

## PROPHETIC WORD FOR 2017

### PART I

This is a part the prophetic word for 2017 that came through Dr. Abu Bako on December 31, 2016, at Logos Rhema Foundation for Leadership and Resource Development in Accra, Ghana.

(Due to technical difficulties we were unable to capture the first 30 minutes of the message)

(Dr. Abu Bako praying) The discipline of wisdom, the discipline of the ministry of the Holy Spirit and the seven fold Spirits of the Lord I reactivate right now in the name of the Lord Jesus. Every discipline in my life I reactivate right now in the name of the Lord Jesus. Thank you Lord God almighty because we know it is done in the name of the Lord Jesus. Amen.

The year 2017 is the year of reconnection and resurrection of relationships and disciplines. It is the year of aggregation and compounding, for expressing the thing that is supposed to be lying dormant. Everything that is still outstanding, everything that looks like it was not going to come... things that have been outstanding for thirty, forty years. We are talking about reconnection in terms of relationships. What is the first relationship? [It is] the relationship with God. This time around, in 2017 [it is time] to develop that relationship of knowing God as Father. There are a lot of things that are going to happen and that He can tell you "This is what I was actually doing it is because I want to teach this nation or that nation this particular lesson."

The rumblings in the crust of the earth, on the earth and in the heavens are going to increase. God wants you to know Him as Father. He wants to relate to you as a Father. So [it is] the relationship part as a Father. Though no man knows you... yet He will be your Father.

You need to reconnect with God as the Son. He is about to take us to the place where the Fatherhood of God over nations will be released into manifestation. Where you will begin to see how God will cause nations to have true fathers. I am praying that God will help your nation to finally press into the place where they can know God as Father and He will become the Father in reality. Let God become your Father in reality. Then you will not have situations where people are actually plundering their own nations. No father ever steals from his own house. Leaders that have been stealing from their nations will soon become a thing of the past if we get it right in 2017 because it is a change of season.

It is a year that is shifting everything into a place where God now will begin to take His rightful place. The Fatherhood of God will become a reality even in terms of the way He will begin to raise true leaders within the heart of fathers and mothers. Then Malachi 4:2-6 will become a reality in the next 3 to 5 years. It is a three (3) year minimum development plan and a five year [maximum] development plan.

Nations will literally begin to change places. That is because the Father is coming back for His estate. As many of His children as are ready to become sons, He is going to begin to hand over portions of the estate to them. That will become a reality.

There are seven critical relationships:

1. The relationship with the Father
2. The relationship with the Son
3. The relationship with the Holy Spirit
4. The relationship with life (That has to do with the originality of personality, especially dealing with spirit, soul and body.)
5. The relationship with the family
6. Knowing how to relate to the rest of the society (The kinds of principles, philosophies, tenets, practices that you need to be able to make it well with the rest of the society.)
7. The relationship with the rest of creation (Creation has been waiting for the manifestation of the sons of God.) 2017 will become the time when quite a number all over the world that will be used of God. That will be ready to build God's inheritance in the nations.

When it comes to the relationship with the Son you will now become somebody that can ask for nations for your inheritance and the ends [of the earth] for your possession. Psalm 2:7&8.

The Bible says, "Ask of me and I will give you the nations". It says first of all, "I will declare this decree: The Lord has said to Me, 'You are My Son. Today I have begotten You. Ask of Me, and I will give You the nations for Your inheritance, and the ends of the earth for Your possession.'" Until you become a son you are not qualified to ask for nations. Meaning once you become a son He knows you will build up the nations and you will build up the ends of the earth so He will give you the nations for your inheritance and the ends of the earth as your possession. So the days of rejoicing over little, little possessions are over. You are going to now ask for nations.

Now begin to receive the ability, the anointing to take nations in the name of the Lord Jesus.

Receive the grace to take nations. Receive the anointing to take nations. Receive the impartation to take nations in the name of the Lord Jesus. I declare from this day everything that is necessary for the ends of the earth to be released to you is released right now. Let your life become one of the best expressions of God that the ends of the earth can be given to you for your possession. That you will not be satisfied any longer with anything that is less than God's original for you in the name of the Lord Jesus. Whatever is currently putting you under is now judged in the name of the Lord Jesus. We subdue it by the power that is vested in the name and the blood of Jesus. Let God arise right now and let his enemies be scattered. Let God arise and let His foes flee before Him. As smoke that is driven before the wind we declare them blown away. As wax that melts before the fire so let the wicked perish in the presence of God in the name of the Lord Jesus.

There will be reconnecting in terms of your relationship with the Son so that He can help you to know what it is to be a son of God, whether you are a male or female. The nature of the Lord Jesus Christ will be released into expression since you are his body.

One of things, for example, will have to do with humility of heart. We know from Matthew 11:28 & 29: "Come to Me, all you who labor and are heavy laden, and I will give you rest. Take My yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find rest for your souls. You are supposed to learn the humility of heart, the humility that exalts. The enemy will end up with the Father slapping the enemy through you."

Psalm 3:7 says: "Arise, O Lord; Save me, O my God! For You have struck all my enemies on the cheekbone; You have broken the teeth of the ungodly." [This is] the kind of slap that will actually knock out a few teeth.

When I talked about resurrection of disciplines and even the fact that there are things that might have died that He will resurrect. While I was waiting on Him, He gave me a song. It ends with "right now, right now". One of the things that will be very important for 2017 is excellence. The song is a warfare song meant for 2017. The song will be sung on January 8, 2017.

Sonship will cause you to reconnect to your position in God [so that] you can have your enemies subdued. Psalm 110:1 says: "Sit down at My right hand until I make thy enemies thy footstool." Who was He speaking to? He was speaking to the Son. So when you reconnect in terms of your relationship with the Son you will learn that. You will learn servant-hood. You will learn service. You will learn commitment. You will learn obedience. Reconnecting with the Son, He will teach you how to do everything in step with the Spirit. That is Galatians 5:25: "If we live in the Spirit, let us walk in the Spirit." Jesus says "I do nothing of my own, but the Father Himself who sent me has given Me a commandment as to what to say and what to do." John 12:49. That is how it was with Jesus. It means you will only speak what the Father wants you to speak and how He wants you to speak.

According to 1 Corinthians 1:30: "But by His doing you are in Christ Jesus, who became to us wisdom from God, and righteousness and sanctification, and redemption." When it comes to relationship with the Son, you will end up with wisdom. You need wisdom because for 2017 because a lot of things are going to come. It will be one of the fastest years you have lived. That is why you will need wisdom to build. Wisdom is the principal thing; therefore get wisdom: but with all your getting get understanding. Proverbs 4:7. So a relationship with the Son will help you to have wisdom.

According to Proverbs 24:3 & 4 it says: "By wisdom a house is built, and by understanding it is established; and by knowledge the rooms are filled with all precious and pleasant riches."

The wisdom to build will be your portion. The understanding for establishment is released into your life. The revelation knowledge necessary for choice treasures to flow in your direction we release to you right now in the name of the Lord Jesus. May God activate every deposit of wisdom that has been lying dormant inside you. May God activate every deposit of understanding that has been lying dormant inside you. May God activate every deposit of revelation knowledge that has been lying dormant inside you, in the name of the Lord Jesus. May God cause you to come to the place where you begin to express the wisdom of God. The wisdom that can neither be resisted or contradicted in the name of the Lord Jesus.

Luke 21:15 says: "I will give you words and wisdom that none of your adversaries will be able to resist or contradict". May God give you that kind of wisdom that when you enter a place where people have already made up their minds that this time they are going to be floored by you. This time they are going to be embarrassed by you. You will end up with such wisdom coming forth out of your mouth that they will be dumbfounded in the name of the Lord Jesus. Out of your belly shall flow rivers of wisdom, rivers of understanding, rivers of counsel, rivers of revelation knowledge, rivers of might, rivers of staying power, rivers of such fear of the Lord that God will cause you to always have an overcoming power and edge over the people that come against you in the name of the Lord Jesus. May God in your life be expanded to a point that you will almost disappear into oblivion because people don't see you anymore but [they see] the God in you. Let God arise now inside you and let wisdom take over. Let wisdom over from wherever you have made foolish decisions. God is going to cause you to begin to recover grounds that you had lost in the past. God is about to use wisdom to recover.

Raise your right hand and say: "I receive the wisdom to recover all lost grounds by the nature of the Son, Jesus Christ, by the nature of the Lamb of God, by the nature of the Messiah Yeshua, in the name of the Lord Jesus. Let the nature of God in you, let the nature of the Son in you, let the nature of the Lamb in you, let the nature of the conqueror in you, let the nature of the more than conqueror in you that is supposed to be released into manifestation be released right now.

This is going to cause you to enter another level of operation. From now, even the earth will start yielding to you. The wind will begin to yield to you. The sun, the moon, the stars will begin to yield to you. Every part of creation will begin to cooperate with God's purpose in your life. That is what we just said now by activating the things we just activated with the nature of the Lamb. It means you will end up with perfect vision and perfect power.

2017 is the year of maturity. May the maturity of sonship be released. May the ability to take responsibility for even your own failures be released. Once you take responsibility, then you take responsibility to put things right.

Even for Nigeria, do not be surprised if by the end of the first six months some mighty trees would have fallen—unless they repent. I am praying that if it be possible, they should repent. If they do not repent, do not be surprised because He told me that Proverbs 29:1 will become a reality in their lives. [Proverbs 29:1 says] "He who is often rebuked, and hardens his neck, will suddenly be destroyed, and that without remedy." That is what is going to happen for some people. That is why

it is important for those who are from Nigeria, to warn the people concerning Southern Kaduna and the things that they are doing. If you are in Abuja, you need to warn the people there. If certain things are not righted there are some things that could go wrong with certain people.

