.? Ask The LORD to give you understanding of His righteous standards in all these aspects.
- Do you wonder why there may be some calamities that befall people because of rituals and practices you may be ignorantly practicing? From the Christmas season to the time of Epiphany on the 12th night after Christmas, through to the Carnivals and mardi gras (Fat Tuesday) events and the Lent season up to the Easter season, there is escalating pagan practices that bring many to bondages they may not even be aware of.

–

Fat Tuesday/Mardi Gras: Billed as the “greatest free party on earth,” Mardi Gras is celebrated by millions around the world. Colorful costumes. Spectacular parades. Elegant pageants. Masked balls. People dancing in the streets to rhythmic, intoxicating music. All with an air of carefree abandon. As the music reverberates, alcohol

flows. Wildly elaborate floats glide down the street, with frenzied masqueraders onboard. Crowds of onlookers shout encouragement.

Mardi Gras (also called “Carnival” in many countries) is a time of unrestrained merrymaking, in which participants passionately indulge every fleshly desire. Celebrated predominantly in Roman Catholic communities in Europe and Latin America, pre-Lenten carnivals are spreading in the U.S and Africa too. Even Asia is not being left behind in these festivities.

Although the term Mardi Gras refers to a specific day, it is not a single-day celebration. Every year, beginning in January, Carnival festivities occur daily, culminating in the final climatic Mardi Gras celebration the day before the observance of Lent, a 40-day period of self-denial. Mardi Gras is considered to be the last day for indulging in the pleasures of the flesh before Lent begins. In fact, the word Carnival means “farewell to the flesh,” and comes from the Latin words *carnis* (“flesh”) and *vale* (“farewell”).

The earliest record comes from ancient times, when tribes celebrated a fertility festival that welcomed the arrival of spring, a time of renewal of life. The Romans called this pagan festival Lupercalia in honor of “Lupercus,” the Roman god of fertility as explained previously. Lupercalia was a drunken orgy of merrymaking held each February in Rome, after which participants fasted for 40 days.

Also it dates from the pre-Christian era when the Druids sacrificed offerings to pagan gods, seeking more fertile women and livestock. This day was also known as “Shrove Tuesday” (from the old English word “shrive,” which means to confess all sins) and “Pancake Tuesday.” The custom of making pancakes came from the need to use up all the fat, eggs and dairy products before the fasting period of Lent began.

Interestingly, similar to modern celebrations, the Romans donned masks, dressed in costumes and indulged all of their fleshly desires as they gave themselves to the gods “Bacchus” (god of wine) and “Venus” (goddess of love). The masks and costumes were used as disguises to allow sexual liberties not normally permitted as individuals engaged in “bacchanal,” the drunken and riotous occasion in honor of Bacchus.

In France, the festival was called Mardi Gras, meaning “Fat Tuesday.” This name comes from the ancient pagan practice of killing and eating a fattened calf on the last day of Carnival;

Mardi Gras represents a blend of religion and immorality, steeped in ancient pagan fertility rites.

As pagans converted to Catholicism, they did not want to give up this popular celebration. Church leaders, seeing that it was impossible to divorce the new converts from their pagan customs, decided to “Christianize” this festival. Thus, Carnival was created as a time of merrymaking immediately preceding their pagan 40-day fast, which the church renamed “Lent.” During Carnival, participants indulged in madness and all aspects of pleasure allowable, including gluttony, drunkenness and fornication.

In modern times as The LORD is removed from western societies, on Fat Tuesday, revelers jam the streets with non-stop partying. The atmosphere is charged with drunkenness and unbridled sexual activity and perversion. In

the French Quarter, homosexuals have costume contests before audiences of thousands. Women lean over balconies and openly expose their nakedness to anyone who will give mardi gras beads to them (The rosary was given to superimpose the mardi-gras beads). The practice of revelers engaging in sex with strangers is common and marriages and relationships suffer. After the festival ends, city streets are so filthy that the following day is jokingly referred to as “Trash Wednesday,” instead of Ash Wednesday.