When it comes to the aspect of sonship, you will take responsibility for nations. It is the year to reconnect in terms of your relationship with the Holy Spirit. It is the year that you should make sure that you understand the Holy Spirit more than ever before. In terms of the person of the Holy Spirit, the manifestations of the Holy Spirit, the works of the Holy Spirit, the ministry of the Holy Spirit. When it comes to the ministry of the Holy Spirit, He could come with all the emblems including the aspect of the seven-fold Spirit of God. In terms of relationship with the Holy Spirit you should get to the place where you are consistently communing with the Holy Spirit. [You should get to] the Koinonia (Greek word means communion) with the Holy Spirit and transportation to the same realm with the Holy Spirit. You should come to the place where you actually hold discussions with the Holy Spirit. It is that important.

This is the season of elevation. God is going to elevate as many as are going to keep in step with the Holy Spirit. You would be shocked at the number of people God would have raised to that level. They will hardly be able to recognize themselves. It will also be the season of demotion for a lot of people that are not ready to acknowledge the work of the Holy Spirit.

Even for the nations, the things that are going wrong—it is because they have not acknowledged God as Father. Even the peace process in Israel will not succeed until we take God's Word and begin to go God's way and begin to acknowledge His Lordship.

Talking about your relationship with the Holy Spirit—the first thing is the person of the Holy Spirit. The Holy Spirit as the comforter—The Holy Spirit as the oil of joy—as the wind, the fire, the seven flames. That is what you are supposed to be activating.

It is the year of reconnection of relationships with the Father, the Son and the Holy Spirit.

Reconnecting with the Holy Spirit will include the aspect of reconnecting with His person, His nature, His character. It is the same thing with the Father and the Son. This is something that will help you now to really walk with God. There are some of you that do not understand when God is speaking. You are going to hear God clearly. This is the season. This time expect to hear from Him.

When you hear, start moving. He will make sure that no other person will speak to you because the voice of a stranger you will not follow.

There will be divinely inspired ideas that will come. The minimum number of streams of income people should have is 7 streams of income. Ecclesiastes 11. This will be the year that God will show you some things that will make the 7 streams of income just the beginning point for those of you that will take Him seriously. Promptness of obedience will be critical. You should not grieve the Holy Spirit. God wants to reconnect with other aspects that will give you a fuller life.

Prayer — I declare from this day that there will be a greater revelation of the Holy Spirit in your life. (Lay a hand on your chest.) Holy Spirit I receive a reconnection with you right now. I use this part of my body as a point of contact for the core of my personality, my heart. I ask right now that there will be an activation of my heart and the forces of my heart to connect with you because the love of God is spread abroad richly in my heart by you. So Holy Spirit take my heart now and turn it the way the Father wants it, in the name of the Lord Jesus. From this day my heart will be set on the heart of God. I will seek God with all my heart, in the name of the Lord Jesus. I love the Lord with all my heart, with all my soul, with all my strength, with all my mind by your help. Holy Spirit from this day, I receive the nature of the wind activated right now. I am born of the Spirit in line with John 3:8, whatsoever is born of you will be like the wind. The wind blows wherever it wants to go. No one knows where it is coming from nor where it is going. We only hear and feel the effect. So is everyone that is born of the Spirit. So the nature of the wind in me I activate for 2017 in the name of the Lord Jesus. I will go wherever God wants me to go. People might not be able to figure me out—in the name of the Lord Jesus. They will feel the effect of the work of God in and through my life. I declare from this day, the oil of joy is released into my life, is released through my life into the nations: into the nation of Ghana; into the nation of Nigeria; into the nation of South Africa; in the name of the Lord Jesus.

I activate right now the nature of the dove, in the name of the Lord Jesus. I activate the nature of the flame of fire, in the name of the Lord Jesus. I activate every nature of the seven-fold Spirits of God, the nature of covenant Spirit. The Spirit of the covenant, the Spirit of wisdom, the Spirit of understanding, the Spirit of counsel, the Spirit of might, the Spirit of revelation knowledge, the Spirit of the fear of the Lord, I activate right now. Begin to manifest through me. I declare I shall express that in the name of the Lord Jesus. Everything I have learnt over the years concerning the Holy Spirit that has been lying dormant, that has not been put to work, I activate it right now. Come alive right now for expression and manifestation. I declare by the word of the Lord – everything is aggregated now—everything is compounded right now for expression and manifestation. I release

that now. I am launched into my new level of operation in the name of the Lord Jesus by the power of the Holy Spirit, by the work of the Holy Spirit, by the ministry of the Holy Spirit in the name of the Lord Jesus. Amen.

Next we look at reconnection with life and originality of personality. This is the aspect of Luke 10:25-28 finally coming to expression and manifestation. It says there that Jesus asked the young man, "How do you read the law? What does it say?" Then the young man answered and in verse 28 Jesus told the young man that if he did what he just said he would live life to the full. What was it that the young man said? He said, "You shall love the Lord your God with all your heart, with all your soul, with all your strength, and with all your mind, and your neighbor as yourself."

When you reconnect with life you will love the Lord your God with all your heart, with all your soul, with all your strength, and with all your mind, and your neighbor as yourself. This is talking about purpose.

Let God help you to discover the original purpose for which He brought you on to the face of the earth. It is that which will make you decide like Daniel in Babylon to say, "I will not partake of anything that will contaminate me because I have purpose in my heart." It will cause you to be like David who will be after God's own heart. Acts 13:22. When you discover purpose you will love the Lord your God with all your heart. How do I love the Lord? By discovering the purpose for which He brought me on the face of this earth. If I say, "I love you" and you have sent me to do something—if I do not do what you have sent me to do then I do not really love you. If I fulfill the purpose for which you sent me then I have shown that I love you with all my heart.

The second one is "with all my soul". That is the aspect of originality of personality. The soul has to do with your uniqueness—your heart, your mind, your will, your emotions, your intellect, your conscience. You are not supposed to throw away your originality, your uniqueness. Let that uniqueness come forth in 2017. Let it be released into full expression. Let the reality of your life being unique be released into manifestation. May everybody begin to discover their uniqueness and express it as worship unto the most high God in the name of the Lord Jesus.

God wants you to love Him with "all your strength"—hard work. Discover the place of hard work. Finally, love Him with "all your mind". May God, who has begun a good work in your life bring it to a perfect conclusion. May God bring you to the place where, indeed, you will become one of the best expressions of God in 2017. May God bring you to the place where you will become one of

the most responsible people in 2017. May God bring you to the place where you will become who a good example of what it means to love the Lord your God. In the name that is above all names, Jesus Christ our Lord. Amen.

The next Section was the welcoming of the Ambassador of Israel to Ghana. He and his family attended the service on the last night of Hanukkah. Dr. Bako explained that Isaiah 19:19-25 was being enacted on a higher level today in this assembly. He noted that there were people from Lebanon in the assembly. The session began with the Ambassador's wife explaining the significance of the Hanukah celebration. The candles were lit by the Ambassador, Dr. Bako, a gentleman from Lebanon, representatives from Nigeria, Kenya, South Africa, the Ambassador's wife, the Ambassador's two children lit one candle, and two children from Ghana lit the other candle.

The session ended with Dr. Bako praying for Israel. He noted that whoever possesses the gates possesses anything that you are trying to possess. He looked at Ezekiel 26:1-3, which says: "In the eleventh month of the twelfth year, on the first day of the month, the word of the LORD came to me: "Son of man, because Tyre has said of Jerusalem, 'Aha! The gate to the nations is broken, and its doors have swung open to me; now that she lies in ruins I will prosper,' therefore this is what the Sovereign LORD says: I am against you, Tyre, and I will bring many nations against you, like the sea casting up its waves."

Verse 2 clearly says Jerusalem is the gate to the nations. That is why they want Jerusalem destroyed! It is not about land it is about a particular altar.

The UN resolution 2334 – Look at Matthew 23:34 & 35: Therefore I am sending you prophets and sages and teachers. Some of them you will kill and crucify; others you will flog in your synagogues and pursue from town to town. And so upon you will come all the righteous blood that has been shed on earth, from the blood of righteous Abel to the blood of Zechariah son of Berekiah, whom you murdered between the temple and the altar.

This is what they are trying to push so that they can now increase the violence in the nations. God will delay it a bit. It might still come because of some things in Daniel 11:7: "One from her family line will arise to take her place. He will attack the forces of the king of the North and enter his fortress; he will fight against them and be victorious."

Dr. Bako prayed that God's counsel over Jerusalem and over Israel would stand. The second part of

the prayer was that God would give the Israel and the Jews His own strategy. Pray that God would give the Arabs His strategy. According to Isaiah 19:19-25, the reason why you see these three being persecuted—the Jews, the Africans and the Assyrians amongst the Arabs is because they are supposed to be a blessing in the earth. There is a fight because if the three come together blessing will be upon the earth. The devil does not want the blessing. This is what the Dragon is fighting. That is why you will continue with the peace process but any way other than the way of God will not succeed.

The congregation prayed the two prayer points:

1. Pray that God's counsel over Jerusalem and over Israel would stand. No other counsel will stand. Pray that the counsel of man will not stand.
2. Pray that God would give Israel and the Jews His own strategy. Pray that God would give the Arabs His own strategy.