Lent: Unfortunately the foundations of the coming season of Lent leading up to Easter are not as GODly as they seem. Today, Lent is used for “fasting from sin and from vice...forsaking sin and sinful ways.” It is a season “for penance, which means sorrow for sin and conversion to The LORD.” This tradition teaches that fasting and employing self-discipline during Lent will give a worshipper the “control over himself that he needs to purify his heart and renew his life. However, the Scriptures clearly show that self-control—temperance—comes from having the Holy Spirit working in the life of a converted mind (Gal. 5:16-17, 22-23). Fasting—of and by itself—cannot produce GODly self-control. Read Col 2.20-23: Paul warned against using self-denial as a tool to rely on your own will. He called it “will worship.” The LORD did not design fasting as a tool for penance, “beating yourself up” or developing will power: Isa 58.5-7. It is meant to subdue our flesh so we are more alert in our spirit man to hear and obey The LORD, to humble ourselves and draw closer to Him so we can think and act like Him and live His way of life in every aspect. Jer 9.23-24.

Coming from the Anglo-Saxon *Lencten*, meaning “spring,” Lent originated in the ancient Babylonian mystery religion. “The forty days abstinence of Lent was directly borrowed from the worshippers of the Babylonian goddess...Among the Pagans this Lent seems to have been an indispensable preliminary to the great annual festival in commemoration of the death and resurrection of Tammuz...” (*The Two Babylons*). Tammuz was the false Messiah of the Babylonians—a satanic counterfeit of Jesus Christ.

The Feast of Tammuz was usually celebrated in June (also called the “month of the festival of Tammuz”). Lent was held 40 days before the feast, celebrated by alternate weeping and rejoicing. This is why Lent means “spring”; it took place from spring to early summer.

The Bible records ancient Judah worshipping this false Messiah Ezek 8.14. Again, to conciliate the Pagans to nominal Christianity, ancient Roman church, took measures to get the Christian and Pagan festivals amalgamated, and, by a complicated but skillful adjustment of the calendar, it was found no difficult matter, in general, to get Paganism and Christianity—now far sunk in idolatry—in this as in so many other things, to shake hands. The Roman church replaced Passover with Easter, moving the pagan Feast of Tammuz to early spring, “Christianizing” it. Lent moved with it. This change of the calendar in regard to Easter was attended with momentous consequences. It brought into the Church the grossest corruption and the rankest superstition in connection with the abstinence of Lent

Before giving up personal sins and vices during Lent, the pagans held a wild, “anything goes” celebration to make sure that they got in their share of debaucheries and perversities—what the world celebrates as Mardi Gras or Fat Tuesday today.

- Jesus Christ said in John 8.32 – You shall know the truth and the truth (you know) shall set you free. The information given is for the knowledge of believers. There is a lot of information available today on these various festivals. Since we are in an epoch making season within the Ecclesia and the nations, there is need for an army of kingdom citizens who will be able to stand like Daniel and Joseph within unGODly societies,

and influence each gate with the purposes of The LORD. How will we do it when we are entangled with pagan covenantal practices? If you will stand in this key season, you need to decide whom you will serve and what you will dedicate your times and seasons to. Now you know, ask for guidance from the Holy Spirit on what direction you will take.

- Read 1 Cor 14.33; The LORD is not the Author of confusion. He never instituted Lent, a pagan observance connecting debauchery to the supposed resurrection of a false Messiah. As the Holy Spirit leads you, bring repentance for involving yourself in such observances.
- Read Jer 10.23 and 17.9, Matt 4.4, John 10.35: The LORD commands His people to follow Him—not the traditions of men. His ways are higher—better than man’s Isa 55.8-9.. Men cannot determine for themselves right from wrong or how to properly worship The LORD. Only He can have given clear direction on how He should be worshipped and honored and it is all documented in Scriptures. We must realize that our worship must be by every word that proceeds out of the mouth of The LORD and that His scriptures are irrevocable. Pray as the Holy Spirit will lead you on these matters. Rev 18.2-4, 2 Cor 4.4, Rev 12.9
- Pray that in this season you will pay greater attention to the reality of the Feasts of The LORD rather than pagan festivals that are covered with a thin veil of piety and religiosity.
- Pray that your belief that each day is the day of The LORD, means that it shall be completely dedicated to Him and Him alone; without the trappings of the doctrines of men.
- Jesus Christ made it clear exactly what observances ought to be made by His disciples in every generation - As surprising as it may seem, Lent was never observed by Christ or His apostles. He commanded His disciples to “Go you therefore, and teach all nations... **to observe all things whatsoever I have commanded you**” (Matt. 28:19-20). Jesus Christ never commanded them to observe Lent or Easter. He did, however, command the keeping of Passover and the Days of Unleavened Bread. In fact, during His last Passover on Earth, He gave detailed instructions on how to observe the Passover service. He also instituted new Passover symbols with Himself as the Lamb of The LORD slain for the salvation of the world (John 13:1-17; Luke 22:19-20).