### PROPHETIC WORD 2017

#### PART 2

*This is the prophetic word for 2017 that came through Dr. Abu Bako on January 1, 2017 at Logos-Rhema Foundation for Leadership Resource Development in Accra, Ghana.*

We give you all the glory Lord. You alone are the Most High God. Every part of creation testifies you are the most high. Even so, go ahead and continue to glorify your name because the earth is yours and the fullness there of; the world and they that dwell therein. For you founded it upon the seas and established it upon the waters. Who shall ascend to your hill? Who shall stand in your holy place? He that has clean hands and a pure heart, who has not lifted up his soul to vanity or sworn deceitfully, He shall obtain favor from you and blessing from the God of our salvation. This is the generation of those that seek you; that seek your face O God of Jacob.

We say to the gates of the earth, the gates of time – Every ancient or everlasting door – Lift up your heads O ye gates! Lift up your heads O ye gates of this particular time! Lift up your head O ye gates all over the world! Lift up your heads O ye gates in the heavens! Lift up your heads O ye gates in every part of the heavens! Lift up your heads O ye gates in the highest heavens! Lift up your heads O ye gates in the mid heavens! Lift up your heads O ye gates in the lowest heaven! Even the first heaven where you have the sun, the moon and the stars - Lift up your heads O sun! Lift up your heads O ye gate of the sun! Lift up your heads O ye gates of the moon! Lift up your heads O ye gates of the stars! Lift up your heads O ye gates of the highest heavens! Lift up your heads O ye gates of the waters above the heavens! And be lifted up ye everlasting doors that the King of Glory in us and in this service shall come in. Who is this King of Glory? The Lord, strong and mighty. The Lord, mighty in battle.

Lift up your heads O ye gates of the earth! Lift up your heads O ye gates of the waters on earth! Lift up your heads O ye gates of the various inhabitants of the waters, beasts and various kinds of

living creatures in the waters – including the blue whale and the ones we do not know – the mighty creatures in the oceans and the mountains under the sea and every single one of you – Lift up your heads O ye gates of all of these right now! Lift up your heads O ye gates of the mountains here on earth! Lift up your heads O ye gates of the vegetation, the trees, every blade of grass including those gates [where] people have locked things up – those gates [where] spirits have locked things up that belong to the people of God. Lift up your heads O ye gates and be lifted up ye everlasting doors and the King of Glory in us, and the King of Glory in this service, and the King of Glory in this season, and the King of Glory in this year, and the King of Glory in this month, and the King of Glory in this week, and the King of Glory in this day shall come in. Who is this King of Glory? The Lord of Hosts, the Commander-in-Chief of the armed forces of the universe – Jesus Christ the Son of the living God. He is the King of Glory.

Lift up your heads O ye gates of the animal kingdom and every single animal that has anything that belongs to the people of God, that belongs to the program of God, that belongs to the agenda of God in this year. Lift up your heads O ye gates and be lifted up you everlasting doors and the King of Glory shall come in. The King of Glory that is in us is coming in right now. Lift up your heads O ye gates of the animal kingdom and the kingdom of the small living creatures and those ones that are the hoppers and the flyers and the creepers. Lift up your heads O ye gates and be lifted up you everlasting doors and the King of Glory shall come in. Who is this King of Glory? The Lord mighty in battle, the Lord who is the strong one, the Lord who is mighty amongst His people. The Lord who is the Lord of lords. The Lord who is the everlasting King. The Lord who is the everlasting Father. The Lord who is the Prince of Peace. The Lord who is the miracle. The Lord who is the maker of all things. The Lord who is the progenitor of all things. The Lord who is the sustainer of all things. The Lord who is the lifter of our heads. The Lord who is our glory. The Lord who is our crown. The Lord who is our wisdom. The Lord who is our sanctifier. The Lord who is our sanctification. The Lord who is our redeemer. The Lord who is our redemption. He is the King of Glory.

Lift up your heads O ye gates and be lifted up ye everlasting doors and the King of Glory in us shall come in. Who is this King of Glory? He is the Ancient of Days. The One who is, who was and who is to come. The One who is the maker of all things. The One who is the owner of all things. The One who is the manufacturer of all things. The One who is the controller of all things. Lift up your heads O ye gates and be lifted up ye everlasting doors. Right now lift up your heads O ye gates of the nations! Lift up your heads O ye gates of the bird family! It does not matter whether you are in the large bird family, the small bird family – wherever you are – lift up your heads right now! We are not just talking about things that have to do with individuals but things that have been

locked away that have been carried by birds. All kinds of messages that have been taken even into caves, into all kinds of places that are belonging to nations. That are belonging to continents.

We say this is the season of exchange. This is the season of recovery. The season of reconnecting. The season of resurrection. The season where everything is being retrieved and restored. We declare right now – Lift up your heads O ye gates of the caves! Lift up your heads O ye gates of the seas! Lift up your heads O ye gates of the dark recesses of the earth! Be lifted up ye everlasting doors and the King of Glory in us shall come in. Who is this King of Glory? The Lord strong and mighty – the Lord mighty in battle! Lift up your heads O ye gates of every continent right now! Lift up your heads O ye gates of the Americas North, Central and South. Lift up your head O ye gates of Europe – whether it be Western, or Eastern, or the mid part of Europe! Lift up your heads O ye gates of Eurasia! Lift up your heads O ye gates of Asia! Lift up your heads O ye gates of the Pacific Basin – weather is has to do with Micronesia, Melanesia or Polynesia – we say lift up your heads O ye gates and be lifted up ye everlasting doors! Lift up your heads O ye gates of Africa! Lift up your heads O ye gates of the islands and the distant shores and be lifted up ye everlasting doors and the King of Glory in us shall come in. Who is this King of Glory? The Lord of Hosts, the Lord mighty in battle, the Lord strong and mighty, the Lord who is the everlasting King, the Lord who is, who was and is to come. The Lord who is the Commander-in-chief of the armed forces of the universe, the Lord of Hosts, the Lord of the heavenly Hosts, the Lord of the earthly Hosts, the Lord of the universal Hosts. We say He is the King of Glory.

Lift up your heads o ye gates and be lifted up ye everlasting doors of the human family—those in authority—we say let your gates be open right now to do the purpose of God, the will of God, the counsel of the Lord. Not only as it pertains to our lives but the counsel of the Lord. Because His counsel is greater than anybody's counsel. His counsel automatically includes His counsel over our lives. We say let all of that for the year 2017 be released right now. We decree that right now. We fasten these words upon the heavens. We fasten these words upon the heights above. We fasten these words upon the angelic realm. Every angel, hear the word of the Lord! You are hereby activated right now to go and do that which God has spoken. Wherever you have to go in the entire universe we activate you to go right now and bring back right now [that which is needed] for the purpose of establishing the purpose of God, the kingdom of God, the glory of God.

Everything that has to do with even the title deed of the universe, the power of God shall be recognized for what it is. We declare that from now on, people shall seek true wealth and they will be able to distinguish between true wealth and wealth that is not wealth. We declare from this day by reason of the activation of the angels and the heavenly hosts and every single part of the

constellations—the sun, the moon, the stars, the highest heavens, the waters above the heavens—right now everything that is not of God will begin to be glaringly exposed to be so.

We decree that right now in the name of the Lord Jesus. We say right now let every part that needs to bear record, write down the minutes. As you are being activated you write down the minutes that everyone in this service has been marked out for special attention. Every family that is represented here has been marked out for special attention. Every community, ancestry, clan, tribe, every lineage that is represented here is right now marked out for glory in the name of the Lord Jesus. Take the minutes. Make sure those minutes are not only read but they are kept as point of reference for establishing the purpose of God in the name of the Lord Jesus.

We decree that from this day everything that needs to be released in each life here to become a formidable, impenetrable fortress is released right now, in the name of the Lord Jesus. We activate every part of the earth so that from today, right from the womb of the earth everything that needs to be released for the purpose of establishing the supremacy of the Kingdom of God over all other kingdoms will be released right now.

Lord you caused me last night under your inspiration to anoint the people for the purpose of manifesting the supremacy of the Kingdom of God over all other kingdoms. Even so, let the entire earth, beginning with every part of the atmosphere – we declare the atmosphere changed right now! We declare a total transformation of the atmosphere from today. Even when I enter an atmosphere that has been fouled up because I have come that atmosphere will be completely readjusted in the name of Jesus.

We decree and declare that from this day by reason of the transformation, the reactivation, the heavenly factory reset button that has just been pressed—factory reset right now has taken place. Except for already installed software that is reinstalled in the name of the Lord Jesus. In every life, in every home, in every family, in every marriage—marriages that had been fouled up—by reason of this service we declare a change of atmosphere right now. We say not only in this nation but all over the world, wherever you are watching now, wherever you are watching live, we say you are receiving right now that transformation—that total reset—total restoration. We declare the restore button pressed now by the Most High God in the name of the Lord Jesus.

Let God arise! Let His enemies be scattered! Let God arise! Let His foes flee before Him! As smoke that is driven before the wind I declare you blown away right now. As wax that melts before

the fire let the wicked now perish in the presence of the Lord. As long as anyone here carries the presence of God wherever we go from this day, the wicked will end up bowing in the name of the Lord Jesus. We decree that established right now according to God's original plan and purpose in the name of the Lord Jesus.

We activate the whole of the waters. Let the seas begin to churn. Let the rivers begin to churn in the name of the Lord Jesus. We activate every part of creation right now. We activate the mountains. We activate the hills. We activate the land. We activate the soil. We activate the dust even in the air. We say that from today anything that God wants done is what is going to be done. Anything outside of that is not allowed anymore.

Fight in your courses o stars against every Sisera, any commander of Jabin's army in any life here, in any life represented here, against the cause of God in any life. Let those commanders now be dealt with by the Most High God by reason of the stars that have been activated in the name of the Lord Jesus.

Let God arise, let His enemies be scattered. Let God arise and let his foes flee before Him. As smoke that is driven before the wind I declare them blown away right now. As wax that melts before the fire, the wicked shall perish [in the presence of the Lord], in the name of the Lord Jesus.