PRAYING THRU THE HEAVENS

The LORD gave created righteous man authority of all that He created including the heavens and the earth. However after the fall this authority was taken away. Men had minimal knowledge of the heavens, except those who dabbled in wickedness and gained some perverted knowledge on how to control the heavens and manipulate the sun, moon and stars to do other than what they were created for. In Psalm 115:16 before Jesus

Christ's sacrifice on Calvary, the heavens were the domain of The LORD's authority. However after His triumphant redemption of all creation, Jesus Christ declared ALL AUTHORITY IN HEAVEN AND ON EARTH was given to Him. He then commissioned all who will be His disciples to take this authority and use it to disciple all creation back to its original purposes as spelled out in scriptures.

- Praise The LORD for the wonderful privilege of understanding the heavens, their role and from month to month, redeeming them to do their original bidding especially through this prayer guide.
- The role of the heavens is clearly spelled out in Genesis 1.14-17. They are to mark out the times and seasons and they have done it with precision since creation. Praise The LORD for their effective role. Dedicate all times and seasons into the hands of The LORD.
- Command the heavens to declare the glory of The LORD alone, and obey only His command through Kingdom citizens who are aligned with His purposes. Command them to disregard every other voice print from the kingdom of darkness through the occult and false religions. Psa 19. 1-6, Psa 148
- The kingdom of darkness tries to align the heavens to adhere to their evil plans and purposes to strengthen the world system. Pray that every prognostication, every alignment from the kingdom of darkness will be turned into confusion in every part of the earth. The heavens shall be closed unto all diviners and prognosticators, and their words will be unintelligible mutterings which will return to them (Isa 44:24-25)
- **Proclaim Ps 7:10; 59:9&17 and Ps 94:22** for strength and fortification.

Lunar Events

The month opens with a **full moon** which will occur on 4 February 2015 @02.10UTC.

- This is the season when the moon is in its full strength. Command the moon to praise The LORD and dedicate all its strength to heeding only to His command and purpose.
- During the full moon the gravitational pull causes the waters of the earth to ebb and flow causing the ebb and flow of tides. All creatures are also largely water so the waters in the body become imbalanced causing a lot of "lunatic" – mentally distorted actions. Those with mental challenges get more troubled, emotionally creatures are affected and there is heightened crimes of passion. Declare that during this full moon, command over all the waters of the earth and in the body "peace be still".

The **last Quarter moon** will occur on 12 February 2015 @06.52UTC and the **First Quarter moon** will occur on 25 February 2015 @20.15UTC

- Command the quarter moons to praise The LORD in their season.
- The occult uses the quarter moons as a spiritual bow for shooting terribly destructive arrows of bitter words at The LORD's people that will slay some and cause some to stumble in their walk with The LORD. (Ps 64:3-5)
- Pray that in the incoming New Year, with their swords drawn and their bows bent for destruction of the righteous, The LORD will cause their swords to enter their own heart, and their bows will be broken. (Ps 37:14-15)

The **new moon** that ushers in the next month will occur on February 19 2015 @02.49UTC

- As the new moon appears, command it and the crescent to praise The LORD alone and dedicate the new month to Him.
- During the new moon, prophetically prophesy the things you would like to see occurring into the next month as The LORD will guide you and as the new moon waxes, declare that the seed of your prophetic word will germinate and grow and come to fullness during the full moon. Declare that the manifestation will occur as the moon wanes into the next month.
- A C shaped moon or its mirror image is a crescent. The occult use the crescent moon as sickles (e.g. Hecate's sickle), for harvesting the gains of the ignorant. Proclaim Isa 44.24-25 over every evil gathering that draws power from the quarter moons.