We activate every animal that must be activated so that whatever must be brought to the locations that God has already assigned for them to carry whatever must be carried [will be carried]. Beasts of burden including spiritual animals – there are spirit animal beings in the Book of Revelation – let them be activated right now in the name of the Lord Jesus. We activate everything that needs to be activated. We activate the small living creatures. We activate the birds. We activate the kings of the nations. We activate the kings and rulers on earth. We activate every young man, every old man. We activate every young woman, every old woman. We activate every part of the human family that needs to be activated – power brokers – influence brokers we activate you now for the cause of God in our lives unfailingly in the name of our Lord Jesus.

Thank you oh Lord God Almighty. Now Lord God we activate every man, every woman, in this place. We activate your spirit. We activate soul, your heart, your mind, your emotions, your will, your intellect, your conscience, your disposition, your worldview, your mentality, your mindset, your understanding we activate it right now. Let it come alive. Come alive in the name of the Lord Jesus! Come alive! We activate your relational skills. For the year 2017 we declare this first day of this first

month of this year; the first day of the week, which is the first day of the month, the first day of the year—we activate everything that is supposed to be released into manifestation in your life. We activate everything in your body that will begin to cause God to favor your cause. We activate a transformation. Let God's cause be favored from today in your life and through your life. Your body will be readjusted now to begin to look in the direction of fulfilling God's purpose. Whatever had undermined your ability to do whatever God wants done, today we declare that thing judged in the name of the Lord Jesus.

We activate every part of creation right now. We declare that it is done according to God's original plan and purpose, in the most excellent name of the Lord Jesus Christ. Amen.

(Someone in the congregation came forward to confirm that while the prayer was being said her eyes were opened and she could see the things taking place. She saw the gates being opened, she saw the animals, the angels)

This is the year of clash of kingdoms and God is taking back His rightful place.

God said the kings of the south would be made busy for some time so that He will finish what He wants to do first. That means Iran and Turkey are going to be made busy. Some of the people that were being used before will start fighting their own masters. You started seeing that around midnight last night. That is just the introduction.

[There will be] bomb shells in the crust of the earth, bomb shells in the earth, bomb shells in the sky ... to the extent that Daniel 2 and Daniel 4 – especially [regarding] Daniel 4 there will be certain things that will be released into manifestation. The Devil will try each time to counterfeit what God is doing including, the aspect of wanting to stir up the animalistic part. Just like God turned Nebuchadnezzar into an animal, the enemy will try to do that for some of the people around the world. When you see the animal in people coming out do not be too surprised. You will have the ability to control them because Daniel was controlling what was happening.

Cataclysmic shakings and shiftings , and realignments and redefinition of boundaries and limits.

This year will be a year when God will take people into things that they have never been in before. Even for areas where you have had experiences before including [in] the heavens, He will take you to another dimension. He will take you to dimensions that you have never experienced before.

That is what I trusted Him for this morning. That is why at some point I was trying to get the singers to go beyond their regular but I do not think they heard me.

What God wants for this year is that you should out-perform yourself. The best you ever did before, you must out-perform that. Begin to look at what you have ever done and compound it and aggregate it. Begin to out-perform all of that in the name of the Lord Jesus.

This is the year of unprecedented galloping, flying, soaring progress.

There are things that you never dreamt were possible that will become possible this year. The limit will be determined by how much you are ready to believe God and grasp that and also take hold of that for which Jesus took hold of you. Not what you think you should take hold of.

There is something that Jesus has seen that He wants you to now take hold of this year. You must not limit Him to what you think. You must grasp what it is. First comprehend, get it, understand it, [and] understand the import, the depth, the width, the length of it. Then after that, take hold of that.

This year, if you begin to think of the year like every other year you might end up finding yourself far behind those who take hold of these things with two hands.

Every conspirator, every betrayer, will be exposed unless you repent. Every gossip, everyone who is always looking for ways to destroy others, God will expose you. That is the lower punishment. If He gives you the full import of the punishment, what is going to happen is [that] you will end up unfortunately leaving the face of this earth. I pray yours doesn't get there.

Yesterday I talked about reconnection and resurrection of relationships and disciplines. We started with the aspect of the relationships. We talked about the relationship with the Father, the relationship with the Son, the relationship with the Holy Spirit, the relationship with life which had to do with you personally, then relationship with the family, and then relationship with the rest of the society and finally the rest of creation. We stopped on the aspect that had to do with relationship with life. We stopped with Luke 10:25-28.

This is the year you are going to reconnect with the original design for your family. This is the year God will help you to reconnect with the original design for your family. If you do not get that you might end up missing God's purpose for your family. The original design, I am not talking about what you think. I am not even talking about what He might have shown you before. Remember 2017 is the year of aggregation and compounding for the purpose of expression and manifestation.

Aggregation is not just limited to one area. Compounding is not only compound interest as against simple interest. [It is] an aggregation and compounding of all that God has ever said to you. His promises, the prophecies and all the revelations over the years that have not been released into manifestation and those ones where you have seen part manifestation of, they will all be released into expression and manifestation this year if you would just grasp it. That is what you need to understand so that from now [on] you do not operate like the old you.

That is why, even for physical appearance some people say that if that will help you, begin to dress like someone who has arrived there already. That is why today as I was waiting for the outfit, God had already given me a backup. I was coming with another three piece [suit] but maybe because God knew I would be doing a lot of jumping, the three piece [suit] did not arrive early.

From today God will bring you to a place where even your back up... you need to look your best—not necessarily how expensive. Whatever God has given you—whatever you have been exposed to—look your best and live your best.

[Declare], I will look my best. I will live my best in 2017!!!

Everything we are doing here is very serious. It is how serious you take it that will determine how far you will go.

The days of playing with God are over. Everybody needs to take things seriously. If you have not been serious with God, this is the year you have to be serious with God.

This is the year of divine intimacy.

There are three categories of things God shares with people and you need to understand that. Because, [for] some of you, God will take you to that level. There are things that God speaks to people in confidence—not even your spouse should be told. God [may] say this is in confidence, this is a secret, don't tell anybody. There are things that God will give you as a piece of information for you to decide what you will do with it. Finally, there is that He will give you as a message that you must deliver:

This year you need to be sensitive to the Spirit so that when you are about to do something and He tugs [at] you—you say “Yes Sir” and you stop. That is what happens to me sometimes when I start to give you Scriptures it will go on like that.

Remember promptness of obedience this year is critical. It is not just important but it is critical.

There are three levels, the first one is confiding as the Psalmist says, then the aspect of giving you a piece of information so that you know when it happens and He gives you the freedom to handle that with discretion – knowing who to share with and who not to share with. That is the second category of information that God passes across. Then there is the third one where it is a message. That one you must deliver. I do not give you a message for you to sit on it.

We have gotten to the aspect of reconnection in terms of relationships. We have talked about life. Now we are to go to the next one which is family. This is the year of reconnecting with the original design for your family, original blue print, the original job description of your family. The redemptive purpose of your family – you must reconnect with that. Sometimes it is the perverted form that people have embraced. Sometimes it is the lowered form that people have embraced. Sometimes it is the scaled down form that people have embraced and they are even rejoicing over such. May God raise you to the place where you will not settle for anything less than the very best in the name of the Lord Jesus.

Lift your right hand and say “I will not settle for anything less than the very best of God.”

I declare from this day everything God ordained for me to accomplish, for our family to accomplish, everything God ordained for our family to enjoy, for me to enjoy, for Logos-Rhema Foundation to accomplish, for Logos-Rhema Foundation to enjoy as a foundation for leadership resource development, I declare from this day whichever part I have to play I will play it this year in the name of the Lord Jesus. I refuse to be denied access or to [be denied] the ability to perform my

functions and my responsibilities in the name of the Lord Jesus. In this life, in our family, through our family, in my community, in our neighborhood, in the city, in the nation, on the continent and globally in the name of Jesus. Every gate of every nation that is supposed to be calling for me, open now in the name of Jesus.

Earth, earth, earth hear the word of the Lord. Write me down now as one that has succeeded in fulfilling God's purpose for my life, through my life, in the land, in the nations, in this season, in this generation, in history in the name of the Lord Jesus Christ. Amen.

I spoke to the earth and the earth will have to respond. You know from Hosea 2:18-22 that the earth will respond to you. It will respond with new wine. It will respond with corn, it will respond with oil. Because the earth will respond to the heavens, the heavens will respond to the earth, the earth will respond to the corn, the wine, the oil. All of them, the heavens, the earth, the corn, the wine, the oil will respond to you as the planting of the Lord Jezreel.

So say—Because I am planted of the Lord, oh earth, oh heavens, oh corn, oh grain, oh wine and everything wine represents, oil and everything oil represents, and every part of creation, you will respond to me this year. You will respond to me so I can fulfill God's purpose for you and for this season and for this generation through me in the name of the Lord Jesus.

The prayer you just prayed is higher than you. It is bigger than you. It was not just that you can enjoy something. It was so that you can fulfill God's purpose even for creation. If you were creation would you not want to support such a person?

I have given you one wonderful key that has opened and unlocked doors that would never have been opened to you. Many of you were still operating before in those realms of those tiny, tiny things—this chair for me, this house for me, that one for me. I have seen situations where people have spent two, three hours—in fact one or two cases four or five hours- and they were leading people and every prayer was about their little thing. What waste of effort and time and [wasted] opportunity. We shall not waste time and opportunity anymore in the name of the Lord Jesus.

Say—I am going for higher heights. I am going for deeper depths. I am going for bigger things in the name of the Lord Jesus.

Reconnecting not only with family—even things that had to do with relatives that said you would never experience this, not when I am around. They will actually start looking for you. They will make sure that they are in your good books.