Solar Events

From January 20 2015 to 17 February 2015 as the sun made its circuit through the heavens, it passed through a cluster of **51 stars** in the constellation called **CAPRICORNUS** symbolized by the sea goat. This represents Jesus Christ as the Goat of atonement slain by the arrow of The LORD for the Redeemed. You may refer to the **January 2015** Prayer guide no. 2 to pray through the heavens up until Feb 17th.

From February 17th to March 11th as the sun makes its circuit through the heavens it will pass through a cluster of **108 stars** in the constellation called **AQUARIUS** located in a region of the sky sometimes called *the Sea*. In sky lore astronomers tend to associate these star patterns with water. It is in Aquarius we find Cetus the Whale, Pisces the Fish, Eridanus the River and Piscis Austrinus the Southern Fish. Named: "Their blessing ensured" or "The living waters of blessing poured forth for the redeemed," Frostbitten of Him coming down; The LORD's rivers/streams; Pours out Spirit Isa 33, Joel 2.

The constellation is pictured in the heavens by a man (Jesus Christ) pouring forth water from an urn which seems to have an inexhaustible supply and flows forth downward into the mouth of a fish (the redeemed) which receives it and drinks it all up. The word of The LORD is symbolized by water in its purifying, cleansing, refreshing and reviving effect on the receiver (Eph 5:26)

- Praise The LORD that in this month He is the original Purifier and not the demon-deity Juno to whom the month was dedicated. Therefore dedicate this month of purification to The LORD.
- This is a year of the Word of The LORD. The water of the word purifies. Take time to read larger chunks of the word and as you read out the scriptures, prophetically pray that there will be a cleansing effect in areas of your body soul and spirit where cleansing is required for this season. Whether you need to have cleaner language, cleaner spiritual ears to hear The LORD more clearly, a cleaner conscience cleansed from feelings of condemnation and guilt, a cleaner blood system, nerve system, mental capacity from various diseases, proclaim those areas that you sense require a cleansing effect in this season.
- As the heavens declare, ask that the Holy Spirit will guide you in these coming days, to be in a posture of repentance, restitution and rededication of your own life to The LORD. Pray this for kingdom citizens everywhere. Psalm 51
- Present your family and your community for purging of every defiling activity. Where there are oaths taken, unGODly blood covenants made, heightened ancestral worship activity, ask The LORD to drain the counterfeit purification activities. Isaiah 47
- In this season a counterfeit from the kingdom of darkness, in the form of water spirit activities like the demonic festivals of February, become manifest as they endeavor to secure the final gates of the sacred year and open up the new season to defilement. Ask The LORD to pass through every moment of this month, and every activity in your life, in your relationships, in the Body of Jesus Christ and in the territory draining them of every water spirit defilement Ezek 32.1-15
- Pray that the blood of Jesus Christ which washes whiter than snow will cleanse and purify your community of every evil blood-letting that does not purify but defiles the land.
- As the heavens declare, pray for a fresh anointing for the coming season upon the Ecclesia worldwide.

The other smaller group of stars called decans that form part of Aquarius describe the blessings bestowed upon the redeemed by Jesus Christ, the One who blesses.

Piscis Australis (The southern fish) represents the blessings bestowed. Piscis Australis is inseparable from Aquarius and represents the mouth of the fish. Water brings refreshment. Named: mouth of the fish; blessing is bestowed on the redeemed.

- As Jesus Christ pours out the water of His word over you as you read the word out daily over the body of

Jesus Christ and territory, ask that His purifying water pass through all the waters of your body, the waters of your family and territory and drain them of every water spirit manifestation in every gate of society

- Ask The LORD to do a deep and thorough sweeping of the Body of Jesus Christ as you faithfully read out the scriptures daily so that the voice of the Body of Christ will become relevant with regard to governance of the nation as this is a season of divine governance.

“In the last day, that great day of the feast, Jesus Christ stood and cried, saying, If any man THIRST, let him come unto me and drink. He that believeth on me, out of his belly shall flow rivers of living water”. Jesus Christ, by this call was referring to the Holy Spirit which they who believe in Him should receive after He has been glorified. (John 7:37-39)

- Pray that this will become the clarion call of the Body of Jesus Christ to the nations as He wipes away the damaging effects of the unbiblical prosperity gospel at the expense of a righteous, holy and pure life before The LORD.
- Pray that through your giving and sharing of His word, The LORD will give you opportunities to become a conduit through whom His living water will flow and touch lives of those who are otherwise dead in various aspects of sin and do not understand that the grace of Jesus Christ has been shed abroad to all who will believe and receive it.

Pegasus (The winged horse) represents the blessings quickly coming. Named; chief horse; speedy bestowment of living waters

- Thank The LORD that His timing is not similar to our timing. Are there areas in which you feel He has delayed and you have been waiting too long? His blessings are coming quickly. Ask The LORD to help you walk in His timing with regard to His purposes being fulfilled in your life. Pray this for the Kingdom citizens everywhere. Isaiah 40:29-31.
- Pray that in this season when there is heightening demonic activity in the various pagan festivals, The LORD will activate in kingdom citizens the nature of the goodly war-horse. Proclaim Job 39:19-25 over this nature in your life as follows:

May we take on the nature of the strong war-horse may we be clothed with thunder on our neck. May we be fearless as he is and may our voice strike terror in the kingdom of darkness over _____. Everywhere our feet will tread upon in _____ we will rejoice in our strength for the joy of The LORD is our strength and we will run into the clash of arms. We will mock at fear and we will not turn back from the sword. The weapons of our warfare are mighty through The LORD to the pulling down of strongholds in _____ and we will have good success. The LORD strengthen our legs that we will devour the distance with fierceness and holy rage; and we will not stop because the trumpet has sounded. At the blast of the trumpet we will laugh. We will smell battle from afar, the thunder of captains and shouting, and we will go into the battle with the kingdom of darkness knowing that greater is He that is in us than He that is in _____. (Culled from *Praying Thru the 10/40 Window* @2014 Lily Mudasia GCLA Publication)

Cygnus (The swan) represents the one who blesses surely returning. It has to do with the Great Blessor and His speedy return. The swan is not so much a bird of the air but a bird peculiarly belonging to both the earth and waters. Named: Ethics from afar, fountain of life Psa 36:8-9

The entire star constellation signifies “The living waters of blessing poured forth for the redeemed who drink in the blessing. Bringing speedily the good news of the returning Redeemer.

- This is a season of revival and healing. Thank Jesus Christ He is the Son of Righteousness who will in this season rise with healing in His wings. If there is any area of ailment, command the heavens to release healing to you and your loved ones. Remember that “sozo” has to do with healing too. The heavens shall not smite you, but rather, they will release every healing and succor for your body, soul and spirit. Pray this for the every kingdom citizen. (Psalm 121:6-8, Mal 4:2)
- Thank The LORD that He has promised to return for His own and the heavens do declare this in this season. Pray that the Ecclesia will go back to the message of the Day of The LORD and that many kingdom citizens will have the call for the return of The LORD as we fulfill His purposes. Rev 22:17

PROCLAIM

The LORD IS OUR REFUGE AND STRENGTH, AN EVER PRESENT HELP IN TROUBLE THEREFORE WE WILL NOT FEAR, THOUGH THE EARTH GIVE WAY AND THE MOUNTAINS FALL INTO THE HEART OF THE SEA, THOUGH ITS WATERS ROAR AND FOAM AND THE MOUNTAINS QUAKE WITH THEIR SURGING. THERE IS A RIVER WHOSE STREAMS MAKE GLAD THE CITY OF THE LORD, THE HOLY PLACE WHERE THE MOST HIGH DWELLS. The LORD IS IN THE MIDST OF HER, SHE WILL NOT FALL; The LORD WILL HELP HER AT BREAK OF DAY PSALM 46:1-5