This is the year that you must make sure you reconcile with people. That does not mean that if God tells you don't touch that man, don't touch that woman, you should go for them. There are some people that God does not want you to touch.

There is the aspect of reconnection with the rest of the society. That means from now on, belief systems, mind sets, perceptions, perspectives—you will connect with the original in the name of the Lord Jesus. That which is the original perspective that God ordained for you, you will have it from this day. Receive that perspective that is the divine perspective for your life. That divine perspective on issues through your life for the society. You will become the hope of the society in the name of the Lord Jesus.

I declare from this day that the counsel of the Lord for your life will stand. Nothing will be able to deny you access and entry into that which God ordained for you in the name of the Lord Jesus. Let God Himself arise in your life from this day. Let His enemies be scattered. Let God Himself arise in your life from this day. Let His foes flee before Him. As smoke that is driven before the wind I declare them blown away. As wax that melts before the fire so let the wicked perish in the presence of God. I release the fire of God that ought to begin to consume that which is an obstacle in the way of your establishment right now. I release the wind of God to begin to blow away that which needs to be blown away right now. I receive and release the dunamis (Greek word meaning strength, power or ability) from that storehouse right now. I come into that storehouse and receive the dunamis that is supposed to be for the purpose of explosives. (dunamis is the root word of our English words dynamite, dynamo and dynamic). [I receive the dunamis] to blast mountains so that the fire will burn even to the lowest hell in the name of the Lord Jesus.

In line with Deuteronomy 32:22 I release that into manifestation right now. Let there be a shaking of the foundations of the mountains. God searches the foundations of the mountains right now. Those mountains, that have become obstacles [and are] immovable. Today I declare – Who are you oh mountain before Abu Bako [insert your name]? You have become a plane before my wife, before our family, before every member of Logos-Rhema Foundation for Leadership Resource Development, before every single member of the body of Christ worldwide, before any man, any woman, any nation, any continent that God wants to use in this moment that you have decided to

stand in front of. I declare you have become a plane right now by reason of the application, the release of this dynamite!!

If you can speak in tongues—speak in tongues for a minute right now. There are things that God is taking care of in the spirit.

There is laser surgery going on right now. Some of you are going to have certain mid-sections flattened right now—three people. As many of you, as a ready to receive that right now—lay your hands on your mid-sections right now.

Some of you who have had serious challenges with forgetfulness—there are five of you that God is about to restore you right now. Lay your two hands on both sides of your head. God is bringing about operations—angels have been released—they are coming to perform operations right now.

I just heard two words—Enhancement and Accentuation [means the action of emphasizing something] of memories. If there are people who need enhancement and accentuation of memory right now receive that. Fresh deposits of wisdom—fresh deposits of wisdom—fresh deposits of understanding, counsel, might, in the name of the Lord Jesus.

God is upgrading your system. There is an upgrade taking place. There are things that God wants to release.

There are literally new discoveries that God will cause some of you to introduce to the world this year.

There are things that God is going to introduce to the world. There are three people here you will do something that has never been done in history.

Reconnection—not only with the rest of the society, which will include governance. You will reconnect with the rest of the society through governance, through the economy. Meaning some of you are actually going to end up with economic empowerment at levels you never dreamt would ever happen. Not to talk about your own life. You are going to be exposed to economic empowerment at such a level that you would never imagine would happen with any man, not to

talk of you, now. It is not that you never imagined for yourself but you never imagined it would happen for any human being. God will actually release you into such. It is coming to pass. Just watch and see. May you become not just a participant but a creator of the enabling environment, for others to enjoy that in the name of the Lord Jesus.

Erdogan needs to begin to stand right and sit right otherwise there is some shaking that is coming for Turkey.

[Erdogan] if you are watching via internet, it is time for you to look up to the Lord so you will do what He wants you to do. Otherwise, you might end up with something close to a Nebuchadnezzar experience.

This year do everything in your power to manage resources well. No wastage allowed. This must be a year of out-giving yourself. That means giving more than you have ever given of yourself, of your time, of your attention, of your resources, assistance – everything. This is the year of out-giving yourself.

This is also the year that you must get every credible, qualitative information that God wants you to get. [This is] knowledge that you need to get, so pursue knowledge, buy knowledge do not sell it. Every course you must go for—go for it this year. Go if God says go. After this you have only a window of eighteen (18) months because the next eighteen (18) months after that will even be faster. Thereafter the next two (2) years will be for show. Meaning God is going to start showing you off this year but in three (3) years time you would have been brought to a level that everyone in the world will have to know. That is, if you take Him seriously in this area. If the knowledge you need cannot be acquired on earth, go to heaven and get it.

I am not trying to say things to impress you. That is the reality. Meaning, if you ask God where do I go and get this? And He says you would not be able to get it anywhere on earth then say Lord take me to the courts of heaven. Take me to your throne-room. Both of them are very important.

From today do not become a spectator. The Spirit of the Lord impressed on me that when we give prophecies some people do not understand how to work the thing out. [That is why] I am trying to [explain everything] to see how best I can help with that.

In terms of resources, you need the knowledge to know how to manage the resources.

In terms of the other aspects, science and technology, I have already touched on that.

Media and communication – God is going to cause media to become a different platform. There will be a redefinition of the practice of communication. There will be a redefinition of the way media communication is practiced, the art of communication. What people called News before will no longer be News.

You are a supernatural being. Your natural environment is supposed to be the supernatural environment. May this year be the year of your operating in your original natural in the name of the Lord Jesus. Let there be a resurrection of your originality in the name of the Lord Jesus.

Lord I declare right now by reason of this anointing, that which no eye has seen nor ear heard nor has ever entered into the hearts of men concerning media communication where it will not be “Olds” that people will be talking about but News. That when you talk of News from this day, it will be really new things not old things, [not] history.

If you are engaged in the media and you do things whether electronic or print media, you do things on social media, if you are coordinating platforms—Today I declare that by reason of this anointing that is being released, you will download things that no man had seen before nor eye seen, nor ear heard, nor has ever entered into the heart of any man. I declare the release now according to God's original plan and purpose in the name of the Lord Jesus. Let God Himself arise in your life. Let His enemies be scattered in the name of the Lord Jesus.

(As he anointed a media person from the audience, he said) Lord by reason of this right now I declare that the dew from heaven takes over right from the crown of this head to the soles of her feet. Let her begin to experience the reality of your power, your fire, your glory. Let there be so much of the release of everything that is necessary. Let everything that is supposed to be activated right from the innermost part of her being right now be activated according to your original plan and purpose. We release that right now in the name of our Lord Jesus. [She was instructed to lay her two hands on her belly]. We declare right now in the name of the Lord Jesus that there is a release that will cause rivers of living waters to begin to flow, rivers of life to begin to flow out of this belly. There will be creativity, productivity, specificity that no man had experienced before in the name of the Lord Jesus. I declare that as she is used for international media as a point of contact

right now let that be released into her life also in the name of Jesus. Out of her belly let there be rivers of living water that will begin to flow.

(He began to pray for several media persons) Let every part of creation begin to call for whatever is supposed to be released from these lives right now. Books that must be written, come forth, come forth, right now in the name of Jesus! Magazines that must be written, magazines that must be published, magazines that must be introduced, times and ideas that no man has seen before – even in the area of electronic media and those that have to do with the ability to even record things and begin to tweak them in ways that no one had tweaked them before – I release that upon you right now. I declare the release that is necessary right now in the name of the Lord Jesus. I declare release upon you right now. The anointing, the grace, the ability to see what no man can see. The eye to see, a keen eye, a keen nose for things that no man had ever seen or smelt before—in the area of being able to edit things properly. From this day excellence takes over from mediocrity in the name of the Lord Jesus. We declare that established right now. We declare oh Lord the establishment of Your counsel and your counsel alone, over every life including those lives that are supposed to have been touched. We thank you and we declare it done according to your original plan and purpose in the name of Jesus.

We say concerning all the publishers, paper converters, especially those that will represent you truly, to begin to receive fresh anointing as we use the president of the Ghana Printers and Paper Converters Association [as a point of contact] in the name of the Lord Jesus. We declare right now the release of the fire, the power, the glory in the name of the Lord Jesus. Thank you Lord God Almighty because we release everything that is necessary for him in the name of Jesus. Thank you for what you have done, for what you are doing and what you will continue to do unfailingly according to your original plan and purpose in the name of the Lord Jesus.

It is how seriously you take God this year that He will take you.

You will reconnect in terms of relationship with the rest of creation. Use Romans 8:19 to pray with. The whole creation has been waiting for the manifestation of the sons of God. This will be the year that literally the rest of creation will begin to recognize you. If God tells you to speak to any part of creation just do it. Jesus spoke to creation. He spoke to the winds. He spoke to the mountains. He actually said that you can speak to mountains. You can speak to trees. That is what you will do and they will obey without any shadow of doubt.

These are the seven armed robbers that you will need to arrest this year if you are going to make it the way God ordained for you to make it.

The first armed robber is idolatry. That is what we need to watch out for this year. You say, "We are not idolaters. That is why we are here." In fact, I had to repent while I was with God because He said even opinions of men can be an idol. Where their opinion is more important to you than what God wants done, [that is idolatry]. I had to repent because there are times that [I would say] "Before they misunderstand..." Opinions of men, relationships, friendships, family relationships [can become idols]. You think, "I don't want to rock the boat." So you don't do what God has said you should do. That is idolatry and that has robbed many of us here of a lot of things and the progress that God wanted you to make. God said this year the armed robber will be arrested.

I arrest every robber of idolatry. Every robber of idolatry in my life, in our home, in our family, in our ancestry, in our lineage, in Logos-Rhema Foundation for Leadership Resource Development, every altar of idolatry, every single symbol of idolatry, every access point of idolatry, every single platform of idolatry that has gained access to us one way or another, today we declare them arrested and destroyed. For the aspect of the platforms – they shall not be available any longer. We declare that it is no longer a platform of idolatry. It will be a platform of divine expression and ownership in the name of the Lord Jesus.

Second armed robber—It is the armed robber that many people don't seem to have even taken note of. [It is] superficiality. Being superficial you don't go deep enough. When He talked about superficiality, He said the reason is that because you want to keep friends. There are toxic friends that we have kept. It is a slow poison. God said the vital forces of life would be reduced in their functionality because of your toxic friends. A toxic friend will be recognized by anybody that comes around you and when you finish talking [with them] they have not added anything. You have wasted time. They come and they keep subtracting from you. They keep taking away your time, your opportunities, distracting you. The person might not be somebody who is poisoning your mind. Those who poison your mind are worse poisons. Anybody who every time you meet they do not add anything to your life, from today remove them. Cut them out. Before you cut them out, if they are already a part of the circle of fellowship then go and warn them. If they are here go and warn them—ask them "Did you hear?" From today if you come with your toxicity I am not going to allow it. I am serious. I am telling you this is serious. Some of them have become like broken down vehicles on your way to progress.

Stand and pray for a minute—Let every form of toxicity that has gained access to my life be flushed out and let every access point be blocked right now. Including any part of my being that will begin to be activated so that it can reject them the moment I even sense them with the filaments that God has given me. Before they are in visibility you can feel it from afar. When they are coming you will be able to reject them and put up the defenses that God has given to you in the name of Jesus. I declare every toxicity that has gained access to my life, that has gained access to my circle, that has gained access to our office, that has gained access to Logos-Rhema Foundation for Leadership Resource Development, toxicity in terms of ideas, toxicity in terms of people, toxicity in terms of specific system structures right now we declare that you are flushed out by the blood of Jesus in the name of the Lord Jesus.

Every form of toxicity that has gained access to our home, that has gained access to our marriage, that has gained access to our lineage, that has gained access to our family, that has gained access to our family life, right now I declare you flushed out by the blood of Jesus. Be flushed out right now by the blood of Jesus. Be flushed out by the blood of Jesus, in the name of our Lord Jesus. I block the access points for these toxins and toxic wastes that have gained access. There are some that are not outright toxins. If you take more than you should take the excess becomes toxic waste and over a period of time it becomes toxic overload. May all such access points be blocked in the name of the Lord Jesus.

Access point for toxins into hearts, into minds, into emotions, into wills, into intellects, into consciences, into dispositions, world views, mentalities, perceptions, understanding, relationships and relational skills, right now these access points are blocked in the name of Jesus.

We increase sensitivity to be able to deal with whatever is supposed to be dealt with so that you can now know that is a signal that toxicity is about to come in and you will stop it. You will arrest it in the name of the Lord Jesus. We declare that settled right now according to God's original plan and purpose in the name of the Lord Jesus.

The third armed robber – Distraction. It has been robbing people. Haven't you seen situations where [with] just a little distraction you end up with an accident? A little distraction and you end up losing and missing an opportunity of a lifetime.

The seven armed robbers you must deal with this year are:

1. Armed robber number one: Idolatry—hero-worship—all of those things. Let no man, let no idea, let no feeling, let no goal take the place of God in your life.
2. Armed robber number two: superficiality-being superficial.
3. Armed robber number three: distraction
4. Armed robber number four: lethargy—(synonyms: inaction, slowness, idleness)

You must arrest and deal with lethargy this year. Lethargy is lack of energy. How many of you have said, "I don't have energy for this?" If it is [for something] negative then that is correct. But for some of you, sometimes when God asks you to do something, you just look at how big the whole thing is and you say, "I don't have energy. I cannot do it." That is an armed robber called lethargy coming in. Lethargy is lack of enthusiasm. Lethargy is sluggishness.

[In medicine lethargy is a pathological state of sleepiness or deep unresponsiveness and inactivity.]

May every iota of sluggishness in your system be flushed out in the name of Jesus. May God bring such enthusiasm back to you. May God bring that tenacity and that pride back into your life in the name of the Lord Jesus.

How about inertia?—You have been planning to do the thing but there is no movement. This year will be a year of movement. May yours not be negative movement where people push you out of the way but you would rather be the one making progress.

Inactivity—There are some people who like to lie down. You are shifting on the bed and you say I am going to have a shower and then twenty minutes later – I am going to have my shower soon. May God deliver you from that in the name of Jesus. May there be promptness of action in the name of the Lord Jesus. That you will act promptly to do anything that God would ask you to do. May there be fast action. Put life back into that which you do.

5. Armed robber number five: Laziness
6. Armed robber number six: Procrastination
7. Armed robber number seven: Lateness

If you don't take this seriously [before you know it] so much ground will be lost before you come to yourself. Now you want to redeem it and it is difficult.

Every irritant, every pollutant in your life, that has kept you from being able to respire [means to breathe] properly today in the name of Jesus we declare it arrested. We declare it flushed out of your life by the power that is invested in the name and the blood of Jesus.

[The teaching ended as people in the audience began receiving healing.]

Dr. Bako resumed speaking – Everybody say “New Portals”. I saw “New Portals” three times and I was asking the Lord what He meant by New Portals. He said new portals over lives, new portals over families, new portals over nations. It means that God has just opened new portals over your life so that you can access heaven and download things that you never could have ever before. New portals have just been opened over your families so that the family can now begin to access things that never could have been accessed before. New portals over nations have just been opened right now.

God said He wanted to demonstrate resurrection and reconnection with life itself. Even physically there were things that were dealt with. That is God. He does it the way He wants. It is not about man. There is mercy for failures of the past and grace to help in this time of need. I am going to use two [ministers of music] as the point of contact – I am going start with the two of them and anoint everybody on the stage.

THIS IS THE END OF PART 2

## PROPHETIC WORD 2017

### PART 3

*This is a summary of the prophetic word for 2017 that came through Dr. Abu Bako on January 8, 2017, during the services that were held at Logos-Rhema Foundation for Leadership Resource Development in Accra, Ghana.*

We are talking about the temple of your body. We are talking about the temple of lively stones, living stones. Let the glory of God fill the earth through these temples from this day. Let the glory of the Lord begin to fill the heavens by virtue to that which is coming as incense from these temples right now, in the name of the Lord Jesus. Oh God arise and let your enemies be scattered. Arise oh God and let your foes flee before you. As smoke that is driven before the wind so blow them away. As wax that melts before the fire so let the wicked perish in the presence of the most high God. Let the presence of the Lord fill His temple. Let nothing be able to stand. Wherever people are watching right now let the glory of the Lord begin to invade them right now. As the glory invades every part of His temple, let anything that is not of Him, that does not resemble Him, that would not glorify Him, that would not enhance that glory, be swallowed up in victory by the glory of God, by the presence of God, by the power of God, by everything that God himself is releasing. We declare that established right now according to God's original ordination, according to that which He himself is releasing now in the name that is above all names Jesus Christ. Amen

[He gave the readings for each day of the week for the people in the assembly.]

These are the readings for each day of the week:

1<sup>st</sup> Day of the week – Isaiah 60, Psalm 103, Psalm 65

2<sup>nd</sup> Day of the week – Psalm 59, Psalm 71, Psalm 106

3<sup>rd</sup> Day of the week – Psalm 67, Psalm 73, Psalm 107

4<sup>th</sup> Day of the week – Psalm 119, Psalm 117

5<sup>th</sup> Day of the week – Psalm 29, Psalm 66, Psalm 118

6<sup>th</sup> Day of the week – Psalm 68, Psalm 3, Psalm 136

7<sup>th</sup> Day of the week – Psalm 72, Psalm 126, Psalm 100

He told them that the order of the readings was given by the Lord. There is a structure to what they are being asked to do. He is training them to hear from God.]

In this year of intimacy with God ...it is depth of intimacy that God wants us to cultivate in this particular year of 2017. This is the year of reconnection and resurrection of relationships so the aspect of intimacy is very important. It is the depth of intimacy and every ramification of intimacy with God and the impact thereof. [This is the year of] the resurrection of anything that has died. That is why you want to start with “Arise and shine” [Isaiah 60]. You will use this particular passage for prayer.

The last psalm for the first day of the week is Psalm 65. Praise awaits you oh God in Zion. Imagine that this is the way you started every week. What kind of week are you going to end up with? It means you have already proclaimed that God is going to answer every prayer you pray because you are going to pray according to the will of God. Every week you will proclaim that God is going to crown the year with His bounty.

God wants you this year to lay the foundation of each week with rising to shine.

Five times this year there will be 12 hours of non-stop praise and worship. This will be the first year that we will enter the 31<sup>st</sup> [of December] with 12 hours of non-stop praise and worship.

[He then showed the congregation how they should pray Isaiah 60] The prayer is a proclamation for yourself, for your family, for the nation, for the continent, for Logos-Rhema Foundation for Leadership Resource Development.

May the favor of the Lord be your portion this year like never before, in the name of the Lord Jesus. May the mercy of the Lord undertake for you everywhere you go, in the name of the Lord Jesus. I decree that established right now according to God's original plan and purpose, in the name of the Lord Jesus.

We declare that level of security that God ordained released right now for all of the five areas [yourself, your family, the nation, the continent, Logos-Rhema Foundation for Leadership Resource Development]. I declare that established right now. A new level of security and it is now settled in heaven, in the name of the Lord Jesus. Let every part of creation be activated to ensure that this is brought into full expression and manifestation in the name of the Lord Jesus. Amen.

Whatever is the best is coming to us in the name of the Lord Jesus.

The continents that were despising us will come bending to us and they will say, "We are sorry". Those who despise Logos-Rhema Foundation for Leadership Resource Development shall come bending and say, "We are sorry" in the name of the Lord Jesus.

The Lord is making us an eternal excellency, a joy of many generations. I am an eternal excellency, a joy of many generations. The continent of Africa is an eternal excellency, a joy of many generations.

Whatever you have seen before will look like nothing compared to what is about to be released in the name of the Lord Jesus.

Violence shall no longer be heard of in our land, or wasting, or destruction within our borders. From this day, you will call your walls salvation and your gates are called praise. Anything that does not resemble salvation; anything that does not promote salvation; anything that does not enhance salvation; anything that does not strengthen salvation; anything that does not establish salvation and all its attendant blessings is not allowed to come into your life or within your walls. From this day anything that does not bring praise to God; anything that not promote praise to God; anything that does not enhance praise to God; anything that does not establish the praise of God in the earth; anything that does not strengthen your hand to praise God is not allowed to come through your gates. Anything that does not resemble all the things we have said, that have to do with praise, that have to do with salvation, anything that is not on the side of praise and salvation in your life, in your home, in your family, in your neighborhood, in your community, in your city, in your nation, on the continent of Africa, in Logos-Rhema Foundation for Leadership Resource Development we flush it out right now, we kick it out, let the angels drive it out in the name of the Lord Jesus. Let the Cherubim stand with flaming sword and guard the garden of the Lord in your life, in the name of the Lord Jesus.

From this day, it is not any of the constellations that will determine our position. People who have been programming things into the sun and the moon—you have been wasting your time. We have gone beyond sun, moon and stars. The Lord is unto us an everlasting light. He is our glory. There is no setting of the sun over our lives anymore. The Lord is our everlasting light and the days of our mourning are ended in the name of Jesus.

Say:

Your sun will no more set, or your moon wane ever again, in the name of the Lord Jesus.

From this day the Lord is onto you an everlasting light. The days of your mourning have ended in the name of the Lord Jesus.

This is the year of multiplication. Multiplication of impact! Multiplication of influence!

This is the time! I say this is the time! I say this is the time! This is the time!

Song:

*This is the day that the Lord has made. We will rejoice and be glad in it. Rejoice in the Lord. Rejoice in the Lord. Celebrate the presence of the Lord for He is worthy to be praised. Celebrate the presence of the Lord for He is worthy to be praised. Rejoice. Celebrate the presence of the Lord for He is worthy to be praised. Rejoice in the Lord.*

Be your best, do your best, look your best, relate your best, everything your best, work your best.

This year we are going to have five months when we will have 12 hours of non-stop praise and worship. The first one will be January, then May, July, October and December. These are the months with the 5<sup>th</sup> first day of the week.

We will have four times of fasting this year. It will be two weeks each time. These will be in March, June, September and December. In December it will be the first week and the last week. For March it will be the 12<sup>th</sup> to the 26<sup>th</sup>. The 12<sup>th</sup> will be the proclamation in the evening. On the 13<sup>th</sup> you will not eat until the evening. On the 26<sup>th</sup> you will celebrate and close with whatever God leads.

This year you will also have what we call KAIPAS – Kingdom Apostolic Impartation and Prophetic Activation Seminars. You will have not only teaching but there will be apostolic impartation for each month so that you can be released into that which God wants you to go into and then activation prophetically. Have you noticed, that sometimes somebody prophesies over you and things start working, [things] have changed? That is not just a prophecy that is prophetic activation. It is bringing

out what has been lying dormant, by the Word. This is called prophetic release—[it is called] the Lord's release in Deuteronomy 15. Those are the kinds of things. It is almost like the Jubilee type of effect and impact. The apostolic impartation is for new foundations because there are things that you are going to enter this year that you never dreamt of—but you need the impartation. That will not only be [in house]. We will invite as many people as possible but quite apart from that, we will also have facilitators, not limited to people who are here, or only in this nation. Wherever God wants to bring them from we will bring them. Be prepared to do whatever you need to do to make sure we get the best. You also make sure that you make the most of it. It is supposed to be the second full weekend of every month.

All the Scriptures we have given, including Psalm 74 and Psalm 77—remember Psalm 74 for Nigeria. There are things that are going to happen in Nigeria in connection with the situation in Kaduna and you will begin to see signs within the next seven days.

I spoke about Turkey and within two hours we began to see the signs and it has continued up until yesterday. It has continued—it is God it is not me. I have just declared the word of the Lord. I must confess to you I spoke to the Lord yesterday, I asked him if I should plead for mercy because quite a number of innocent people are now dying.

There are some people that are the ones sponsoring [these things] internationally and God will remove them if they do not repent. If they repent it will be all right. It is not His will that anyone should perish.

We are not doing things to impress anyone. We just want to express what God wants. We are grateful to Him [that] in the first place He would count us worthy to be used.

May everyone planning anything contrary to God's purpose for our lives, for our families, for our neighborhoods and communities, for our cities, for our nations, for the continent of Africa, against Logos-Rhema Foundation for Leadership Resource Development now receive the judgment that is due them, unless they repent, in the name of the Lord Jesus.

May God Himself arise right now and let His enemies be scattered. Shout 5 times together—Let God arise and let his enemies be scattered!

Let His foes flee before Him as smoke that is driven before the wind. We declare them blown away. As wax that melts before the fire, so let the wicked perish in the presence of God.

There have been death sentences issued on 12 different people. We declare those death sentences cancelled right now. Overruled and nullified. After this cancellation, should there be a reissue, let the death sentence go to the sender, in the name of Jesus. Part of it has to do with the nation but I will not go into details.

I declare from this moment that wherever you have met in your covens, in your sanctums, in your temples, in your groves, in your various meeting places, your shrines, wherever, whether they are called holy places or places of worship, whatever you call them, whether they have domes or minarets, whatever it is—we declare today that God will scatter you. Scatter them oh God that delight in war, in the name of the Lord Jesus.

Let us pray for two or three minutes. If you can pray in the spirit, if you do not know what the spirit is telling you, then pray in tongues. The Spirit of God will help your spirit to pray right now. Pray for Nigeria right now. Let there be a release of the angels of the Lord right now all over Nigeria. Let them go from one place to another, including the various palaces and various residences and all of the places where they need to go right now according to God's original plan and purpose.

Begin to take the members of your family and pray for them by name. Even if you don't mention them out you can mention them in your heart right now. Speak to the lineages, [the] ancestries right now. Pray now and mention the nations that God lays on your heart—at least three of them, maybe five. Lay them before the Lord in this prayer right now.

Let us pray for Central African Republic—God is turning things around right now. [Pray for] the Great Lakes region.

There are three people here that people have had poison injected into [them] in the realm of the spirit. Some of the times you literally feel something traveling all the way down. It doesn't get to the ankles. Just when it is about to hit the ankles, it comes back up. Sometimes it is like a pain and sometimes like a shot. That was spiritual poison being injected. There are four people with various aspects beginning to collect fluid, including [fluids in] the gums. There are three of the four people [who] have ended up with swelling in the gums because of the things that have been released in the realm of the spirit. There have been death sentences issued and other things because the devil is afraid of some things happening. If you are one of those people, lay your hands on your head. Now [the others] pray because you know exactly what it is. Pray in tongues if you do not know

how to pray. We are declaring by the blood of Jesus from the crown of the head to the soles of the feet let there be a flushing out now of every single deposit of poisonous substance, fluids, whatever they are that was released in the realm of the spirit.

[He called out some people who had experienced spiritual poisoning by injection and people who had experienced issues with the hip. He used them as points of contact for all who had similar issues.] We declare now a release for these ones in the name of the Lord Jesus. What a way to start [the year] so that there is nothing that you are carrying as you go into the rest of the year. God might be ministering you right where you are right now.

If there is anything that is not of God in your life, let it be flushed out now. There are three people here, one of you, you were walking and you felt as if they threw dust into your eyes. Since that time you cannot see clearly. I am going to use you as a point of contact for all the people who had things like that. There are people here who felt some irritation in the air and since that time they cannot see clearly. What had happened was that some people had taken dust and spoken to the dust and thrown it into the air.

Let us pray—Let God arise, let his enemies be scattered. Right now, in the name of the Lord Jesus, every single deposit of poison that was meant to weaken you spiritually and eventually eliminate you, we declare that flushed out now in the name of the Lord Jesus by the power that is invested in the name and the blood of Jesus. We declare that flushed out right now by the power that is invested in the name and the blood of Jesus. Let that which had to do with specific things that were released to destroy God's purpose in your life now be destroyed themselves in the name of the Lord Jesus. We declare that every injection of poison now is met with the injection from heaven in the name of the Lord Jesus. Let there be a flushing out. Let the angels be activated. Let every part of creation be activated on your behalf right now in the name of the Lord Jesus. We declare that that injection now is repulsed in the name of Jesus. We declare that everything that has been cast into the air, to irritate eyes, and cause blindness, dust—it is not only physical blindness but is like casting dust up because you are about to see what God wants you to accomplish in life fully. There are things you are still asking God for clarity on. [He was speaking to a particular lady.] God says from this day He is bringing clarity.

I declare that whatever it was that was thrown into the air, thrown into homes, thrown into the atmosphere that has affected eye sight in the realm of the spirit, eye sight in the realm of the soul, eye sight in the physical today be flushed out by the blood of Jesus, by the water of the word, by the wind of the spirit. Right now in the name of the Lord Jesus I activate the divine vacuum cleaners; clean out the debris right now to God's original plan and purpose in the name of the

Lord Jesus Christ. Let God Himself arise and let His enemies be scattered. Let God Himself arise and let His foes flee before Him. As smoke that is driven before the wind I declare them blown away. As wax that melts before the fire so let the wicked perish in the presence of God in the name of the Lord Jesus. I declare the gums be healed right now by the power that is invested in the name and the blood of Jesus. Receive healing right now. Every single challenge that has to do with your oral cavity—I declare right now in the name and the blood of Jesus you receive healing, you receive the touch of God right now. Somebody is actually receiving healing that has to do with teeth but at the same time you are feeling tingling in your thigh.

[Speaking to the lady who raised her hands] I declare right now we cut every single chord of connection between you and that which they were using from your ancestry, from the village, especially your mother's village. That is what I just saw. We declare your seating place in life changed now. You are relocated to the original position that God had for you. Every exchange that had taken place we declare it reversed right now by the power that is invested in the name and the blood of Jesus. From this day, the grace, the anointing to enter new levels, the grace to establish God's patterns I declare released upon you. You will hear God clearer than you have ever done, in the name of the Lord Jesus. From this day fear is banished from your life, in the name of Jesus. When even the enemy drops ideas in your mind, your head, your brain saying, "This is going to happen to you," say, "it cannot happen. It cannot stand, it shall not stand neither shall it come to pass. Therefore I decree this instead. I decree that instead." You will become one of the deliverers of people in similar situations. Through you and the pen of the skillful writer through your life there shall be a rewriting of the history of your family and your lineage and many others in the name of the Lord Jesus Christ.

Even so Lord we thank you for every other person in this place. Whatever is there that needs to be touched in every life. Lord, reach out to them now. Let those things be dealt with permanently according to your original plan and purpose in the most excellent name of the Lord Jesus Christ. Amen.

[Next there was the anointing of everyone there for the level of operation in 2017 that they are supposed to begin to express at unprecedented levels.]

We decree right now that everything coming from the shrines that have to do with the sun that is linked to Nimrod and Ishmael and even because the people of Egypt did not fully accept him, [Ishmael] because of the worship of the sun, he now said I am going to turn this way and deal with the people in the area of the moon in the Iraqi region where his father had come from... where they worship the crest of the moon. Let everything that is being drawn from the kings of south,

Iran, and things that are coming from Saudi Arabia, and things that are coming from other parts of the world including America be judged now in the name of the Lord Jesus. We declare from this day that God will make it so troublesome for some people until they call upon Israel and others that can really help against those who are really out to clear people so that they can take the land.

The reason why the whole thing is so concentrated in Southern Kaduna... They discovered the highest quality nickel in the whole world. They have never seen that type anywhere else in the world. The discovery does not mean that that was the first time that they knew about it. That was the first time they were saying it. Who sent the people from Australia? There are maps. There are resource maps since Colonial times. We tried to access some of them. Some of the things you see are not the way they appear. Some people are interested in the case and they are interested in that portion of the land. Why would you clear people and then now stay there? There are some people behind the herdsmen who will then come forth and buy up the land. They should wait and see. They might not be alive to buy it. I say they may not be. That means if they repent they will be alive but they will not buy it anyway. If they do not repent, they will not be alive.

[He then taught the song that came to him on December 29, 2016]

Some of the words of the song are:

Let God Arise, Let God Arise, Save me oh my God

For though has smitten the enemies, smitten the enemies, broke their teeth

Smitten the enemies, smitten the enemies, never to rise

He has smitten the enemies, smitten the enemies, smitten the enemies, on their cheeks.

So we will clap, clap, clap. So we will shout for joy.

We activate the angels go to war. We activate creation go to war.

Listen to the voice of the Word of the Lord. Listen to the voice of the Word of the Lord.

Let the voice of Yahweh thunder now

According to the will of the Most High God, go to war. Go to war.

Right now. Right now. Go to war. Right now. Right now.

We say to the heights go to war. We say to the heavens go to war.

We say to the moon go to war. We say to the stars go to war.

We say to the sun go to war. We say to the highest heavens go to war.

We say to the waters above the heavens go to war.

Sun and moon go to war. Right now. Right now.

You are going to program this year every morning but you start with the beginning of the day that is at 6 pm to 9pm. You can do a minimum of 15 minutes. If you can it is better to do one hour in the first watch of the day. There are only three watches [that you are required to keep]. Two night watches and one day watch. This was the instruction I received in September and then again on the 27<sup>th</sup> or 28<sup>th</sup> of December. That is what will provide the highway for God to take back his inheritance. It is His estate, His inheritance in you and through you will be taken back for the Kingdom. If you do not know anything else to pray, pray the psalms for that day. So between 6pm and 9pm is the first time that you must pray; preferably, one hour, but at least 15 minutes. You could also do the whole watch.

The second watch is the last watch of the night, 3 am to 6 am. For this one if it is possible those of you that are born on that day of the week you should meet in a central location for one hour. God is going to come riding upon the clouds and upon the waves. What He did to deliver the Israelites from Egypt He will do on your behalf.

The last watch is the last watch of the day which is 3pm to 6pm. This is the time that whatever is supposed to change history in your life, your lineage, your community, your city, nation whatever God leads you, you now proclaim. Proclaim the psalms and whatever else God is leading you. There will be a lot of warfare going on. Ultimately it is about God taking back His inheritance in you and through you as far as His kingdom is concerned.

This is one of the things that God is going to use to weaken the United Nations unless people realign and acknowledge God. Do not be surprised if, within three to five years, the United Nations begins to acknowledge God as God. They will be so weakened that they will have no choice; they will be forced. Do not be deceived by that because after some point they are going to go back because they have to fulfill their purpose.

You should discipline yourself. One of the seven basic disciplines you will need in the year 2017 is the discipline of prayer.

You will have the discipline of the Word, discipline of prayer, discipline of obedience, discipline of hearing God.

In terms of disciple of the Word—You will have to settle with yourself to read a certain number of chapters of the Bible each day. Those who are starters can start with ten chapters. Those who want

to be serious, twenty chapters. Others can do forty chapters. Some can do one hundred and twenty, two hundred, whatever God leads you. In terms of the Word, one of the things we will need to do is corporate reading. Every quarter we would need to [read the entire Bible] together. We will aim to finish the Bible in three days. Then we will go to seven days where you come for eight to ten hours each day. If we do ten hours we can finish in five days. That means that four times this year we will [read the entire Bible] corporately.

During the times of KAIPAS—Kingdom Apostolic Impartation and Prophetic Activation Seminars, we will be reading the Bible concurrently. That will be the second full weekend of each month.

Let me mention the things you are supposed to do in terms of the seven disciplines. The first discipline is the discipline of the Word. The second one is prayer. The third is hearing the voice of God. The fourth one is obedience. You hear, then you obey. The fifth one is the discipline of fasting. Those of you who have not kept the aspect of fasting on the day of the week on which you were born, this is the year that you should do it. You should reconnect with your foundations. The original purpose for which God brought you on the face of the earth. You should reconnect with that and let the oil from the throne of God flow through your life.

The sixth discipline is the discipline of exercise. That is exercise in the realm of the spirit, in the realm of the soul and in the realm of the physical. Exercising spiritually is any spiritual exercise that you used to do that kept you in top form. God showed me that there were things that He helped us to do that brought us how far we have come and we have stopped doing them. So ask God for next levels of expression. Exercises in the realm of the soul, includes memorization, anything that will help your brain you have to do it this year. If you have to stretch yourself read things you never thought you could. Learn a new language. Learn a language that is very challenging for you. There are certain things you find most challenging—it is time to challenge yourself. You must out-perform yourself. God is serious. Physical exercises—this is the time you must take exercises seriously. If you need a coach or a personal trainer sign up.

The seventh discipline is the discipline of practicing the presence of God. God told Dr. Bako that He wanted him to acquire and cultivate the discipline of practicing His presence. The question He asked him was how did Enoch do it? He walked with Me 300 years and had other sons and daughters. It means he was actually going about business but he walked with Me [God] every step of the way. Dr Bako said that was true. God then asked him who was he supposed to be copying after? Dr Bako answered Jesus. God said was that not what he was doing throughout his life here? Whether Jesus was eating or sleeping he was in the presence of God. It is important that you practice the presence of God everywhere you go.

These seven disciplines will help you to deal with the seven armed robbers. The seven armed robbers for this year that you are arresting are; idolatry, superficiality, distraction, lethargy, laziness, procrastination and lateness.

The last one of the seven disciplines, [practicing the presence of God], is where you have the full expression of intimacy. All of the disciplines are geared towards cultivating intimacy. When you hear the voice of God you will obey. That will help you to cultivate the discipline of giving. It will not be giving the normal way. What you just got anointed for today was for favor. [It is] the type of favor where all that you need will be released. It is like all of a sudden you are marked out for resources to come to you. When the Hebrew slaves were going to leave Egypt as Israel it was favor that was released to them for whatever was needed to build the temple of God. They did not need to use the silver and gold to buy anything, it was meant for the temple. Meaning God is going to give you things that are beyond you, things that are not meant for you.

Fasting is number five. You need to do fasting. As [you know] there are certain kinds that do not go except by prayer and fasting. [Matthew 17:21] That is why you should reactivate the fasting on the day of your birth. It will be good if you can meet with others between 3 am to 6 am who are on that day. You can now reconnect and release some things. From 6 pm to 9pm, you do your own family thing. If possible at least once each week you should take communion together as a family during the 6pm to 9pm watch. If you remember this is what Jesus did before going to the cross. This is how you actually conquer before you go to the battle front.

The discipline of exercise is number six and then finally number seven is the discipline of practicing the presence of God.

THIS IS THE END OF PART 3
